WASHINGTON, D. C. 20523

ACTION MEMORANDUM FOR THE AGENCY DIRECTOR FOR HUMAN RESOURCES,
BUREAU FOR SCIENCE AND TECHNOLOGY

FROM: S&T/RD, Eric Chetwynd, Jr. (Acting) 

SUBJECT: S&T/RD Local Revenue Administration Project (LRAP)
No. 936-5303 (Doc. no. 0002)

Problem: Your approval of the attached PAF Amendment is needed to provide a no-cost extension of the LRAP project for one year from September 30, 1987 to September 30, 1988. This extension will enable the cooperator, Syracuse University, to wrap up the findings of the project.

In FY 1986, S&T/RD requested Syracuse University, under the present cooperative agreement, to organize and administer a tax reform conference. The total funding provided by S&T for that conference was \$11,000. Therefore, your approval is also requested to increase the level of S&T funding to the cooperative agreement by \$11,000 so that \$100,000 in incremental funding can be obligated as planned in FY 1987.

Discussion: Syracuse University is currently engaged in finalizing a number of outputs resulting from their work under LRAP. It is estimated that they will need about one year's additional time to complete these activities beyond the originally projected project completion date of September 30, 1987. No additional cost is needed beyond the \$100 thousand previously programmed for FY 1987. This \$100,000 is exclusive of the \$11,000 which was added in FY 1986 specifically for a tax reform conference. Hence, the total estimated core cost of the cooperative agreement needs to be increased by \$11,000 from \$300,000 to \$311,000. What the Syracuse staff is working on and would be completed during the extension period include: (1) a summary paper on issues of fiscal decentralization drawing on LRAP's experience; (2) a final report summarizing LRAP's work and the principal research findings; (3) a book-length manuscript on financing local governments in the Third World -- covering Bangladesh, Upper Volta, Peru and the Philippines; (4) a book-length manuscript on financing local governments in Bangladesh; (5) a comparative study of grant programs in South and Southeast Asia; and, (6) a final report on the field work in Nepal currently underway.

Recommendation:

1. That you sign the attached PAF amendment authorizing a no-cost extension of the project from 9/30/87 to 9/30/88.
2. That you authorize an increase in the total estimated core cost of the cooperative agreement with Syracuse University raising the S&T Funding level from \$300,000 to \$311,000.
