Palliative Care: TB/HIV

Description of accomplishments or constraints:

Orphans and Vulnerable Children

Description of accomplishments or constraints:

#####

Counseling and Testing

Description of accomplishments or constraints:

Luapula Foundation has continued CT activities in 7 districts of the Province. There is one service outlet in Mansa, and Mobile CT services in all districts. Full time staff counselors, along with four volunteer counselors travel to the districts to conduct CT activities. Trained lay counselors from the individual districts are used to mobilize the communities prior to the CT team travelling to the community. CT services are conducted in most at risk populations (fishing camps, trading areas) and in underserved populations (work places.)
