The Grantee agrees to include the requirements of this clause in any subordinate agreement hereunder.

### c. Refunds (Oct. 1974)

(1) If use of the Grant funds results in accrual of interest to the Grantee or to any other person to whom Grantee makes such funds available in carrying out the purposes of this Grant, Grantee shall refund to AID an amount equivalent to the amount of interest accrued.

(2) Funds obligated hereunder but not disbursed to the Grantee at the time the grant expires or is terminated, shall revert to AID, except for funds encumbered by the Grantee by a legally binding transaction applicable to this Grant. (2) The sale of personal property or automobiles by Grantee employees and their dependents in the foreign country to which they are assigned shall be subject to the same limitations and prohibitions which apply to direct-hire AID personnel employed by the mission, except as this may conflict with host government regulations.

(3) Other than work to be performed under this Grant for which an employee or consultant is assigned by the Grantee, no regular or short term employee or consultant of the Grantee shall engage, directly or indirectly, either in his own name or in the name or through an agency of another person, in any business, profession or occupation in the foreign countries to which he is assigned.

(4) The Grantee's employees, while in a foreign country, are expected to show respect for its conventions, customs, and institutions, to abide by its applicable laws and regulations, and not to interfere in its internal political affairs.

(5) On the written request of the Grant Officer or of a cognizant Mission Director, the Grantee will terminate the assignment of any individual to any work under the Grant and, as requested, will use its best efforts to cause the return to the United States of the individual from overseas or his departure from a foreign country or a particular foreign locale.

(6) Allowances for employees assigned overseas shall be reimbursed in accordance with the Federal Travel Regulations (FTR).

Travel and Transportation (Oct. 1974)

AID will issue a Government Transportation Request (GTR) which the Grantee may exchange for tickets, or AID will issue the tickets directly. Use of such U.S.-owned currencies will constitute a dollar charge to this grant.

(3) The Grantee agrees to travel by the most direct and expeditious route, and to use less than first class transportation unless such use will result in unreasonable delay or increased costs.

(a) All international air travel under this Grant shall be made on United States flag carriers. Exceptions to this rule will be allowed in the following situations provided that the Grantee certifies to the facts in the voucher or other documents retained as part of his Grant records to support his claim for reimbursement and for post audit:

1. Where a flight by a United States carrier is scheduled but does not have accommodations available when reservations are sought;

2. Where the departure time, routing, or other features of a United States carrier would interfere with or prevent the satisfactory performance of official business;

3. Where a scheduled flight by a United States carrier is delayed because of weather, mechanical, or other conditions to such an extent that use of a non-United States carrier is in the Government's interest;

4. Where the appropriate class of accommodations is available on both United States and non-United States carriers, but the use of the United States carrier will result in higher total United States dollar cost to the grant due to additional per diem or other expenses; and

5. Where the appropriate class of accommodations is available only on a non-United States carrier and the cost of transportation and related per diem on the non-U.S. carrier is less than the cost of available accommodations of another class on a United States carrier and related per diem.

(b) All international air shipments under this grant shall be made on United States flag carriers unless shipment would, in the judgment of the Grantee, be delayed an unreasonable time awaiting a United States carrier either at point of origin or transshipment, provided that the Grantee certifies to the facts in the vouchers or other documents retained as part of the Grant records to support his claim for reimbursement and for post audit.

(4) Travel allowances shall be reimbursed in accordance with the Federal Travel Regulations (FTR).

(1) If it is the Grantee's intention to identify AID's contribution to any publication resulting from this Grant, the Grantee shall consult with AID on the nature of the acknowledgement prior to publication.

(2) The Grantee shall provide the Project Manager with one copy of all published works developed under the Grant. The Grantee shall provide the Project Manager with lists of other written work produced under the Grant.

(3) In the event grant funds are used to underwrite the cost of publishing, in lieu of the publisher assuming this cost as is the normal practice, any profits or royalties up to the amount of such cost shall be credited to the Grant.

(4) The Grantee is permitted to secure copyright to any publication produced or composed under the Grant. Provided, the Grantee agrees to and does hereby grant to the Government a royalty-free, non-exclusive and irrevocable license throughout the world to use, duplicate, disclose, or dispose of such publications in any manner and for any purpose and to permit others to do so.
