STANDARD PROVISIONS
FOR SPECIAL PROJECTS ASSISTANCE

A. The American Embassy in Tel Aviv shall expend funds and carry on operations pursuant to this agreement only in accordance with the applicable laws and regulations of the United States Government.

B. The parties shall have the right at any time to observe operations carried out under this agreement. Either party, during the term of an activity under this agreement and until three years after the completion of the activity, shall further have the right: (1) to examine any property procured through financing by that party under this agreement, wherever such property is located, and (2) to inspect and audit any records and accounts with respect to funds provided by, or any properties and contract services procured through financing by that party under this agreement, wherever such records may be located and maintained. Each party, in arranging for any disposition of any property procured through financing by the other party under this agreement, shall assure that the rights of examination, inspection, and audit described in the preceding sentence are reserved to the party which did the financing.

C. Any property furnished through financing pursuant to this agreement shall, unless otherwise agreed by the United States Government, be devoted to the project until completion of the project, and thereafter shall be used so as to further the objectives sought in carrying out the project. Unless otherwise agreed by the United States Government, the Child Development Centre of the Benevolent Society for the Gaza Strip shall offer to return to the United States Government or to reimburse the United States Government for any property which it obtains through financing by the United States Government pursuant to this agreement which is not used in accordance with the preceding sentence.

D. The Small Projects Agreement shall enter into force when signed. All or part of the assistance provided herein may be terminated by either party by giving the other party 30 days written notice of intention to terminate the agreement. Termination of the agreement shall terminate any obligations of the two parties, except for payments which they are committed to make pursuant to noncancellable commitments entered into with third parties prior to termination of the Special Projects

Agreement. It is expressly understood that all implementing documents, such as purchase orders, requisitions, procurement actions, etc., must be initiated under the obligating Special Projects Agreement by the agreed upon terminal date, but not later than one months from the effective date of the agreement, otherwise the cancellation provision stated in the preceding sentence will automatically become effective without the necessity of a written advance notice of intent to cancel.
