Specific Support Grant [All]
(October, 1977 Amendment)
Standard Provision # 10

10. PROCUREMENT OF GOODS AND SERVICES UNDER \$250,000 (OCT. 1977)
(This provision is applicable when the total procurement element (i.e., the sum of all purchase orders and contracts for goods and services) of this Grant does not exceed \$250,000.)

(a) Ineligible Goods and Services

Under no circumstances shall the Grantee procure any of the following under this Grant:

- (1) military equipment,
- (2) surveillance equipment,
- (3) commodities and services for support of police or other law enforcement activities,
- (4) abortion equipment and services,
- (5) luxury goods and gambling equipment, or
- (6) weather modification equipment.

(For a more detailed discussion of the subject, see AID Handbook 1, Supplement B, paragraph 4D.)

If AID determines that the Grantee has procured any of the ineligible goods and services specified above under this Grant, and has received reimbursement for such purpose, the Grantee agrees to refund to AID the entire amount of the purchase.

(b) Restricted Goods

The Grantee shall not procure any of the following goods or services from a non-U.S. source (i.e., other than AID Geographic Code 000) without the prior written authorization of the Grant Officer:

- (1) agricultural commodities,
- (2) motor vehicles,
- (3) pharmaceuticals,
- (4) pesticides,
- (5) plasticizers,
- (6) used equipment, or
- (7) U.S. Government-owned excess property.

(For a detailed discussion of the subject, see AID Handbook 1, Supplement B, paragraph 4C.)

If AID determines that the Grantee has procured any of the restricted goods specified above under this Grant, without the prior written authorization of the Grant Officer, and has received reimbursement for such purpose, the Grantee agrees to refund to AID the entire amount of the purchase.

(c) Geographic Source and Order of Preference

Except as may be specifically approved or directed in advance by the Grant Officer under paragraph 10(b) above, all other goods (e.g., equipment, materials, and supplies) and services, the costs of which are to be reimbursable under this Grant and which will be financed with United States dollars, shall be purchased in and shipped from only "Special Free World" countries (i.e., AID Geographic Code 935) in accordance with the following order of preference:

- (1) the United States (AID Geographic Code 000),
- (2) "Selected Free World" countries (AID Geographic Code 941),
- (3) the cooperating country,
- (4) "Special Free World" countries (AID Geographic Code 935).

(d) Application of Order of Preference

When the Grantee procures goods and services from other than U.S. sources, under the order of preference in 10(c) above, it shall document its files to justify each such instance. The documentation shall set forth the circumstances surrounding the procurement and shall be based on one or more of the following reasons, which will be set forth in the Grantee's documentation:

- (1) the procurement was of an emergency nature, which would not allow for the delay attendant to soliciting U.S. sources,
- (2) the price differential for procurement from U.S. sources exceeded by 50% or more the delivered price from the non-U.S. source,
- (3) impelling local political considerations precluded consideration of U.S. sources.

(4) the goods or services were not available from U.S. sources, or

(5) procurement of locally available goods or services, as opposed to procurement of U.S. goods and services, would best promote the objectives of the Foreign Assistance Program under the Grant.

(e) The Grantee's Procurement System

(1) The Grantee may use its own procurement policies and procedures provided they conform to the geographic source and order of preference requirements of this provision and paragraphs 3 and 4, Attachment O of OMB Circular No. A-110.

(2) If the Grantee's procurement policies and procedures have been reviewed against the procurement requirements of paragraphs 3 and 4 of Attachment O to OMB Circular No. A-110 and have been approved by AID or another Federal department or agency, the Grantee shall furnish the Grant Officer a copy of such approval; otherwise the Grantee's procurement policies and procedures shall conform to the specified requirements of OMB Circular No. A-110. (See AID Handbook 13, Chapter 1, paragraph 1U.)

(f) Small Business

To permit AID, in accordance with the small business provisions of the Foreign Assistance Act of 1961, as amended, to give United States small business firms an opportunity to participate in supplying commodities and services procured under this Grant, the Grantee, shall, to the maximum extent possible, provide the following information to the Small Business Office, AID, Washington, D.C. 20523 at least 45 days prior (except where a shorter time is requested of, and granted by the Small Business Office) to placing any order or contract in excess of \$25,000:

- (1) Brief general description and quantity of goods or services;
- (2) Closing date for receiving quotations, proposals, or bids; and
- (3) Address where invitations or specifications can be obtained.

(g) Ineligible Suppliers

Funds provided under this Grant shall not be used to procure any commodity or commodity-related services furnished by any supplier whose name appears on the List of Ineligible Suppliers under AID Regulation B, "Suppliers of Commodities and Commodity-Related Services Ineligible for AID Financing" (22 CFR 208). The Grantee agrees to review said list prior to undertaking any procurement the cost of which is to be reimbursable under this Grant. AID will provide the Grantee with this list.

1. ALLOWABLE COSTS AND PAYMENT (OTHER THAN EDUCATIONAL INSTITUTIONS)

(This provision is applicable to other than educational institutions.)

The Grantee shall be reimbursed for costs incurred in carrying out the purposes of this Grant which are determined by the Grant Officer to be allowable in accordance with the terms of this Grant and Subpart 15.2 (Contracts with Commercial Organizations) of the Federal Procurement Regulations (41 CFR 1-15.2) in effect on the date of this Grant. Payment of allowable costs shall be in accordance with the payment provision of this Grant.

2. ACCOUNTING, RECORDS, AND AUDIT

The Grantee shall maintain books, records, documents, and other evidence in accordance with the Grantee's usual accounting procedures to sufficiently substantiate charges to the Grant. The Grantee shall preserve and make available such records for examination and audit by AID and the Comptroller General of the United States, or their authorized representatives (a) until the expiration of three years from the date of termination of the program and (b) for such longer period, if any, as is required to complete an audit and to resolve all questions concerning expenditures unless written approval has been obtained from the AID Grant Officer to dispose of the records. AID follows generally accepted auditing practices in determining that there is proper accounting and use of Grant funds. The Grantee agrees to include the requirement of this clause in any subordinate agreement hereunder.

3. REFUNDS

- (a) If use of the Grant funds results in accrual of interest to the Grantee or to any other person to whom Grantee makes such funds available in carrying out the purposes of this Grant, the Grantee shall refund to AID an amount equivalent to the amount of interest accrued.
- (b) Funds obligated hereunder but not disbursed to the Grantee at the time the Grant expires or is terminated, shall revert to AID, except for funds encumbered by the Grantee by a legally binding transaction applicable to this Grant. Any funds disbursed but not expended by the Grantee at the time of expiration or termination of the Grant shall be refunded to AID.
- (c) If, at any time during the life of the Grant, it is determined by AID that funds provided under the Grant have been expended for purposes not in accordance with the terms of the Grant, the Grantee shall refund such amounts to AID.

4. EQUAL OPPORTUNITY IN EMPLOYMENT

(This provision is applicable to all grantees and subgrantees who either perform work in the United States or who recruit personnel in the United States to do work abroad.)

(a) With regard to the employment of persons in the U.S. under this Grant, the Grantee agrees to take all reasonable steps to ensure equality of opportunity in its employment practices without regard to race, color or

national origin of such persons and, in accordance with Title VI of the Civil Rights Act of 1964, when work funded by this Grant is performed in the U.S., no person shall, on the grounds of race, color or national origin, be excluded from participation, be denied benefits, or be subjected to discrimination. In addition, the Grantee agrees to comply, in accordance with its written assurance of compliance, with the provisions of Part 209 of Chapter 11, Title 22 of the Code of Federal Regulations, entitled "Non-Discrimination in Federally Assisted Programs of the Agency for International Development - Effectuation of Title VI of the Civil Rights Act of 1964."

(b) In addition, the Grantee agrees to take all reasonable steps to ensure equality of opportunity in its employment practices without regard to sex, religion, age and handicap, in accordance with P.L. 92-261, P.L. 93-259, P.L. 93-112 and P.L. 93-508. When work funded by AID under this Grant is performed in either the U. S. or overseas no person shall, on the grounds of sex, religion, age or handicap, be excluded from participation, be denied benefits, or be subjected to discrimination.

5. NEGOTIATED OVERHEAD RATES - OTHER THAN EDUCATIONAL INSTITUTIONS

(This provision is applicable to other than educational institutions.)

(a) Pursuant to this provision, an overhead rate shall be established for each of the Grantee's accounting periods during the term of this Grant. Pending establishment of a final rate, the parties have agreed that provisional payments on account of allowable indirect costs shall be at the rate(s), on the base(s), and for the period shown in Attachment 1 to this Grant.

(b) The Grantee, as soon as possible but not later than 90 days after the close of each of its accounting periods during the term of this Grant, shall submit to the Grant Officer with copies to the Overhead and Special Cost Branch, Special Operations Division, Office of Contract Management, AID, Washington, D.C. and to the Office of the Auditor General, AID, Washington, D.C., proposed final rate(s) for the period, together with supporting cost data. Negotiation of final overhead rates by the Grantee and the Grant Officer shall be undertaken as promptly as practicable after receipt of the Grantee's proposal.

(c) Allowability of costs and acceptability of cost allocation methods shall be determined in accordance with Subpart 1-15.2 (Contracts with Commercial Organizations) of the Federal Procurement Regulations as in effect on the date of this Grant.

(d) The results of each negotiation shall be set forth in a written overhead rate agreement executed by both parties. Such agreement shall specify (1) the agreed final rate(s), (2) the base(s) to which the rate(s) applies, and (3) the period(s) for which the rate(s) applies. The overhead rate agreement shall not change any monetary ceiling, Grant obligation, or specific cost allowance or disallowance provided for in this Grant.

(e) Pending establishment of the final overhead rate(s) for any

141

period, the Grantee shall be reimbursed either at the negotiated provisional rate(s) as provided above or at a billing rate(s) acceptable to the Grant Officer, subject to appropriate adjustment when the final rate(s) for that period is established. To prevent substantial over or under payment, the provisional or billing rate(s) may, at the request of either party, be revised by mutual agreement, either retroactively or prospectively. Any such revision of the negotiated provisional rate(s) provided in this provision shall be set forth in a modification to this Grant.

6. LIMITATION OF FUNDS

(This provision is applicable to all incrementally or partially funded grants; it becomes inapplicable when the grant is fully funded.)

(a) It is estimated that the cost to the Government for the performance of this Grant will not exceed the estimated cost set forth in Attachment 1 (hereinafter referred to as "the Schedule") to this Grant, and the Grantee agrees to perform the work specified in the Schedule and all obligations under this Grant within such estimated cost.

(b) The amount presently available for payment and obligated under the Grant, the items covered thereby, and the period of performance which it is estimated the obligated amount will cover, are specified in the Schedule. It is contemplated that from time to time additional funds will be obligated under this Grant up to the full estimated cost set forth in the Schedule. The Grantee agrees to perform or have performed work on this Grant up to the point at which the total amount paid and payable by the Government pursuant to the terms of this Grant approximates but does not exceed the total amount actually obligated under the Grant.

(c) If at any time the Grantee has reason to believe that the costs which it expects to incur in the performance of this Grant in the next succeeding 30 days, when added to all costs previously incurred, will exceed 75 percent of the total amount then obligated under the Grant, the Grantee shall notify the Grant Officer in writing to that effect. Notice shall state the estimated amount of additional funds required to continue performance for the period set forth in the Schedule. Thirty days prior to the end of the period specified in the Schedule, the Grantee will advise the Grant Officer in writing as to the estimated amount of additional funds, if any, that will be required for the timely performance of the work under the Grant or for such further period as may be specified in the Schedule or otherwise agreed to by the parties. If, after such notification, additional funds are not obligated by the end of the period set forth in the Schedule or an agreed date substituted therefor, the Grant Officer will, upon written request by the Grantee, terminate this Grant pursuant to the "Termination" provision of this Grant on such a date. If the Grantee, in the exercise of its reasonable judgment, estimates that the funds available will allow it to continue to discharge its obligations hereunder for a period extending beyond such date, it shall specify the later date in its request and the Grant Officer, in his discretion, may terminate this Grant on that later date.

(d) Except as required by other provisions of this Grant specifically citing and stated to be an exception from this provision, the Government shall not be obligated to reimburse the Grantee for costs incurred in excess of the total amount obligated under the Grant, and the Grantee shall not be obligated to continue performance under the Grant (including actions under the "Termination" provision) or otherwise to incur costs in excess of the amount obligated under the Grant, unless and until the Grant Officer has notified the Grantee in writing that such obligated amount has been increased and has specified in such notice an increased amount constituting the total amount then obligated under the Grant. To the extent the amount obligated exceeds the estimated cost set forth in the Schedule, such estimated cost shall be correspondingly increased. No notice, communication or representation in any other form or from any person other than the Grant Officer shall affect the amount obligated under this Grant. In the absence of the specified notice, the Government shall not be obligated to reimburse the Grantee for any costs in excess of the

total amount then obligated under the Grant, whether those excess costs were incurred during the course of the Grant or as a result of termination. When and to the extent that the amount obligated under the Grant has been increased, any costs incurred by the Grantee in excess of the amount previously obligated shall be allowable to the same extent as if such costs had been incurred after such increase in the amount obligated; unless the Grant Officer issues a termination or other notice and directs that the increase is solely for the purpose of covering termination or other specified expenses.

(e) Nothing in this provision shall affect the right of the Government to terminate this Grant. In the event this Grant is terminated, the Government and the Grantee shall negotiate an equitable distribution of all property produced or purchased under the Grant based upon the share of cost incurred by each.

7A. PAYMENT - FEDERAL RESERVE LETTER OF CREDIT (FRLC) ADVANCE

(This provision is applicable when the Grantee's total AID grants and cost-reimbursement contracts exceed \$250,000 per annum and AID has, or expects to have a continuing relationship with the Grantee for at least one year.)

(a) AID shall open a Federal Reserve Letter of Credit (hereinafter referred to as an "FRLC") in the amount of this Grant, against which the Grantee may present payment vouchers (i.e., TUS 5401). The payment vouchers shall not ordinarily be submitted more frequently than daily and shall not be less than \$10,000 or more than \$1,000,000. Since the FRLC method enables the recipient organization to obtain funds from the U.S. Treasury concurrently with and as frequently as disbursements are made by the recipient, there need be no time lag between disbursements by the recipient organization and drawdowns from the U.S. Treasury by FRLC. Therefore, there is no necessity for the recipient to maintain balances of Federal cash other than small balances.

(b) In no event shall the accumulated total of all such payment vouchers exceed the amount of the FRLC.
(c) If at any time, SER/FM determines that the Grantee has presented payment vouchers in excess of the amount or amounts allowable in (a) and (b) above, SER/FM shall advise the Grant Officer who may: (1) cause the FRLC to be suspended or revoked; or (2) direct the Grantee to withhold submission of payment vouchers until such time as, in the judgment of SER/FM, an appropriate level of actual, necessary and allowable expenditures has occurred or will occur under this Grant, and/or (3) request the Grantee to repay to AID the amount of such excess. Upon receipt of the Grant Officer's request for repayment of excess advance payments, the Grantee shall promptly contact SER/FM to make suitable arrangements for the repayment of such excess funds. Advances made by primary recipient organizations (those which receive payments directly from the Government) to secondary recipients shall conform to the same standards outlined above applicable to advances made by the Government to primary recipient organizations.

(d) Procedure for Grantee

(1) After arranging with a commercial bank of its choice for operation under the FRLC and obtaining the name and address of the Federal Reserve Bank or branch serving the commercial bank, the Grantee shall deliver to the AID Controller 3 originals of Standard Form 1194, "Authorized Signature Card for Payment Vouchers on Letters of Credit" signed by those official(s) authorized to sign payment vouchers against the FRLC and by an official of the Grantee who has authorized them to sign.

(2) The Grantee shall subsequently receive one certified copy of the FRLC.

(3) The Grantee shall confirm with his commercial bank that the FRLC has been opened and is available when funds are needed.

(4) To receive payment, the Grantee shall:

(A) Periodically, although normally not during the last five days of the month, prepare payment vouchers (Form TUS 5401) in an original and three copies.

(B) Have the original and two copies of the voucher

15

signed by the authorized official(s) whose signature(s) appear on the Standard Form 1194.

- (C) Present the original, duplicate and triplicate copy of the Form TUS 5401 to his commercial bank.
 - (D) Retain the quadruplicate copy of the voucher.
 - (5) After the first payment voucher (Form TUS 5401) has been processed, succeeding payment vouchers shall not be presented until the existing balance of previous payments has been expended or is insufficient to meet current needs.
 - (6) In preparing the payment voucher, the Grantee assigns a voucher number in numerical sequence beginning with 1 and continuing in sequence on all subsequent payment vouchers submitted under the FRLC.
 - (7) A report of expenditures (i.e., SF 269, "Financial Status Report") shall be prepared and submitted not less than quarterly within 30 days of the end of the period to the Office of Financial Management, AIO, Washington, D. C. 20523. This SF 269 Report, submitted with Standard Form 1034, "Public Voucher for Purchases and Services Other Than Personal", shall be in an original and 2 copies.
 - (8) The SF 269 report is reviewed against the Grant provisions, and any improper disbursement is disallowed. The Grantee is notified of the reason for the disallowance and is directed to adjust the next periodic report of expenditures to reflect the disallowance and to reduce its next payment voucher against the FRLC by the amount of the disallowance.
 - (9) In addition to the submission of the SF 269 and the SF 1034, the Grantee shall submit an original and 2 copies of SF 272, "Federal Cash Transaction Report" as follows:
 - (A) For advances totaling less than \$1 million per year, the Grantee shall submit the SF 272 within 15 working days after the end of the reporting quarter.
 - (B) For advances totaling more than \$1 million per year, the Grantee shall submit the SF 272 within 15 working days after the end of each month, and
 - (C) The Grantee's cash needs for the ensuing period (i.e., quarter or month) shall be explained under the "Remarks" section of the SF 272.
 - (e) Refund of Excess Funds
 - (1) If all costs have been settled under the Grant and the Grantee fails to comply with the Grant Officer's request for repayment of excess FRLC funds, the Government shall have the right, on other contracts or grants held with the Grantee, to withhold reimbursements due to the Grantee in the amount of the excess being held by the Grantee.
 - (2) If the Grantee is still holding excess FRLC funds on a grant, contract, or similar instrument under which work has been completed or terminated but all costs have not been settled, the Grantee agrees to:
 - (A) Provide within 30 days after requested to do so by the Grant Officer, a breakdown of the dollar amounts which have not been settled between the Government and the Grantee. (The Grant Officer will assume no costs are in dispute if the Grantee fails to reply within 30 days.)
 - (B) Upon written request of the Grant Officer, return to the Government the sum of dollars, if any, which represents the difference between (i) the Grantee's maximum position on claimed costs which have not been reimbursed and (ii) the total amount of unexpended funds which have been advanced under the Grant; and
 - (C) If the Grantee fails to comply with the Grant Officer's request for repayment of excess FRLC funds, the Government shall have the right, on other contracts, grants or similar instruments held with the Grantee, to withhold payment of FRLC or other advances and/or withhold reimbursements due the Grantee in the amount of the excess being held by the Grantee.
- 7B. PAYMENT--PERIODIC ADVANCE**
(This provision is applicable when the Grantee's total AID grants and cost-reimbursement contracts do not exceed \$250,000 per annum or if the advance to the Grantee aggregates more than \$250,000 per annum but there is not a continuing relationship of at least one year.)
 - (a) Each month (or quarter, if the Grantee is on a quarterly basis) after the initial advance, the Grantee shall submit to the AID Controller an original and 2 copies of SF 272, "Federal Cash Transactions Report" as

follows:

- (1) The Grantee shall submit the SF 272 within 15 working days after the end of the reporting period, and
- (2) The Grantee's cash needs for the ensuing period (i.e., quarter or month) shall be explained under the "Remarks" section of the SF 272.
- (b) Along with each SF 272 submission, the Grantee shall submit an original and 3 copies of SF 1034, "Public Voucher for Purchases and Services Other Than Personal"; each voucher shall be identified by the Grant number and shall state the total actual expenditures for the reporting period.
- (c) Each quarterly voucher (i.e., SF 1034) or third monthly voucher, if the Grantee is on a monthly basis, shall also be supported by an original and 2 copies of a SF 269, "Financial Status Report". The SF 269 shall be submitted within 30 days after the end of the reporting quarter and may be submitted separately from the SF 1034 and the SF 272; however, the SF 269 shall cover the same quarterly period as the SF 1034(s) and the SF 272(s).
- (d) Refund of Excess Funds
 - (1) If all costs have been settled under the Grant and the Grantee fails to comply with the Grant Officer's request for repayment of excess advance funds, the Government shall have the right, on other contracts or grants held with the Grantee, to withhold reimbursements due to the Grantee in the amount of the excess being held by the Grantee.
 - (2) If the Grantee is still holding excess advance funds on a grant, contract, or similar instrument under which the work has been completed or terminated but all costs have not been settled, the Grantee agrees to:
 - (A) Provide within 30 days after requested to do so by the Grant Officer, a breakdown of the dollar amounts which have not been settled between the Government and the Grantee. (The Grant Officer will assume no costs are in dispute if the Grantee fails to reply within 30 days.)
 - (B) Upon written request of the Grant Officer, return to the Government the sum of dollars, if any, which represents the difference between (i) the Grantee's maximum position on claimed costs which have not been reimbursed and (ii) the total amount of unexpended funds which have been advanced under the Grant; and
 - (C) If the Grantee fails to comply with the Grant Officer's request for repayment of excess advance funds, the Government shall have the right, on other contracts, grants or similar instruments held with the Grantee, to withhold payment of other advances and/or withhold reimbursements due the Grantee in the amount of the excess being held by the Grantee.

7C. PAYMENT--REIMBURSEMENT

(This provision is applicable to grants for construction, or to grants which do not provide for either a periodic advance or an FRLC in accordance with AID Handbook 13, paragraph 10.5.)

- (a) Each month the Grantee shall submit to the AID Controller an original and 3 copies of SF 1034, "Public Voucher for Purchases and Services Other Than Personal"; each voucher shall be identified by the Grant number and shall state the total amount of costs incurred for which reimbursement is being requested.
- (b) In addition to the SF 1034, each non-construction grant voucher shall be supported by an original and 2 copies of SF 270, "Request for Advance or Reimbursement", and each construction grant voucher shall be supported by an original and 2 copies of SF 271, "Outlay Report and Request for Reimbursement for Construction Programs".
- (c) Each quarterly voucher (or each third monthly voucher) shall also be supported by an original and 2 copies of a SF 269, "Financial Status Report". The SF 269 shall be submitted within 30 days after the end of the reporting quarter and may be submitted separately from the SF 1034; however, the SF 269 shall cover the same quarterly period as the SF 1034(s).

8. TRAVEL AND TRANSPORTATION

(This provision is applicable when domestic or international air travel or shipment costs are reimbursable under the Grant.)

- (a) The Grant Officer hereby approves international air travel hereunder provided that the Grantee shall obtain

written concurrence from the cognizant Project Officer in AID prior to sending any individual outside the United States to perform work under the Grant; the Grantee shall advise the Project Officer at least 30 days in advance of any travel to be undertaken outside the United States. After concurrence is received the Grantee shall provide the cognizant Mission or U. S. Embassy advance notification (with a copy to the Project Officer) of the arrival date and flight identification of Grant financed travellers.

(b) Travel to certain countries shall, at AID's option, be funded from U.S.-owned local currency. When AID intends to exercise this option, it will so notify the Grantee after receipt of advice of intent to travel required above. AID will issue a Government Transportation Request (GTR) which the Grantee may exchange for tickets, or AID will issue the tickets directly. Use of such U.S.-owned currencies will constitute a dollar charge to this Grant.

(c) All international air travel and all international air shipments under this Grant shall be made on United States flag carriers. Exceptions to this rule will be allowed in the following situations, provided that the Grantee certifies to the facts in the voucher and other documents retained as part of his Grant records to support his claim for reimbursement and for post audit:

(1) Where the traveler, while enroute, has to wait 6 hours or more to transfer to a U.S. flag air carrier to proceed to the intended destination, or

(2) Where a flight by a U.S. flag air carrier is interrupted by a stop anticipated to be 6 hours or more for refueling, reloading, repairs, etc. and no other flight by a U.S. flag air carrier is available during the 6 hour period, or

(3) Where by itself or in combination with other U.S. flag air carriers (if U.S. flag air carriers are "unavailable") it takes 12 hours or longer from the original airport to the destination airport to accomplish the Grantee's program than would service by a non-U.S. flag air carrier or carriers, or

(4) When the elapsed traveltime on a scheduled flight from origin to destination airports by non-U.S. flag air carrier(s) is 3 hours or less, and services by U.S. flag air carrier(s) would involve twice such traveltime.

NOTE: Where U.S. Government funds are used to reimburse Grantee's use of other than U.S. flag air carriers for international transportation, the Grantee will include a certification on vouchers involving such transportation which is essentially as follows:

CERTIFICATION OF UNAVAILABILITY OF U.S. FLAG AIR CARRIERS
I hereby certify that the transportation service for personnel (and their personal effects) or property by U.S. flag air carrier was unavailable for the following reason(s): (State appropriate reason(s) as set forth above; see 41 CFR 1-1.323-3 for further guidance).

(d) Travel allowances shall be reimbursed in accordance with the Federal Travel Regulations (FTR); however, if the Grantee's domestic and international travel allowance policies and procedures have been reviewed and approved by AID or another Federal department or agency pursuant to the applicable Federal cost principles, the Grantee may use its travel allowance system in lieu of the FTRs after it has furnished the Grant Officer with a copy of such approval.

9. OCEAN SHIPMENT OF GOODS

(This provision is applicable when ocean shipment costs are reimbursable under the Grant.)

(a) 50% of all international ocean shipments made by the Grantee, to be financed hereunder, shall be made on U.S. flag vessels. Where U.S. flag vessels are not available, or their use would result in a significant delay, the Grantee may request a release from this requirement from the Transportation Support Division, Office of Commodity Management, AID, Washington, D.C. 20523, giving the basis for the request.

(b) When the AID Transportation Support Division makes and issues a determination to the Grantee that U.S. flag vessels are not available, the ocean shipment costs on foreign flag vessels, as named in the determination, will be eligible for reimbursement under the Grant. In all instances Grantee vouchers submitted for reimbursement under the Grant which include ocean shipment costs will include a certification essentially as follows: "I

here by certify that a copy of each ocean bill of lading concerned has been submitted to the Maritime Administration, Cargo Preference Control Center, Commerce Building, Washington, D.C. 20235, and that such bill(s) of lading state all of the carrier's charges including the basis for calculation such as weight or cubic measurement, and indicate the applicable AID Grant Number."

(c) Shipments by voluntary non-profit relief agencies (i.e., PVO's) shall be governed by paragraphs (a) and (b) above and by AID Regulation 2, "Overseas Shipments of Supplies by Voluntary Non-Profit Relief Agencies" (22 CFR 202).

10. PROCUREMENT OF GOODS AND SERVICES UNDER \$250,000
(This provision is applicable when the total procurement element (i.e., the sum of all purchase orders and contracts for goods and services) of this Grant does not exceed \$250,000.)

(a) Geographic Source and Order of Preference

Except as may be specifically approved or directed in advance by the Grant Officer, all goods (e.g., equipment, vehicles, materials, and supplies) and services, the costs of which are to be reimbursable under this Grant and which will be financed with United States dollars, shall be purchased in and shipped from only "Special Free World" countries (i.e., AID Geographic Code 935) in accordance with the following order of preference:

(1) the United States (AID Geographic Code 000),
(2) "Selected Free World" countries (AID Geographic Code 941),

(3) the cooperating country,
(4) "Special Free World" countries (AID Geographic Code 935).

(b) Application of Order of Preference

When the Grantee procures goods and services from other than U.S. sources, under the order of preference in (a) above, it shall document its files to justify each such instance. The documentation shall set forth the circumstances surrounding the procurement and shall be based on one or more of the following reasons, which will be set forth in the Grantee's documentation:

(1) the procurement was of an emergency nature, which would not allow for the delay attendant to soliciting U.S. sources,

(2) the price differential for procurement from U.S. sources exceeded by 50% or more the delivered price from the non-U.S. source,

(3) impelling local political considerations precluded consideration of U.S. sources,

(4) the goods or services were not available from U.S. sources, or

(5) procurement of locally available goods or services, as opposed to procurement of U.S. goods and services, would best promote the objectives of the Foreign Assistance Program under the Grant.

(c) Ineligible Goods and Services

Under no circumstances shall the Grantee procure any of the following under this Grant:

(1) military equipment,
(2) surveillance equipment,
(3) commodities and services for support of police or other law enforcement activities,
(4) abortion equipment and services,
(5) luxury goods and gambling equipment, or
(6) weather modification equipment.

(For a more detailed discussion of the subject, see AID Handbook 1, Supplement B, paragraph 4D.)

If AID determines that the Grantee has procured any of the ineligible goods and services specified above under this Grant, and has received reimbursement for such purpose, the Grantee agrees to refund to AID the entire amount of the purchase.

(d) Restricted Goods

The Grantee shall not procure any of the following goods or services from a non-U.S. source (i.e., other than AID Geographic Code 000) without the prior written authorization of the Grant Officer:

(1) agricultural commodities,
(2) motor vehicles,
(3) pharmaceuticals,
(4) pesticides,
(5) plasticizers,
(6) used equipment, or

(7) U.S. Government-owned excess property.
(For a detailed discussion of the subject, see AID Handbook 1, Supplement B, paragraph 4C.)

If AID determines that the Grantee has procured any of the restricted goods specified above under this Grant, without the prior written authorization of the Grant Officer, and has received reimbursement for such purpose, the Grantee agrees to refund to AID the entire amount of the purchase.

(e) The Grantee's Procurement System

(1) The Grantee may use its own procurement policies and procedures provided they conform to the geographic source and order of preference requirements of this provision and paragraphs 3. and 4., Attachment O of OMB Circular No. A-110.

(2) If the Grantee's procurement policies and procedures have been reviewed against the procurement requirements of paragraphs 3. and 4. of Attachment O to OMB Circular No. A-110 and have been approved by AID or another Federal department or agency, the Grantee shall furnish the Grant Officer with a copy of such approval; otherwise the Grantee's procurement policies and procedures shall conform to the specified requirements of OMB Circular No. A-110. (See AID Handbook 13, Chapter 1, paragraph 1U.)

(f) Small Business

To permit AID, in accordance with the small business provisions of the Foreign Assistance Act of 1961, as amended, to give United States small business firms an opportunity to participate in supplying commodities and services procured under this Grant, the Grantee, shall, to the maximum extent possible, provide the following information to the Small Business Office, AID, Washington, D.C. 20523 at least 45 days prior (except where a shorter time is requested of, and granted by the Small Business Office) to placing any order or contract in excess of \$25,000:

- (1) Brief general description and quantity of goods or services;
- (2) Closing date for receiving quotations, proposals, or bids; and
- (3) Address where invitations or specifications can be obtained.

(g) Ineligible Suppliers

Funds provided under this Grant shall not be used to procure any commodity or commodity-related services furnished by any supplier whose name appears on the List of Ineligible Suppliers under AID Regulation B, "Suppliers of Commodities and Commodity-Related Services Ineligible for AID Financing" (22 CFR 208). The Grantee agrees to review said list prior to undertaking any procurement the cost of which is to be reimbursable under this Grant. AID will provide the Grantee with this list.

11. GOVERNMENT FURNISHED EXCESS PERSONAL PROPERTY

(This provision applies when personal property is furnished under the Grant.)
The policies and procedures of AID Handbook 16, "Excess Property", and the appropriate provisions of 41 CFR 101-43 apply to the government furnished excess personal property under this Grant.

12A. TITLE TO AND USE OF PROPERTY (GRANTEE TITLE)

(This provision is applicable when the Government vests title in the Grantee only.)

Title to all property financed under this Grant shall vest in the Grantee, subject to the following conditions:

- (a) The Grantee shall not charge for any depreciation, amortization, or use of any property, title to which remains in the Grantee under this provision under this Grant or any other U.S. Government grant, subgrant, contract or subcontract.
- (b) The Grantee agrees to use and maintain the property for the purpose of the Grant in accordance with the requirements of paragraph 1T of Chapter 1, AID Handbook 13.
- (c) With respect to nonexpendable property having an acquisition cost of \$1,000 or more, title to which vests in the Grantee, the Grantee agrees:
 - (1) To report such items to the Grant Officer from time to time as they are acquired and to maintain a control system which will permit their ready identification and location.

- (2) To transfer title to any such items to the Government in accordance with any written request therefor issued by the Grant Officer at any time prior to final payment under this Grant.

12B. TITLE TO AND CARE OF PROPERTY (U.S. GOVERNMENT)

(This provision is applicable when title to property is vested in the U.S. Government.)

(a) Property, title to which vests in the Government under this Grant, whether furnished by the Government or acquired by the Grantee, is subject to this provision and is hereinafter collectively referred to as "Government property." Title to Government property shall not be affected by the incorporation or attachment thereof to any property not owned by the Government, nor shall such Government property, or any part thereof, be or become a fixture or lose its identity as personality by reason of affixation to any realty.

(b) Use of Government Property

Government property shall, unless otherwise provided herein or approved by the Grant Officer, be used only for the performance of this Grant.

(c) Control, Maintenance and Repair of Government Property

The Grantee shall maintain and administer in accordance with sound business practice a program for the maintenance, repair, protection, and preservation of Government property so as to assure its full availability and usefulness for the performance of this Grant. The Grantee shall take all reasonable steps to comply with all appropriate directions or instructions which the Grant Officer may prescribe as reasonably necessary for the protection of the Government property.

The Grantee shall submit, for review and written approval of the Grant Officer, a records system for property control and a program for orderly maintenance of Government property; however, if the Grantee's property control and maintenance system has been reviewed and approved by another Federal department or agency pursuant to Attachment N of OMB Circular No. A-110 (see paragraph 1T of Chapter 1, AID Handbook 13), the Grantee shall furnish the Grant Officer proof of such approval in lieu of another approval submission.

(1) Property Control

The property control system shall include but not be limited to the following:

(A) Identification of each item of Government property acquired or furnished under the Grant by a serially controlled identification number and by description of item. Each item must be clearly marked "Property of U.S. Government."

(B) The price of each item of property acquired or furnished under the Grant.

(C) The location of each item of property acquired or furnished under the Grant.

(D) A record of any usable components which are permanently removed from items of Government property as a result of modification or otherwise.

(E) A record of disposition of each item acquired or furnished under the Grant.

(F) Date of order and receipt of any item acquired or furnished under the Grant.

The official property control records shall be kept in such condition that at any stage of completion of the work under this Grant, the status of property acquired or furnished under this Grant may be readily ascertained. A report of current status of all items of property acquired or furnished under the Grant shall be submitted yearly concurrently with the annual report.

(2) Maintenance Program

The Grantee's maintenance program shall be such as to provide for, consistent with sound business practice and the terms of the Grant: (i) disclosure of need for and the performance of preventive maintenance, (ii) disclosure and reporting of need for capital type rehabilitation, and (iii) recording of work accomplished under the program.

(A) Preventive maintenance - Preventive maintenance is maintenance generally performed on a regularly scheduled basis to prevent the occurrence of defects and to detect and correct minor defects before they result in serious consequences.

(B) Records of maintenance - The Grantee's maintenance

18x

program shall provide for records sufficient to disclose the maintenance actions performed and deficiencies discovered as a result of inspections.

A report of status of maintenance of Government property shall be submitted annually concurrently with the annual report.

(d) Risk of Loss

(1) The Grantee shall not be liable for any loss of or damage to the Government property, or for expenses incidental to such loss or damage except that the Grantee shall be responsible for any such loss or damage (including expenses incidental thereto):

- (i) Which results from willful misconduct or lack of good faith on the part of any of the Grantee's directors or officers, or on the part of any of its managers, superintendents, or other equivalent representatives, who have supervision or direction of all or substantially all of the Grantee's business, or all or substantially all of the Grantee's operations at any one plant, laboratory, or separate location in which this Grant is being performed;
- (ii) Which results from a failure on the part of the Grantee, due to the willful misconduct or lack of good faith on the part of any of its directors, officers, or other representatives mentioned in (i) above, (A) to maintain and administer, in accordance with sound business practice, the program for maintenance, repair, protection, and preservation of Government property as required by (i) above, or (B) to take all reasonable steps to comply with any appropriate written directions of the Grant Officer under (c) above;
- (iii) For which the Grantee is otherwise responsible under the express terms of the article or articles designated in Attachment 1 to this Grant.
- (iv) Which results from a risk expressly required to be insured under some other provision of this Grant, but only to the extent of the insurance so required to be procured and maintained, or to the extent of insurance actually procured and maintained, whichever is greater; or
- (v) Which results from a risk which is in fact covered by insurance or for which the Grantee is otherwise reimbursed, but only to the extent of such insurance or reimbursement;

Provided, that, if more than one of the above exceptions shall be applicable in any case, the Grantee's liability under any one exception shall not be limited by any other exception.

(2) The Grantee shall not be reimbursed for, and shall not include as an item of overhead, the cost of insurance, or any provision for a reserve, covering the risk of loss of or damage to the Government property, except to the extent that the Government may have required the Grantee to carry such insurance under any other provision of this Grant.

(3) Upon the happening of loss or destruction of or damage to the Government property, the Grantee shall notify the Grant Officer thereof, shall take all reasonable steps to protect the Government property from further damage, separate the damaged and undamaged Government property, put all the Government property in the best possible order, and furnish to the Grant Officer a statement of:

- (i) The lost, destroyed, and damaged Government property;
- (ii) The time and origin of the loss, destruction, or damage;
- (iii) All known interests in commingled property of which the Government property is a part; and
- (iv) The insurance, if any, covering any part of or interest in such commingled property.

The Grantee shall make repairs and renovations of the damaged Government property or take such other action as the Grant Officer directs.

(4) In the event the Grantee is indemnified, reimbursed, or otherwise compensated for any loss or destruction of or damage to the Government property, it shall use the proceeds to repair, renovate or replace the Government property involved, or shall credit such proceeds against the cost of the work covered by the Grant, or shall otherwise reimburse the Government, as directed by the Grant Officer. The Grantee shall do nothing to prejudice the Government's right to recover against third parties for any such loss, destruction, or damage, and upon the request of the Grant Officer, shall, at the Government's expense, furnish to the Government all reasonable

assistance and cooperation (including assistance in the prosecution of suit and the execution of instruments of assignments in favor of the Government) obtaining recovery.

(e) Access

The Government, and any persons designated by it, shall at all reasonable times have access to the premises wherein any Government property is located, for the purpose of inspecting the Government property.

(f) Final Accounting and Disposition of Government Property

Upon completion of this Grant, or at such earlier dates as may be fixed by the Grant Officer, the Grantee shall submit, in a form acceptable to the Grant Officer, inventory schedules covering all items of Government property not consumed in the performance of this Grant or not theretofore delivered to the Government, and shall prepare deliver, or make such other disposal of the Government property as may be directed or authorized by the Grant Officer.

(g) Communications

All communications issued pursuant to this provision shall be in writing.

12C. TITLE TO AND CARE OF PROPERTY (COOPERATING COUNTRY TITLE)

(This provision is applicable to property titled in the name of the cooperating country or such public or private agency as the Cooperating Government may designate.)

- (a) Except as modified by Attachment 1 of this Grant, title to all equipment, materials and supplies, the cost of which is reimbursable to the Grantee by AID or by the Cooperating Government, shall at all times be in the name of the Cooperating Government or such public or private agency as the Cooperating Government may designate, unless title to specified types or classes of equipment is reserved to AID under provisions set forth in Attachment 1 of this Grant; but all such property shall be under the custody and control of the Grantee until the owner of title directs otherwise or completion of work under this Grant or its termination, at which time custody and control shall be turned over to the owner of title or disposed of in accordance with its instructions. All performance guarantees and warranties obtained from suppliers shall be taken in the name of the title owner.
- (b) The Grantee shall prepare and establish a program, to be approved by the Mission, for the receipt, use, maintenance, protection, custody and care of equipment, materials and supplies for which it has custodial responsibility, including the establishment of reasonable controls to enforce such program. The Grantee shall be guided by the requirements of paragraph 11 of Chapter 1, AID Handbook 13.

(c) Within 90 days after completion of this Grant, or at such other date as may be fixed by the Grant Officer, the Grantee shall submit an inventory schedule covering all items of equipment, materials and supplies under his custody, title to which is in the Cooperating Government or public or private agency designated by the Cooperating Government, which have not been consumed in the performance of this Grant. The Grantee shall also indicate what disposition has been made of such property.

13. CONVERSION OF UNITED STATES DOLLARS TO LOCAL CURRENCY

Upon arrival in the Cooperating Country, and from time to time as appropriate, the Grantee's Chief of Party shall consult with the Mission Director who shall provide, in writing, the procedure the Grantee and its employees shall follow in the conversion of United States dollars to local currency. This may include, but is not limited to, the conversion of said currency through the cognizant United States Disbursing Officer or Mission Controller, as appropriate.

14. TERMINATION

- (a) For Cause. This Grant may be terminated for cause at any time, in whole or in part, by the Grant Officer upon written notice to the Grantee, whenever for any reason he/she shall determine that such termination is in the best interest of the Government.
- (b) For Convenience. This Grant may be terminated for convenience at any time by either party, in whole or in part, if both parties agree that the continuation of the Grant would not produce beneficial results commensurate

with the further expenditure of funds. Both parties shall agree upon termination conditions, including the effective date and, in the case of partial terminations, the portion to be terminated. The agreement to terminate shall be set forth in a letter from the Grant Officer to the Grantee.

(c) Termination Procedures. Upon receipt of and in accordance with a termination notice as specified in either paragraph (a) or (b) above, the Grantee shall forthwith take immediate action to minimize all expenditures and obligations financed by this Grant, and shall cancel such unliquidated obligations whenever possible. Except as provided below, no further reimbursement shall be made after the effective date of termination, and the Grantee shall within 30 calendar days after the effective date of such termination repay to the Government all unexpended portions of funds theretofore paid by the Government to the Grantee which are not otherwise obligated by a legally binding transaction applicable to this Grant. Should the funds paid by the Government to the Grantee prior to the effective date of the termination of this Grant, be insufficient to cover the Grantee's obligations pursuant to the aforementioned legally binding transaction, the Grantee may submit to the Government within 90 calendar days after the effective date of such termination a written claim covering such obligations, and subject to the limitations contained in this Grant, the Grant Officer shall determine the amount or amounts to be paid by the Government to the Grantee under such claim. In accordance with the applicable Federal cost principles.

15. VOLUNTARY PARTICIPATION

(This provision is applicable to all grants involving any aspect of family or population assistance activities, and all Title X grants in particular.)

(a) The Grantee agrees to take any steps necessary to ensure that funds made available under this grant will not be used to coerce any individual to practice methods of family planning inconsistent with such individual's moral, philosophical, or religious beliefs. Further, the Grantee agrees to conduct its activities in a manner which safeguards the rights, health and welfare of all individuals who take part in the program.

(b) The Grantee shall insert paragraphs (a) and (b) of this provision in all subgrants, subcontracts, purchase orders, and any other subordinate agreements hereunder.

16. PROHIBITION ON ABORTION-RELATED ACTIVITIES

(This provision is applicable to all grants involving any aspect of family or population assistance activities, and all Title X grants in particular.)

(a) No funds made available under this Grant will be used to finance, support, or be attributed to the following activities: (1) procurement or distribution of equipment intended to be used for the purpose of inducing abortions as a method of family planning; (2) special fees or incentives to women to coerce or motivate them to have abortions; (3) payments to persons to perform abortions or to solicit persons to undergo abortions; (4) information, education, training, or communication programs that seek to promote abortion as a method of family planning.

(b) The Grantee shall insert paragraphs (a) and (b) of this provision in all subgrants, subcontracts, purchase orders, and any other subordinate agreements hereunder.

17. VOLUNTARY PARTICIPATION REQUIREMENTS FOR STERILIZATION PROGRAMS

(This provision is applicable when any surgical sterilization will be supported in whole or in part from funds under this Grant.)

(a) None of the funds made available under this grant shall be used to pay for the performance of involuntary sterilization as a method of family planning or to coerce or provide any financial incentive to any person to practice sterilization.

(b) The Grantee shall insure that any surgical sterilization procedures supported in whole or in part by funds from this Grant are performed only after the individual has

voluntarily presented himself or herself at the treatment facility and has given his or her informed consent to the sterilization procedure. Informed consent means the voluntary, knowing assent from the individual after he or she has been advised of the surgical procedures to be followed, the attendant discomforts and risks, the benefits to be expected, the availability of alternative methods of family planning, the purpose of the operation and its irreversibility, and his or her option to withdraw consent anytime prior to the operation. An individual's consent is considered voluntary if it is based upon the exercise of free choice and is not obtained by any special inducement or any element of force, fraud, deceit, duress or other forms of coercion or misrepresentation.

(c) Further, the Grantee shall document the patient's informed consent by (1) a written consent document in a language the patient understands and speaks, which explains the basic elements of informed consent, as set out above, and which is signed by the individual and by the attending physician or by the authorized assistant of the attending physician; or (2) when a patient is unable to read adequately, a written certification by the attending physician or by the authorized assistant of the attending physician that the basic elements of informed consent above were orally presented to the patient, and that the patient thereafter consented to the performance of the operation. The receipt of the oral explanation shall be acknowledged by the patient's mark on the certification and by the signature or mark of a witness who shall be of the same sex and speak the same language as the patient.

(d) Copies of informed consent forms and certification documents for each voluntary sterilization (VS) procedure must be retained by the Grantee for a period of three years after performance of the sterilization procedure.

(e) The Grantee shall insert paragraphs (a), (b), (c), (d) and (e) of this provision in all subgrants, subcontracts, purchase orders, and any other subordinate agreements hereunder involving the performance of any sterilization which will be supported in whole or in part from funds under this Grant.

18. PUBLICATIONS

(This provision is applicable to any grant which produces any book, publication, or other copyrightable materials.)

(a) If it is the Grantee's intention to identify AID's contribution to any publication resulting from this Grant, the Grantee shall consult with AID on the nature of the acknowledgement prior to publication.

(b) The Grantee shall provide the Project Manager with one copy of all published works developed under the Grant. The Grantee shall provide the Project Manager with lists of other written work produced under the Grant.

(c) In the event Grant funds are used to underwrite the cost of publishing, in lieu of the publisher assuming this cost as is the normal practice, any profits or royalties up to the amount of such cost shall be credited to the Grant.

(d) The Grantee is permitted to secure copyright to any publication produced or composed under the Grant in accordance with paragraph 17B.b. of Chapter 1, AID Handbook 13. Provided, the Grantee agrees to and does hereby grant to the Government a royalty-free, non-exclusive and irrevocable license throughout the world to use, duplicate, disclose, or dispose of such publications in any manner and for any purpose to permit others to do so.

19. PATENTS

(This provision is applicable to any Grant which produces patentable items, patent rights, processes, or inventions.)

(a) Grantee agrees to notify the Grant Officer, in writing, of any invention or discovery conceived or first actually reduced to practice in the course of or under this Grant. The Grant Officer will determine the patent rights to be afforded the Grantee in accordance with the Presidential Memorandum and Statement of Government Patent Policy (36 FR 16889) and paragraph 17B.a. of Chapter 1, AID Handbook 13.

(b) Nothing contained in this provision shall imply a license to the Government under any patent or be construed as affecting the scope of any license or other right other-

20+

wise granted to the Government under any patent.

20. REGULATIONS GOVERNING EMPLOYEES OUTSIDE THE UNITED STATES

(This provision is applicable only to the Grantee's U.S. and third country national employees; it is not applicable to the Grantee's cooperating country national employees.)

- (a) The Grantee's employees, when employed in work overseas, shall maintain private status and may not rely on local U.S. Government offices or facilities for support while so engaged.
- (b) The sale of personal property or automobiles by Grantee employees and their dependents in the foreign country to which they are assigned shall be subject to the same limitations and prohibitions which apply to direct-hire AID personnel employed by the Mission, except as this may conflict with host government regulations.
- (c) Other than work to be performed under this Grant for which an employee or consultant is assigned by the Grantee, no regular or short term employee or consultant of the Grantee shall engage directly or indirectly, either in his own name or in the name or through an agency of another person, in any business, profession, or occupation in the foreign countries to which he is assigned, nor shall he make loans or investments to or in any business, profession or occupation in the foreign countries to which he is assigned.
- (d) The Grantee's employees, while in a foreign country, are expected to show respect for its conventions, customs, and institutions, to abide by its applicable laws and regulations, and not to interfere in its internal political affairs.
- (e) In the event the conduct of any Grantee employee is not in accordance with the preceding paragraphs, the Grantee's chief of party shall consult with the Mission Director and the employee involved and shall recommend to the Grantee a course of action with regard to such employee.
- (f) The parties recognize the right of the U.S. Ambassador to direct the removal from a country of any U.S. citizen or the discharge from this Grant of any third country national when, in the discretion of the Ambassador, the interests of the United States so require.
- (g) If it is determined, under either (e) or (f) above, that the services of such employee shall be terminated, the Grantee shall use its best efforts to cause the return of such employee to the United States, or point of origin, as appropriate.

21. SUBORDINATE AGREEMENTS

The placement of subordinate agreements (e.g., leases, options, etc.), grants, or contracts with other organizations, firms or institutions and the provisions of such subordinate agreements are subject to prior written consent of the Grant Officer if they will be funded hereunder, unless the Grantee's procurement system has been reviewed and approved pursuant to the appropriate section(s) of paragraph 1U, Chapter 1 of AID Handbook 13. In no event shall any such subordinate agreement, grant, or contract be on a cost-plus-a-percentage-of-cost basis. Subordinate contractors (including suppliers) shall be selected on a competitive basis to the maximum practicable extent consistent with the obligations and requirements of this Grant.

22. U.S. OFFICIALS NOT TO BENEFIT

No member of or delegate to the U.S. Congress or resident U.S. commissioner shall be admitted to any share or part of this Grant or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this Grant if made with a corporation for its general benefit.

23. COVENANT AGAINST CONTINGENT FEES

The Grantee warrants that no person or selling agency has been employed or retained to solicit or secure this Grant upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee except bona fide employees or bona fide established commercial or selling agencies maintained by the Grantee for the purpose of securing business. For breach or violation of this warranty, AID shall have the right to cancel this Grant

without liability or, in its discretion, to deduct from the Grant amount, or otherwise recover, the full amount of each commission, percentage, brokerage, or contingent fee.

24. NONLIABILITY

AID does not assume liability with respect to any third party claims for damages arising out of work supported by this Grant.

25. AMENDMENT

The Grant may be amended by formal modifications to the basic grant document or by means of an exchange of letters between the Grant Officer and an appropriate official of the Grantee.

26. THE GRANT

The letter to the Grantee signed by the Grant Officer, the Program Description and the Standard Provisions which have been reviewed and agreed to by the Grantee, constitute the Grant.

27. NOTICES

Any notice given by any of the parties hereunder, shall be sufficient only if in writing and delivered in person or sent by telegraph, cable, registered or regular mail as follows:

To the AID Grant Officer at the address specified in the Grant

To Grantee - At Grantee's address shown in the Grant, or to such other address as either of such parties shall designate by notice given as herein required. Notices hereunder, shall be effective when delivered in accordance with this provision or on the effective date of the notice, whichever is later.

a. Negotiated Overhead Rates (Oct. 1974)

Pursuant to the provisions of this clause set forth below an overhead rate shall be established for each of the Grantee's accounting periods during the term of this Grant. Pending establishment of a final rate for the initial period beginning 7/1/75, provisional payments shall be made at the rate of \$315 per direct project man-month of effort until amended.

(1) The Grantee, as soon as possible but not later than ninety (90) days after the close of each of his accounting periods during the term of this Grant, shall submit to the Grant Officer with copies to the Overhead and Special Cost Branch, Support Division, Office of Contract Management, AID, Washington, D.C. and to the Office of the Auditor General, AID, Washington, D.C., a proposed final rate or rates for the period, together with supporting cost data. Negotiation of final overhead rates by the Grantee and the Grant Officer shall be undertaken as promptly as practicable after receipt of the Grantee's proposal.

(2) Allowability of costs and acceptability of cost allocation methods shall be determined in accordance with Subpart 1-15.2 (Principles and Procedures for Use in Cost-Reimbursement Type Supply and Research Contracts with Commercial Organizations) of the Federal Procurement Regulations* as in effect on the date of this Grant.

(3) The results of each negotiation shall be set forth in a written overhead rate agreement executed by both parties. Such agreement shall specify (1) the agreed final rates, (2) the bases to which the rates apply, and (3) the periods for which the rates apply. The overhead rate agreement shall not change any monetary ceiling, Grant obligation, or specific cost allowance or disallowance provided for in this Grant.

(4) Pending establishment of final overhead rates for any period, the Grantee shall be reimbursed either at negotiated provisional rates as provided above or at billing rates acceptable to the Grant Officer, subject to appropriate adjustment when the final rates for that period are established. Any such revision of negotiated provisional rates provided in this clause shall be set forth in a modification to this Grant.

PROGRAM DESCRIPTION

A. Purpose

The purpose of this grant is to provide funding support to institutionalize program planning, project design, program and project evaluation capacity as a part of the programming system of IVS. The grant will be for a three year period w/funding provided for one year. Subject to availability, additional funds may be granted to IVS.

B. Specific Objectives

1. Development, in conjunction with host institutions, USAID Missions, and others of a) integrated rural development plans for specific geographic locations and within a specific time framework, and b) clearly defined sectoral projects;

2. Development of in-house capacity for professionally designed and implemented program evaluations.

3. A Contractor (from a list supplied by AID) study of IVS, with recommendations for an improved program and project evaluation system.

C. Implementation

1. The grant will fund the establishment and support of a professionally staffed Development Program and Evaluation Office (DPEO). The DPEO will have two basic functions: a) to provide IVS with an enhanced program

design capability, with particular emphasis on local integrated rural development, and clearly defined sectorial projects; and b) to design and assist in the implementation of on-going and end-of-project evaluations for IVS. This function will stress incorporation of evaluation measures into the initial design of new IVS projects. It will also include activities to upgrade the capacity of IVS existing management in evaluation techniques and procedures.

The grant will also fund a contractor study designed to assist IVS in developing an effective evaluation system that will allow it to effectively measure the impact of its program activity in development terms. The contractor consultant will work closely with the IVS staff in developing a program and project evaluation system custom tailored to the IVS style and purpose, and one which is applicable in practical terms to the IVS operations.

The DPEO will be supervised by the officer who presently has the title of Staff Program Consultant for IVS. He will also be the designated IVS representative to work with the contractor consultant in developing evaluation system. The DPEO staff will have a strong background, both from the standpoint of training and experience relevant to the job description. The DPEO staff will receive appropriate orientation and familiarization with the necessary aspects of AID project design and management.

2. A person selected to fill a position with the DPEO of IVS should preferably have a graduate degree in economics and social development planning

and implementation, with a strong background in economics and a focus in rural development planning. In addition, the person should have had field experience in development activities and experience as a volunteer. Though permanently assigned to Washington, DPEO staff members would spend a major portion of the time in the field. It is expected that each DPEO staff member would spend some three months at a time in the field, providing technical and conceptual guidance to the field staffs in those countries in which the IVS staff is already in place or operating in advance of staff elsewhere, working with USAID or other cooperating agencies and host institutions on development design and planning for a particular project. The staff members would then spend one month back in Washington refining the project design and facilitating its implementation.

After a month's work at the Washington office, the DPEO staff members will commence with a new project in the field. In addition to the work on specific projects, DPEOs staff members will be expected to participate generally in the upgrading of IVS staff skills (both in Washington and the field) in the areas of project design and evaluation. This will be accomplished through seminars and workshops.

3. To develop intergrated rural development plans for specific geographic locations (e.g., for a district division, or cluster of villages) and within a specific time-framework. The plans developed will identify the specific bottlenecks or constraints to development in the area and will attempt to determine the mix of skills and resources most likely to have a

significant impact on improving the quality of life. They will also incorporate an implementation strategy that will include:

- detailed information on the roles that IVS volunteers will play by skill area and in terms of specific job descriptions;
- resources required and the organizations to provide them;
- means by which the program will be incorporated into or parallel on-going government programs, and the involvement of local and national government, and private institution, in the program; and
- institution-building and counterpart training component.

4. To develop clearly defined sectoral projects. For example, IVS might wish to cooperate with USAIDs or others by helping a host government or institution design a rural health or new crop extension system incorporating IVS volunteers and resource assistance from A.I.D. or another donor. Such a plan will have definite targets with regard to accomplishment and to timing.

After the plan has been designed and approved at the field level, IVS will then seek financial support; the DPEOs, together with other members of the IVS staff, will participate in identification of possible sources, but the DPEO will not engage in direct fund-raising activities.

Once a program development possibility has been identified by local IVS staff or by agencies (like USAID) with whom IVS might cooperate,

and IVS/Washington determines that it should be further explored, the DPEO staff member will be dispatched to the field to work on-site, for a period of approximately three months collaborating with and assisting IVS field staff, host government officials, USAID representatives and/or other organization representatives in the development of a related plan.

5. Evaluation Component: The evaluation role of the DPEOs will be to assist IVS management to identify those objective measures which reasonably reflect goal achievement, and to evaluate IVS programs in those terms. Such evaluation will be in the terms of the efficacy of IVS project, implementation as well as the legitimacy of the goal/purpose statement.

The DPEOs will do more than monitor or audit project performance. Their efforts will be directed at significance as well as to compliance. The DPEOs will be the IVS staff personnel directly responsible for design and conduct of evaluation studies. This process will include the following steps:

- selection of criteria for evaluation;
- selection of objectively verifiable indicators;
- collection of data on the indicators;
- analysis of the data collected (i.e., rate, direction, nature, amount of change);
- interpretation of the data analysis in terms of whether and how the goals/purpose are being (or have been) achieved, and

lessons to be applied to future stages of that project and to other IVS projects.

6. The grant will be used primarily to support the professional personnel (two officers) assigned to the Development Program and Evaluation Office. From time to time, however, other IVS staff will engage in activities in conjunction with the Development Program and Evaluation Office. The costs for this activity will also be covered by the grant.

D. Reporting

Program reports shall be submitted to the Project Manager, PHA/PVC/OPNS on a semi-annual basis, commencing 180 days after signature of the grant. Each report will be due within 30 days of the end of the period being reported. Reports will contain information on field trips, project surveys, observations and progress relative to the DPEO and its activities. Also, identification of shortfalls, and remedial action taken.

One copy each of the fiscal report required under Attachment C of this grant shall be submitted to Grant Officer, CM/COD/PHA, AID/W.

Except as provided below, no further reimbursement shall be made after the effective date of termination, and the Grantee shall within thirty (30) calendar days after the effective date of such termination repay to the Grantor all unexpended portions of funds theretofore paid by the Grantor to the Grantee which are not otherwise obligated by a legally binding transaction applicable to this Grant. Should the funds paid by the Grantor to the Grantee prior to the effective date of this termination of this Grant, be insufficient to cover the Grantee's obligations pursuant to the aforementioned legally binding transaction, the Grantee may submit to the Grantor within (90) calendar days after the effective date of such termination a written claim covering such obligations, and, subject to the limitations contained in the Grant, the Grant Officer shall determine the amount or amounts to be paid by the Grantor to the Grantee under such claim.

f. Officials Not to Benefit (Oct. 1974)

No member of or delegate to Congress or resident commissioner shall be admitted to any share or part of this Grant or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this Grant if made with a corporation for its general benefit.

g. Covenant Against Contingent Fee (Oct. 1974)

The Grantee warrants that no person or selling agency has been employed or retained to solicit or secure this Grant upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee except bona fide employees or bona fide established commercial or selling agencies maintained by the Grantee for the purpose of securing business. For breach or violation of this warranty, AID shall have the right to cancel this Grant without liability or, in its discretion, to deduct from the Grant amount, or otherwise recover, the full amount of each commission, percentage, brokerage, or contingent fee.

AID will issue a Government Transportation Request (GTR) which the Grantee may exchange for tickets, or AID will issue the tickets directly. Use of such U.S.-owned currencies will constitute a dollar charge to this grant.

(3) The Grantee agrees to travel by the most direct and expeditious route, and to use less than first class transportation unless such use will result in unreasonable delay or increased costs.

(a) All international air travel under this Grant shall be made on United States flag carriers. Exceptions to this rule will be allowed in the following situations provided that the Grantee certifies to the facts in the voucher or other documents retained as part of his Grant records to support his claim for reimbursement and for post audit:

1. Where a flight by a United States carrier is scheduled but does not have accommodations available when reservations are sought;

2. Where the departure time, routing, or other features of a United States carrier would interfere with or prevent the satisfactory performance of official business;

3. Where a scheduled flight by a United States carrier is delayed because of weather, mechanical, or other conditions to such an extent that use of a non-United States carrier is in the Government's interest;

5. Where the appropriate class of accommodations is available only on a non-United States carrier and the cost of transportation and related per diem on the non-U.S. carrier is less than the cost of available accommodations of another class on a United States carrier and related per diem.

(b) All international air shipments under this grant shall be made on United States flag carriers unless shipment would, in the judgment of the Grantee, be delayed an unreasonable time awaiting a United States carrier either at point of origin or transshipment, provided that the Grantee certifies to the facts in the vouchers or other documents retained as part of the Grant records to support his claim for reimbursement and for post audit.
