**PATENT RIGHTS (Small Business Firms and
Nonprofit Organizations) (March 1982)
(OMB Circular A-124)**

a. Definitions

(1) "Invention" means any invention or discovery which is or may be patentable or otherwise protectable under Title 35 of the United States Code.

(2) "Subject Invention" means any invention of the grantee conceived or first actually reduced to practice in the performance of work under this grant.

(3) "Practical Application" means to manufacture in the case of a composition or product, to practice in the case of a process or method, or to operate in the case of a machine or system; and, in each case, under such conditions as to establish that the invention is being utilized and that its benefits are, to the extent permitted by law or Government regulations, available to the public on reasonable terms.

(4) "Made" when used in relation to any invention means the conception or first actual reduction to practice of such invention.

(5) "Small Business Firm" means a small business concern as defined at Section 2 of Public Law 85-536 (15 U.S.C. 632) and implementing regulations of the Administrator of the Small Business Administration. For the purpose of this provision, the size standards for small business concerns involved in Government procurement and subcontracting at 13 CFR 121.3-8 and 13 CFR 121.3-12, respectively, will be used.

(6) "Nonprofit Organization" means a university or other institution of higher education or an organization of the type described in Section 501(c)(3) of the Internal Revenue Code of 1954 (26 USC 501(c)) and exempt from taxation under Section 501(a) of the Internal Revenue Code (26 USC 501(a)) or any nonprofit scientific or education organization qualified under a state nonprofit organization statute.

b. Allocation of Principal Rights

The grantee may retain the entire right, title, and interest throughout the world to each subject invention subject to the provisions of this provision and 35 U.S.C. 203. With respect to any subject invention in which the grantee retains title, the Federal Government shall have a non-exclusive, non-transferable, irrevocable, paid-up license to practice or

have practiced for or on behalf of the United States the subject invention throughout the world. This license will include the right of the Agency for International Development (AID), with respect to any existing or future international agreement entered into under the Foreign Assistance Act of 1961, as amended, to sublicense any foreign government or public international organization in accordance with the terms of any such international agreement.

c. Invention Disclosure, Election of Title and Filing of Patent Applications by Grantee

(1) The grantee will disclose each subject invention to AID within two months after the inventor discloses it in writing to grantee personnel responsible for patent matters. The disclosure to AID shall be in the form of a written report and shall identify the grant under which the invention was made and the inventor(s). It shall be sufficiently complete in technical detail to convey a clear understanding, to the extent known at the time of the disclosure, of the nature, purpose, operations, and the physical, chemical, biological or electrical characteristics of the invention. The disclosure shall also identify any publication, on sale or public use of the invention and whether a manuscript describing the invention has been submitted for publication and, if so, whether it has been accepted for publication at the time of disclosure. In addition, after disclosure to AID, the grantee will promptly notify AID of the acceptance of any manuscript describing the invention for publication or of any on sale or public use planned by the grantee.

(2) The grantee will elect in writing whether or not to retain title to any such invention by notifying AID within twelve months of disclosure to the grantee; provided that in any case where publication, on sale or public use has initiated the one year statutory period wherein valid patent protection can still be obtained in the United States, the period for election of title may be shortened by AID to a date that is no more than 60 days prior to the end of the statutory period.

(3) The grantee will file its initial patent application on an elected invention within two years after election or, if earlier, prior to the end of any statutory period wherein valid patent protection can be obtained in the United States after a publication, on sale, or public use. The grantee will file patent applications in additional countries within either ten months of the corresponding initial patent application or six months from the date permission is granted by the Commissioner of Patents and Trademarks to file foreign patent applications where such filing has been prohibited by a Secrecy Order.

(4) Requests for extension of the time for disclosure to AID, election, and filing may, at the discretion of AID, be granted.

d. Conditions When the Government May Obtain Title

(1) The grantee will convey to AID, upon written request, title to any subject invention:

(i) If the grantee fails to disclose or elect the subject invention within the times specified in paragraph c. of this provision, or elects not to retain title.

(ii) In those countries in which the grantee fails to file patent applications within the times specified in paragraph c. of this provision; provided, however, that if the grantee has filed a patent application in a country after the times specified in c. of this provision, but prior to its receipt of the written request of AID, the grantee shall continue to retain title in that country.

(iii) In any country in which the grantee decides not to continue the prosecution of any application for, to pay the maintenance fees on, or defend in reexamination or opposition proceeding on, a patent on a subject invention.

e. Minimum Rights to Grantee

(1) The grantee will retain a nonexclusive, royalty-free license throughout the world in each subject invention to which the Government obtains title except if the grantee fails to disclose the subject invention within the times specified in paragraph c. of this provision. The grantee's license extends to its domestic subsidiaries and affiliates, if any, within the corporate structure of which the grantee is a party and includes the right to grant sublicenses of the same scope to the extent the grantee was legally obligated to do so at the time the grant was awarded. The license is transferable only with the approval of AID except when transferred to the successor of that party of the grantee's business to which the invention pertains.

(2) The grantee's domestic license may be revoked or modified by AID to the extent necessary to achieve expeditious practical application of the subject invention pursuant to an application for an exclusive license submitted in accordance with applicable provisions in the Federal Property Management Regulations. This license will not be revoked in that field of use or the geographical areas in which the grantee has achieved practical application and continues to make the benefits of the invention reasonably accessible to the public. The license in any foreign country may be revoked or modified at the discretion of AID to the extent the grantee, its licensees, or its domestic subsidiaries or affiliates have failed to achieve practical application in that foreign country.

(3) Before revocation or modification of the license, AID will furnish the grantee a written notice of its intention to revoke or modify the license, and the grantee will be allowed thirty days (or such other time as may be authorized by AID for good cause shown by the grantee) after the notice to show cause why the license should not be revoked or modified. The grantee has the right to appeal, in accordance with applicable regulations in the Federal Property Management Regulations concerning the licensing of Government-owned inventions, any decision concerning the revocation or modification of its license.

f. Grantee Action to Protect the Government's Interest

(1) The grantee agrees to execute or to have executed and promptly deliver to AID all instruments necessary to (i) establish or confirm the rights the Government has throughout the world in those subject inventions to which the grantee elects to retain title, and (ii) convey title to AID when requested under paragraph d. of this provision, and to enable the Government to obtain patent protection throughout the world in that subject invention.

(2) The grantee agrees to require, by written agreement, its employees, other than clerical and non-technical employees, to disclose promptly in writing to personnel identified as responsible for the administration of patent matters and in a format suggested by the grantee each subject invention made under grant in order that the grantee can comply with the disclosure provisions of paragraph c. of this provision, and to execute all papers necessary to file patent applications on subject inventions and to establish the Government's rights in the subject inventions. This disclosure format should require, as a minimum, the information required by c.(1) of this provision. The grantee shall instruct such employees through employee agreements or other suitable educational programs on the importance of reporting inventions in sufficient time to permit the filing of patent applications prior to U.S. or foreign statutory bars.

(3) The grantee will notify AID of any decision not to continue the prosecution of a patent application, pay maintenance fees, or defend in a reexamination or opposition proceeding on a patent, in any country, not less than thirty days before the expiration of the response period required by the relevant patent office.

(4) The grantee agrees to include, within the specification of any United States patent application and any patent issuing thereon covering a subject invention, the following statement, "This invention was made with Government support under (identify the grant) awarded by AID. The Government has certain rights in this invention."

g. Subcontracts and Subgrants

(1) The grantee will include this provision suitably modified to identify the parties, in all subcontracts and subgrants, regardless of tier, for experimental developmental or research work to be performed by a small business firm or nonprofit organization. The subcontractor or subgrantee will retain all rights provided for the grantee in this provision, and the grantee will not, as part of the consideration for awarding the subcontract or subgrant, obtain rights in the subcontractor's or subgrantee's subject inventions.

(2) With respect to any subcontract or subgrant with a profit making organization, regardless of tier, the clause specified in Sec. 1-9.1 of the Federal Procurement Regulations (41 CFR 1-9.1) shall be used for such subcontracts, and the provision specified in Appendix 4C, provision 28, Patents, of AID Handbook 13 shall be used for such subgrants. With respect to any subcontract or subgrant with any small business firm or nonprofit organization, regardless of tier, this provision's requirements shall apply.

(3) In the case of subcontracts or subgrants, at any tier, when the prime award with AID was a grant (but not a contract), AID, subcontractor or subgrantee, and the grantee agree that the mutual obligations of the parties created by this provision constitute a contract between the subcontractor or subgrantee and AID with respect to those matters covered by this provision.

h. Reporting on Utilization of Subject Inventions

The grantee agrees to submit on request periodic reports no more frequently than annually on the utilization of a subject invention or on efforts at obtaining such utilization that are being made by the grantee or its licensees or assignees. Such reports shall include information regarding the status of development, date of first commercial sale or use, gross royalties received by the grantee, and such other data and information as AID may reasonably specify. The grantee also agrees to provide additional reports as may be requested by AID in connection with any march-in proceeding undertaken by AID in accordance with paragraph j. of this provision. To the extent data or information supplied under this section is considered by the grantee, its licensee or assignee to be privileged and confidential and is so marked, AID agrees that, to the extent permitted by 35 USC 202(c)(5), it will not disclose such information to persons outside the Government.

i. Preference for United States Industry

Notwithstanding any other provision of this provision, the grantee agrees that neither it nor any assignee will grant to any person the exclusive right to use or sell any subject

invention in the United States unless such person agrees that any products embodying the subject invention or produced through the use of the subject invention will be manufactured substantially in the United States. However, in individual cases, the requirement for such an agreement may be waived by AID upon a showing by the grantee or its assignee that reasonable but unsuccessful efforts have been made to grant licenses on similar terms to potential licensees that would be likely to manufacture substantially in the United States or that under the circumstances domestic manufacture is not commercially feasible.

j. March-in Rights

The grantee agrees that with respect to any subject invention in which it has acquired title, AID has the right in accordance with the procedures in OMB Circular A-124 and Appendix 4C, provision 28, Patents, Handbook 13 to require the grantee, an assignee or exclusive licensee of a subject invention to grant a non-exclusive, partially exclusive, or exclusive license in any field of use to a responsible applicant or applicants, upon terms that are reasonable under the circumstances, and if the grantee assignee, or exclusive licensee refuses such a request, AID has the right to grant such a license itself if AID determines that:

(1) Such action is necessary because the grantee or assignee has not taken, or is not expected to take within a reasonable time, effective steps to achieve practical application of the subject invention in such field of use.

(2) Such action is necessary to alleviate health or safety needs which are not reasonably satisfied by the grantee, assignee, or their licensees;

(3) Such action is necessary to meet requirements for public use specified by Federal regulations and such requirements are not reasonably satisfied by the grantee, assignees, or licensees; or

(4) Such action is necessary because the agreement required by paragraph 1 of this provision has not been obtained or waived or because a licensee of the exclusive right to use or sell any subject invention in the United States is in breach of such agreement.

k. Special Provisions for Grants with Non-profit Organizations

If the grantee is a non-profit organization, it agrees that:

(1) Rights to a subject invention in the United States may not be assigned without the approval of AID, except where such assignment is made to an organization which has as one of its primary functions the management of inventions and which is not, itself, engaged in or does not hold a substantial interest in other organizations engaged in the manufacture or sale of products or the use of processes that might utilize the invention or be in competition with embodiments of the invention provided that such assignee will be subject to the same provisions as the grantee;

(2) The grantee may not grant exclusive licenses under United States patents or patent applications in subject inventions to persons other than small business firms for a period in excess of the earlier of:

(1) five years from first commercial sale or use of the invention; or

(ii) eight years from the date of the exclusive license excepting that time before regulatory agencies necessary to obtain premarket clearance, unless on a case-by-case basis, AID approves a longer exclusive license. If exclusive field of use licenses are granted, commercial sale or use in one field of use will not be deemed commercial sale or use as to other fields of use, and a first commercial sale or use with respect to a product of the invention will not be deemed to end the exclusive period to different subsequent products covered by the invention.

(3) The grantee will share royalties collected on subject invention with the inventor; and

(4) The balance of any royalties or income earned by the grantee with respect to subject inventions, after payment of expenses (including payments to inventors) incidental to the administration of subject inventions, will be utilized for the support of scientific research or education.

"ARTICLE VII - STANDARD PROVISIONS

The attached Standard Provisions (Attachment B - AID Form 1420-51, 2-82), unless otherwise changed below, are the Standard Provisions of this Strengthening Grant. They will be included in any sub-agreements made hereunder with U.S. institutions.

The following changes have been made in the Standard Provisions of this Grant;

- a) In Standard Provision 3, entitled "Refunds," delete paragraph (c) and insert in lieu thereof the following:
 - "(c) If at any time during the life of this Grant, it is determined by AID that funds obligated by AID under this Grant have been expended for purposes not in accordance with the terms of the Grant, the Grantee shall restore an equivalent amount to the Grant account which shall be available for other allowable expenditures under the Grant. Amounts of AID funds disallowed which cannot be allocated to allowable costs at the expiration or termination of this Grant shall be refunded to AID."
- b) Delete Standard Provision 5A entitled "Negotiated Overhead Rates - Predetermined" and Standard Provision 5B entitled "Negotiated Overhead Rates - Educational Institutions" in their entirety.
- c) Delete Standard Provision 7A entitled "Payment - Federal Reserve Letter of Credit (FRLC) Advance" and Standard Provision 7C entitled "Payment - Reimbursement."
- d) The concurrence required in the third line of paragraph (a) of Standard Provision 8, "Travel and Transportation" can be oral, but must be followed as soon as possible by the written confirmation of the cognizant AID Project Officer.
- e) Delete Standard Provision 10B entitled "Procurement of Goods and Services Over \$250,000."
- f) Delete Standard Provisions 13B, entitled "Title to and Care of Property (U.S. Government Title)" and 13C entitled "Title to and Care of Property" (Cooperating Country Title)."
- g) Delete Standard Provision 15 entitled "Termination" and substitute in lieu thereof the following:

"15. TERMINATION AND SUSPENSION

(a) For Cause. This grant may be terminated for cause at any time, in whole or in part, by the Grant Officer upon written notice to the Grantee, whenever it is determined that the Grantee has failed to comply with the conditions of the grant.

(b) For Convenience. This grant may be terminated for convenience at any time by either party, in whole or in part, if both parties agree that the continuation of the grant would not produce beneficial results commensurate with the further expenditure of funds. Both parties shall agree upon termination conditions, including the effective date and, in the case of partial terminations, the portion to be terminated. The agreement to terminate shall be set forth in a letter from the Grant Officer to the Grantee.

(c) Termination Procedures. Upon receipt of and in accordance with a termination notice as specified in either paragraph (a) or (b) above, the Grantee shall forthwith take immediate action to minimize all expenditures and obligations financed by this grant, and shall cancel such unliquidated obligations whenever possible. Except as provided below, no further reimbursement shall be made after the effective date of termination, and the Grantee shall within 30 calendar days after the effective date of such termination repay to the Government all unexpended portions of funds theretofore paid by the Government to the Grantee which are not otherwise obligated by a legally binding transaction applicable to this grant. Should the funds paid by the Government to the Grantee prior to effective date of the termination of this grant, be insufficient to cover the Grantee's obligations pursuant to the aforementioned legally binding transaction, the Grantee may submit to the Government within 90 calendar days after the effective date of such termination a written claim covering such obligations, and, subject to the limitations contained in this grant, the Grant Officer shall determine the amount or amounts to be paid by the Government to the Grantee under such claim in accordance with the applicable Federal cost principles.

(d) Suspension: Termination for Changed Circumstances. If at any time AID determines (1) that disbursement by AID would be in violation of applicable law, or (2) that continuation of funding for a program should be suspended or terminated because such assistance is not in the national interest of the United States, then AID may, following notice to the Grantee, suspend this Grant and prohibit the Grantee from incurring additional obligations chargeable to this Grant other than necessary and proper costs in accordance with the terms of this Grant during the period of suspension. If the situation causing the suspension continues to pertain for 60 days or more, then AID may terminate this Grant on written notice to the Grantee and cancel that portion of this Grant which has not been disbursed or irrevocably committed to third parties. Financial settlement of this Grant shall be governed by the termination procedures specified in paragraph (c) above."

h) In Standard Provision 22, entitled "Subordinate Agreements," add the following new paragraph:

"The Grantee may not make subgrants to U.S. institutions that do not meet the requirements of eligibility as defined

in Section 296 (d) of Title XII of the Foreign Assistance Act of 1961, as amended, and as designated by BIFAD and AID (see 43 FR 37049, dated August 21, 1978)."

- i) The following Standard Provision 35 entitled "Limitation of Funds" is made a part hereof:

"35. LIMITATION OF FUNDS

(This provision is applicable to all incrementally or partially funded Grants.)

(a) It is estimated that the cost to the Government for the performance of this Grant will not exceed the estimated cost set forth in the Schedule of this Grant and the Grantee agrees to use its best efforts to carry out the program specified in the Schedule and all obligations under this Grant within such estimated cost.

(b) The amount presently available for payment and allotted to this Grant, the items covered thereby, and the period of performance which it is estimated the allotted amount will cover, are specified in the Schedule. It is contemplated that from time to time additional funds will be allotted to this Grant up to the full estimated cost set forth in the Schedule. The Grantee agrees to carry out, or have carried out, the program under this Grant up to the point at which the total amount paid and payable by the Government pursuant to the terms of this Grant approximates but does not exceed the total amount actually allotted to this Grant.

(c) (1) If at any time the Grantee has reason to believe that the costs which it expects to incur in carrying out the program of this Grant in the next succeeding 60 days, when added to all costs previously incurred, will exceed 75 percent of the total amount then allotted to this Grant, the Grantee shall notify the AID Grant Officer in writing to that effect. The notice shall state the estimated amount of additional funds required to continue the program for the period set forth in the Schedule. (2) Sixty days prior to the end of the period specified in the Schedule, the Grantee will advise the AID Grant Officer in writing as to the estimated amount of additional funds, if any, that will be required for the timely carrying out of the program under this Grant or for such further period as may be specified in the Schedule or otherwise agreed to by the parties. (3) If, after notification, pursuant to (c)(1) or (c) (2), above additional funds are not allotted by the end of the period set forth in the Schedule or an agreed date substituted therefor, the AID Grant Officer will, upon written request by the Grantee, terminate this Grant pursuant to the provisions of the TERMINATION provision on such date. If the Grantee, in the exercise of its reasonable judgment, estimates that the funds available will allow it to continue to discharge its obligation hereunder for a period extending beyond such date, it shall specify the later date in its request and the AID Grant Officer, in his discretion, may terminate this Grant on that later date.

(d) Except as required by other provisions of this Grant, specifically citing and stated to be an exception from this provision, the Government shall not be obligated to reimburse the Grantee for costs incurred in excess of the total amount from time to time allotted to this Grant, and the Grantee shall not be obligated to continue carrying out the program under this Grant (including actions under the TERMINATION provision) or otherwise to incur costs in excess of the amount allotted to this Grant, unless and until the AID Grant Officer has notified the Grantee in writing that such allotted amount has been increased and has specified in such notice an increased amount constituting the total amount then allotted to this Grant. To the extent the amount allotted exceeds the estimated cost set forth in the Schedule, such estimated cost shall be correspondingly increased. No notice, communication or representation in any other form or from any person other than the AID Grant Officer shall affect the amount allotted to this Grant. In the absence of the specified notice, the Government shall not be obligated to reimburse the Grantee for any costs in excess of the total amount then allotted to this Grant, whether those excess costs were incurred during the course of this Grant or as result of termination. When and to the extent that the amount allotted to this Grant has been increased, any costs incurred by the Grantee in excess of the amount previously allotted shall be allowable to the same extent as if such costs had been incurred after such increase in the amount allotted, unless the AID Grant Officer issues a termination or other notice and directs that the increase is solely for the purpose of covering termination or other specified expenses."

j) The following Standard Provision 36, entitled "Audit and Records - Non U.S. Subgrantees and Contractors" is made a part hereof.

***36 AUDIT AND RECORDS - NON U.S. SUBGRANTEES AND CONTRACTORS**

(1) The Grantee shall require non U.S. subgrantees and non U. S. contractors (see paragraph L3, Chapter 1 of Handbook 13) to maintain books, records, documents and other evidence and accounting procedures and practices sufficient to reflect properly that funds provided by the Grantee were expended exclusively for the purposes of the subordinate agreement. Such records shall be maintained for three years following the expiration of the subordinate agreement.

(2) The Grantee shall ensure that, after each twelve months of a subordinate agreement with a non-U.S. institution, an audit is conducted on the subgrantees and/or contractor's records by an independent public accountant with a national certification similar or equivalent to a certified public accountant. If the Grantee determines that an audit is not possible or feasible it shall submit to the AID Grant Officer the reasons why such an audit is not possible or feasible, and present for the approval of the AID Grant Officer, alternatives which will achieve the objectives, set forth in this provision. The Grantee shall include in each subordinate agreement hereunder a provision

which the Grantee asserts the right to audit if the independent audit does not take place or is unacceptable. The subordinate agreement shall also require that the subgrantees and contractors shall make available any further information as requested by the Grantee with respect to questions concerning the audit. The report of independent audit shall be submitted to the Grantee and retained by it in accordance with the standard provision entitled ACCOUNTING, AUDIT AND RECORDS.

(3) The purpose of the independent audit shall be to determine the propriety and necessity of the subrecipient's expenditures in terms of the purposes for which the funds were made available, and the adequacy of the subrecipient's financial management. Notwithstanding the requirement for an independent audit, the AID Auditor General and the Comptroller General of the United States or their duly authorized representatives (see paragraph 16, Chapter 1 of Handbook 13) reserve the right to conduct an audit of the subrecipient's books and records to determine whether the subrecipient has expended AID's funds in accordance with the terms of this Grant. The terms of this Provision are applicable only to subordinate agreements with non-U.S. institutions."

Except as expressly hereby amended, the terms and conditions of the subject grant remain unchanged.

Please sign the original and six (6) copies of this amendment, and return the original and five (5) copies to the undersigned. Please return all copies marked "Funds Available."

If the institution is not on a predetermined rate basis, omit 5A; otherwise use both provisions.

Select only 1 payment provision from Group 7.

Select only 1 procurement provision from Group 10.

Select only 1 title provision from Group 13, if title to all property is vested in one entity; however, if title is to be split by categories among two or more entities, select the appropriate provisions from Group 13 and identify the categories and entities in the Schedule of the Grant.

1. ALLOWABLE COSTS AND CONTRIBUTIONS (EDUCATIONAL INSTITUTIONS)

(This provision is applicable to educational institutions)

(a) The Grantee shall be reimbursed for costs incurred in carrying out the purposes of this grant which are determined by the Grant Officer to be reasonable, allocable, and allowable in accordance

with the terms of (1) this grant, (2) any negotiated advance understanding on particular cost items, and (3) OMB Circular A-21 "Principles for Determining Costs Applicable to Grants, Contracts and Other Agreements with Educational Institutions," in effect on the date of this grant (hereinafter referred to as "applicable cost principles").

(b) If Grantee contributions in the form of cost sharing/matching are required under this grant, the

allowability of costs applied to the grant for such contributions shall be determined by the Grant Officer in accordance with the terms of paragraph 1K, "Cost Sharing and Matching" of Handbook 13 in effect on the date of this Grant.

(c) The requirements set forth in this provision are only applicable to costs incurred with funds provided by AID under this grant. Except for paragraph (b) above, the requirements set forth in this provision are not applicable to costs incurred by the Grantee from non-Federal funds. Such costs will be considered allowable to the extent they conform to the requirements of paragraph (b) above and are incurred for purposes of the grant.

2. ACCOUNTING, AUDIT AND RECORDS

(a) With respect to accounting, records and audit, the Grantee shall comply with the requirements set forth in paragraphs 1I, 1J, 1L, and 1M of Handbook 13.

(b) The AID Inspector General and the Comptroller General of the United States or their duly authorized representatives (see paragraph 1I6 of Chapter 1 of Handbook 13) reserve the right to conduct an audit of the Grantee's books and records to determine whether the Grantee has expended AID's funds in accordance with the terms and conditions of this grant. The Grantee agrees to make available any further information requested by AID with respect to any questions arising as a result of the audit.

3. REFUNDS

(a) If use of the AID funds provided hereunder results in accrual of interest to the Grantee or to any other person to whom Grantee makes such funds available in carrying out the purposes of the grant, the Grantee shall refund to AID an amount equivalent to the amount of interest accrued.

(b) Funds obligated by AID hereunder, but not disbursed to the Grantee at the time the grant expires or is terminated, shall revert to AID, except for such funds encumbered by the Grantee by a legally binding transaction applicable to this grant. Any funds disbursed to but not expended by the Grantee at the time of expiration or termination of the Grant shall be refunded to AID.

(c) If, at any time during the life of the grant, or as a result of final audit, it is determined by AID that funds it provided under this Grant have been expended for purposes not in accordance with the terms of this grant, the Grantee shall refund such amount to AID.

4. NONDISCRIMINATION IN FEDERALLY ASSISTED PROGRAMS

(a) No person in the United States shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving financial assistance from AID in accordance with:

(1) Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352, 42 U.S.C. 2000-d) which prohibits discrimination on the basis of race, color or national origin, in programs and activities receiving Federal financial assistance.

(2) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) which prohibits discrimination on the basis of handicap in programs and activities receiving Federal financial assistance.

(3) The Age Discrimination Act of 1975, as amended (Pub. L. 95-478), which prohibits discrimination based on age in the delivery of services and benefits supported with Federal funds.

(4) Title IX of the Education Amendments of 1972 (20 U.S.C. 1681, *et seq.*) which prohibits discrimination on the basis of sex in education programs and activities receiving Federal financial assistance (whether or not the programs or activities are offered or sponsored by an educational institution); and

(b) In accordance with its written assurance, the Grantee agrees to comply with AID regulations implementing the above nondiscrimination laws, set forth in Chapter II of Title 22 of the Code of Federal Regulations.

5A. NEGOTIATED OVERHEAD RATES—PREDETERMINED

(This provision is applicable to educational or other nonprofit organizations or institutions that are on a predetermined overhead rate basis)

(a) Notwithstanding the provision of this grant entitled "Allowable Costs and Contributions," the allowable indirect costs under this grant shall be obtained by applying predetermined overhead rates to the base(s) agreed upon by the parties, as specified in the Schedule of this grant.

(b) The Grantee, except for educational institutions covered by OMB Circular A-88, as soon as possible but not later than 3 months after the close of each of its accounting periods during the term of this grant, shall submit to the AID Grant Officer with copies to the cognizant audit activity, the AID Inspector General, and the AID Overhead and Special Costs Branch, Services Operations Division, Office of Contract Management, AID/Washington, D.C.

20523, a proposed predetermined overhead rate or rates based on the Grantee's actual cost experience during that fiscal year, together with supporting cost data. Negotiation of predetermined overhead rates by the Grantee and the AID Grant Officer shall be undertaken as promptly as practicable after receipt of the Grantee's proposal.

(c) Allowability of costs and acceptability of cost allocation methods shall be determined in accordance with the provisions of the applicable cost principles in effect on the date of this grant.

(d) Predetermined rates appropriate for the work under this grant in effect on the effective date of this grant shall be incorporated into the grant. Rates for subsequent periods shall be negotiated and the results set forth in a written overhead rate agreement executed by both parties. Such agreement shall be automatically incorporated into this grant upon execution and shall specify (1) the agreed predetermined overhead rates, (2) the base(s) to which the rates apply, (3) the fiscal year unless the parties agree to a different period for which the rates apply, and (4) the specific items treated as direct costs or any changes in the items previously agreed to be direct costs. The overhead rate agreement shall not change any monetary ceiling, grant obligation, or specific cost allowance or disallowance provided for in this grant.

(e) Pending establishment of predetermined overhead rates for any fiscal year or different period agreed to by the parties, the Grantee shall be reimbursed either at the rates fixed for the previous fiscal year or other period or at billing rates acceptable to the AID Grant Officer subject to appropriate adjustment when the final rates for the fiscal year or other period are established.

(f) Any failure by the parties to agree on any predetermined overhead rate or rates under this provision shall not be considered a dispute within the meaning of the "Disputes" provision of this grant. If for any fiscal year or other period specified in the grant the parties fail to agree to a predetermined overhead rate or rates, it is agreed that the allowable overhead costs under this grant shall be obtained by applying negotiated final overhead rates in accordance with the terms of the applicable "Negotiated Overhead Rates" provision of this grant.

5B. NEGOTIATED OVERHEAD RATES—EDUCATIONAL INSTITUTIONS

(This provision is applicable to educational institutions which do not have predetermined rates; however, it shall also be included when the

NEGOTIATED OVERHEAD RATES—PREDETERMINED provision is used, under the conditions set forth therein)

(a) Pursuant to this provision, an overhead rate shall be established for each of the Grantee's accounting periods during the term of this Grant. Pending establishment of a final rate, the parties have agreed that provisional payments on account of allowable indirect costs shall be at the rate(s), on the base(s), and for the period shown in the Schedule of this grant.

(b) The Grantee, except educational institutions covered by OMB Circular A-88, as soon as possible but not later than 90 days after the close of each of its accounting periods during the term of this grant shall submit to the Grant Officer with copies to the Overhead and Special Cost Branch, Services Operations Division, Office of Contract Management, AID/Washington, D.C. 20523 and to the Office of the Inspector General, AID/Washington, D.C. 20523, a proposed final rate or rates for the period, together with supporting cost data. Negotiation of final overhead rates by the Grantee and the Grant Officer shall be undertaken as promptly as practicable after receipt of the Grantee's proposal.

(c) Allowability of costs and acceptability of cost allocation methods shall be determined in accordance with OMB Circular A-21 (Principles for Determining Costs Applicable to Grants, Contracts and other Agreements with Educational Institutions) as in effect on the date of this grant.

(d) The results of each negotiation shall be set forth in a written overhead rate agreement executed by both parties. Such agreement shall specify (1) the agreed final rates, (2) the bases to which the rates apply, and (3) the periods for which the rates apply. The overhead rate agreement shall not change any monetary ceiling, grant obligation, or specific cost allowance or disallowance provided for in this grant.

(e) Pending establishment of final overhead rates for any period, the Grantee shall be reimbursed either at negotiated provisional rates as provided above or at billing rates acceptable to the Grant Officer, subject to appropriate adjustment when the final rates for that period are established. To prevent substantial over or under payment, the provisional or billing rates may, at the request of either party, be revised by mutual agreement, either retroactively or prospectively. Any such revision of negotiated provisional rates provided in this provision shall be set forth in a modification to this grant.

(f) Any failure by the parties to agree on any final rate or rates under this provision shall be considered a dispute within the meaning of the Standard Provi-

sion of this Grant, entitled "Disputes," and shall be disposed of in accordance therewith.

6. REVISION OF FINANCIAL PLANS

(a) The Financial Plan, i.e., grant budget, is the financial expression of the project or program as approved during the application and/or award process.

(b) The Grantee shall immediately request approval from the Grant Officer when there is reason to believe that within the next 30 calendar days a revision of the approved Financial Plan will be necessary for any of the following reasons:

1. To change the scope or the objectives of the project or program.

2. Additional funding is needed.

3. The Grantee expects the amount of AID authorized funds will exceed its needs by more than \$5,000 or five percent of the AID award, whichever is greater.

4. The Grantee plans to transfer amounts budgeted for indirect costs to absorb increases in direct costs or vice versa.

5. The Grantee plans to transfer funds budgeted for training allowances (direct payments to trainees) to other categories of expense.

6. The Grantee plans to incur an expenditure which would require approval under the terms of this grant, and was not included in the approved Financial Plan.

7. The Grantee intends to subcontract or subgrant any of the substantive programmatic work under this grant, and such subcontracts or subgrants were not included in the approved Financial Plan.

(c) When requesting approval for budget revisions, the Grantee shall use the budget forms that were used in the application unless a letter request will suffice.

(d) Within 30 calendar days from the date of the receipt of the request for budget revisions, the Grant Officer shall review the request and notify the Grantee whether the budget revisions have been approved. If the revisions are still under consideration at the end of 30 calendar days, the Grant Officer shall inform the Grantee in writing of the date when the Grantee may expect the decision. The Grant Officer shall obtain the Project Officer's clearance on all such requests prior to communication with the Grantee.

(e) If the requested budget revision requires the obligation of additional funding, and, if after notification pursuant to this Standard Provision, AID determines not to provide additional funds, the AID Grant Officer will, upon written request of the

Grantee, terminate this grant pursuant to the Standard Provision of this grant, entitled "Termination."

(f) Except as required by other provisions of this grant specifically citing and stated to be an exception from this provision, the Government shall not be obligated to reimburse the Grantee for costs incurred in excess of the total amount obligated under the grant, and the Grantee shall not be obligated to continue performance under the grant (including actions under the "Termination" provision) or otherwise to incur costs in excess of the amount obligated under the grant, unless and until the Grant Officer has notified the Grantee in writing that such obligated amount has been increased and has specified in such notice an increased amount constituting the total amount then obligated under the Grant.

7A. PAYMENT—FEDERAL RESERVE LETTER OF CREDIT (FRLC) ADVANCE

(This provision is applicable when the following conditions are met: (i) the total advances under all the Grantee's cost-reimbursement contracts and assistance instruments with AID exceed \$120,000 per annum, (ii) AID has, or expects to have, a continuing relationship with the Grantee of at least one year; (iii) the Grantee has the ability to maintain procedures that will minimize the time elapsing between the transfer of funds and the disbursement thereof, (iv) the Grantee's financial management system meets the standard for fund control and accountability required under the standard provision of this grant, entitled "Accounting, Audit and Records"; and, *either* (v) the foreign currency portion of the total advance under this grant is less than 50%; or (vi) the foreign currency portion of the total advance under this grant is more than 50%, *but* more than one foreign currency country is involved)

(a) AID shall open a Federal Reserve Letter of Credit (hereinafter referred to as "FRLC") in the amount of funding obligated by this grant, against which the Grantee may draw cash only for immediate disbursing needs. The term "immediate disbursing needs" when applied to FRLC's is defined as the cash requirements for a three-day period. Any subgrantee funded by the Grantee from funds provided by this grant, shall obtain such funds from the Grantee only as needed for disbursement. The financial management system of the Grantee shall provide for effective control over and accountability for Federal funds as stated in paragraph 1L of Handbook 13.

(b) FRLC Operational Requirements

(1) The Grantee will select a commercial bank that agrees to receive payment vouchers, TFS Form 5401, "Payment Voucher on Letter of Credit," drawn on the U.S. Treasury and to forward such payment vouchers to the applicable Federal Reserve Bank or branch. The Grantee shall select a commercial bank that will credit the account of the Grantee at the time of presentation of the completed payment voucher. Immediate credit by the commercial bank will enable the Grantee to meet its responsibilities to draw cash only when actually needed for disbursements.

(2) After arranging with a commercial bank for operations under the FRLC and obtaining the name and address of the Federal Reserve Bank or branch serving the commercial bank, the Grantee shall deliver to the AID Controller, three originals of Standard Form 1194, "Authorized Signature Card for Payment Vouchers on Letters of Credit," signed by those officials authorized to sign payment vouchers against the FRLC and by the designated official of the Grantee who has authority to specify individuals to sign payment vouchers. Only those officials whose signatures appear on the SF-1194 can sign the TFS Form 5401. New signature cards must be submitted whenever there is a change in the persons authorized to sign payment vouchers.

(3) The Grantee shall subsequently receive one certified copy of the Letter of Credit, SF-1193. No payment vouchers shall be presented to the commercial bank before the FRLC is opened. The SF-1193 indicates the effective date the FRLC is opened.

(4) As funds are required for immediate disbursement needs, the Grantee will submit a properly completed payment voucher (Form TFS 5401) to the commercial bank for transmission to the Federal Reserve Bank or branch. The commercial bank may at this time credit the account of the Grantee with the amount of funds being drawn down. Payment vouchers shall not ordinarily be submitted more frequently than daily and shall not be less than \$5,000 or more than \$5,000,000. In no event shall the accumulated total of all such payment vouchers exceed the amount of the FRLC.

(5) In preparing the payment voucher, the Grantee shall assign a voucher number in numerical sequence beginning with 1 and continuing in sequence on all subsequent payment vouchers submitted under the FRLC.

(6) After the first payment voucher (Form TFS 5401) has been processed, succeeding payment vouchers shall not be presented until the existing

balance of previous drawdowns has been expended or is insufficient to meet current needs.

(c) FRLC Reporting

(1) A "Financial Status Report" SF-269, shall be prepared on an accrual basis and submitted quarterly no later than 30 days after the end of the period, in an original and two copies. If the Grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand. The final report must be submitted within 90 days after the conclusion of the grant. This report shall be submitted to the addresses specified by AID in the Schedule of this grant. In cases where grants are Mission funded, the Grantee will forward an information copy to the AID Mission accounting station at the same time the original and one copy are mailed to AID/Washington.

(2) The Grantee shall submit an original and two copies of SF-272, "Federal Cash Transactions Report", 15 working days following the end of each quarter to the address specified in the Schedule. Grantees receiving advances totaling more than \$1 million per year shall submit SF-272 on a monthly basis within 15 working days following the close of the month. Grantees shall report in the Remarks section of SF-272 all cash advances. Those cash advances in excess of immediate disbursement requirements in the hands of subrecipients or the Grantee's field organizations shall be supported by short narrative explanations of action taken by the Grantee to reduce the excess balances.

(d) Suspension of FRLC

(1) If at any time, the AID Controller determines that the Grantee has failed to comply with the terms and conditions of the FRLC, the AID Controller shall advise the Grant Officer who may cause the FRLC to be suspended or revoked.

(2) The Controller may recommend suspension or revocation to the Grant Officer on the grounds of an unwillingness or inability of the Grantee to: (A) establish procedures that will minimize the time elapsing between cash drawdowns and the disbursement thereof, (B) timely report cash disbursements and balances as required by the terms of the grant and (C) impose the same standards of timing of advances and reporting on any subrecipient or any of the Grantee's overseas field organizations.

7B. PAYMENT—PERIODIC ADVANCES

(This provision is applicable when the conditions for use of an FRLC cannot be met (including those pertaining to mixed dollar and local currency advances) and when: (i) the Grantee has the ability to maintain procedures that will minimize the time elapsing between the transfer of funds and the disbursement thereof, and (ii) the Grantee's financial management system meets the standards for fund control and accountability required under the standard provision of this grant entitled: "Accounting, Audit and Records")

(a) Periodic advances shall be limited to the minimum amounts needed to meet current disbursement needs and shall be scheduled so that the funds are available to the Grantee as close as is administratively feasible to the actual disbursements by the Grantee for program costs. Cash advances made by the Grantee to secondary recipient organizations or the Grantee's field organizations shall conform substantially to the same standards of timing and amount as apply to cash advances by AID to the Grantee.

(b) Grantees shall submit requests for advances at least monthly on SF-270, "Request for Advances or Reimbursement," in an original and two copies, to the address specified in the Schedule of this grant.

(c) The Grantee shall submit an original and two copies of SF-272 "Federal Cash Transactions Report", 15 working days following the end of each quarter to the address specified in the Schedule. Grantees receiving advances totaling more than \$1 million per year shall submit SF-272 on a monthly basis within 15 working days following the close of the month. Grantees shall report in the Remarks section of SF-272 the amount of cash advances in excess of thirty days requirement in the hands of subrecipients or the Grantee's overseas field organizations and shall provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(d) A "Financial Status Report," SF-269, shall be prepared on an accrual basis by the Grantee and submitted quarterly no later than 30 days after the end of the period in an original and two copies. If the Grantee's accounting records are not normally kept on the accrual basis, the Grantee shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand. The final "Financial Status Report" must be submitted within 90 days after the conclusion of the grant.

(e) If at any time, the AID Controller determines that the Grantee has demonstrated an unwillingness or inability to: (1) establish procedures that will minimize the time elapsing between cash advances and the disbursement thereof, (2) timely report cash disbursements and balances as required by the terms of the grant, and (3) impose the same standards of timing of advances and reporting on any subrecipient or any of the Grantee's overseas field organizations; the AID Controller shall advise the Grant Officer who may suspend or revoke the advance payment procedure.

7C. PAYMENT—REIMBURSEMENT

(This provision is applicable to grants for construction, or to grants where Grantees do not meet the conditions for either an FRLC or periodic advance payment)

(a) Each month, the Grantee shall submit an original and two copies of SF-270, "Request for Advance or Reimbursement," to the address specified in the Schedule of this grant.

(b) A "Financial Status Report," SF-269, shall be submitted quarterly no later than 30 days after the end of the period in an original and two copies. The final "Financial Status Report" must be submitted within 90 days after the conclusion of the grant.

(c) Both reports will be prepared on a cash basis, however if the Grantee's accounting records are not normally kept on a cash basis, the Grantee shall not be required to convert its accounting system to meet this requirement.

8. TRAVEL AND TRANSPORTATION

(This provision is applicable when domestic or international air travel or shipment costs are reimbursable under the grant)

(a) The Grant Officer hereby approves international travel to be reimbursed under this grant provided that the Grantee shall obtain written concurrence from the cognizant Project Officer in AID prior to sending any individual outside the United States to perform work under the grant. For this purpose the Grantee shall advise the Project Officer at least 30 days in advance of any travel to be undertaken outside the United States. After concurrence is received the Grantee shall provide the cognizant Mission or U.S. Embassy advance notification (with a copy to the Project Officer) of the arrival date and flight identification of grant-financed travelers.

(b) Travel to certain countries shall, at AID's option, be funded from U.S.-owned local currency. When AID intends to exercise this option, it will so

notify the Grantee after receipt of advice of intent to travel, required above. AID will issue a Government Transportation Request (GTR) which the Grantee may exchange for tickets, or AID will issue the tickets directly. Use of such U.S.-owned currencies will constitute a dollar charge to this grant.

(c) All international air travel and all international air shipments funded under this grant shall be made on United States flag air carriers (hereinafter referred to as "certificated air carriers"), to the extent service by such carriers is available in accordance with paragraphs (d) and (e) below:

The terms used in this provision have the following meanings:

(1) "International air transportation" means transportation of persons (and their personal effects) or property by air between a place in the United States and a place outside thereof or between two places both of which are outside the United States.

(2) "U.S. flag air carriers" means one of a class of air carriers holding a certificate of public convenience and necessity issued by the Civil Aeronautics Board, approved by the President, authorizing operations between the United States and/or its territories and one or more foreign countries.

(3) The term "United States" includes the fifty states, Commonwealth of Puerto Rico, possessions of the United States, and the District of Columbia.

(d) Passenger or freight service by a certificated air carrier is considered "available" even though:

(1) Service by noncertificated air carrier can be paid for in excess foreign currency, or

(2) Service by a noncertificated air carrier is preferred by the agency or traveler needing air transportation, or

(3) Service by a noncertificated air carrier is more convenient for the agency or traveler needing air transportation.

(e) Passenger service by a certificated air carrier will be considered to be "unavailable":

(1) When certificated air carriers offer only first class service, and less than first class service is available from noncertificated air carriers, or

(2) When the traveler, while en route, has to wait 6 hours or more to transfer to a certificated air carrier to proceed to the intended destination, or

(3) When any flight by a certificated air carrier is interrupted by a stop anticipated to be 6 hours or more for refueling, reloading, repairs, etc., and no other flight by a certificated air carrier is available during the 6 hour period, or

(4) When by itself or in combination with other certificated or noncertificated air carriers (if certificated air carriers are "unavailable") it takes 12 or

more hours longer from the original airport to the destination airport to accomplish the agency's mission than would service by a noncertificated air carrier or carriers.

(5) When the elapsed travel time on a scheduled flight from origin to destination airports by noncertificated air carrier(s) is 3 hours or less, and service by certificated air carrier(s) would involve twice such scheduled travel time.

(f) Freight service by a certificated air carrier will be considered to be unavailable when:

(1) No certificated air carrier provides scheduled air freight service from the airport serving the shipment's point of origin, and a noncertificated air carrier does.

(2) The certificated air carrier(s) serving the shipment's point of origin decline to issue a through airway bill for transportation to the shipment's final destination airport.

(3) Use of a certificated air carrier would result in delivery to final destination at least 7 days later than delivery by means of a noncertificated air carrier.

(4) The total weight of the consignment exceeds the maximum weight per shipment which a certificated air carrier will accept and transport as a single shipment, and a noncertificated air carrier will accept and transport the entire consignment as a single shipment.

(5) The dimensions (length, width, or height) of one or more of the items of a consignment exceed the limitation of the certificated aircraft's cargo door openings, but do not exceed the acceptable dimensions for shipment on an available noncertificated air carrier.

(g) Where U.S. Government funds are used to reimburse the Grantee's use of other than U.S. flag carriers for international transportation, the Grantee will include a certification on vouchers involving such transportation which is essentially as follows:

CERTIFICATION OF UNAVAILABILITY OF U.S. FLAG AIR CARRIERS

I hereby certify that the transportation service for personnel (and their personal effects) or property by certificated air carrier was unavailable for the following reason(s): (State appropriate reason(s) as set forth in (e) or (f) above; see 41 CFR 1-1.323-3 for further guidance.)

(h) *Travel Costs and Overseas Maintenance Allowances*

(1) *Travel Within the United States*

(i) As used herein, the term "travel within the United States" includes the 50 states, District of Col-

umbia, Commonwealth of Puerto Rico, Virgin Islands, and all the U.S. Territories except the Trust Territories of the Pacific Islands.

(ii) Subsistence allowances paid to Grantee employees traveling within the United States will be reimbursed in accordance with the established policies and practices of the Grantee which are uniformly applied to both federally financed and other activities of the Grantee.

(2) International Travel

(i) As used herein, the term "international travel" includes travel to the U.S. Trust Territories of the Pacific Islands.

(ii) The Grantee will be reimbursed for international travel, subsistence, and post differentials and other allowances paid to employees in an international travel status, or assigned overseas, in accordance with the Grantee's established policies and practices which are uniformly applied to federally financed and other activities of the Grantee, but only to the extent that such reimbursement does not exceed the applicable amounts or rates established in the Standardized Regulations (Government Civilians, Foreign Areas), published by the U.S. Department of State, as from time to time amended.

9. OCEAN SHIPMENT OF GOODS

(This provision is applicable when goods purchased with funds provided under this grant are transported to the Cooperating Country on ocean vessels)

(a) At least 50% of the gross tonnage of all goods purchased under this grant and transported to the Cooperating Country on ocean vessels shall be transported on privately owned U.S. flag commercial vessels, to the extent such vessels are available at fair and reasonable rates for such vessels; and

(b) At least 50% of the gross freight revenue generated by shipments of goods purchased under this grant and transported to the Cooperating Country on dry cargo liners shall be paid to or for the benefit of privately owned U.S. flag commercial vessels to the extent such vessels are available at fair and reasonable rates for such vessels.

(c) When U.S. flag vessels are not available, or their use would result in a significant delay, the Grantee may request a certificate of nonavailability from the AID Transportation Support Division, Office of Commodity Management, Washington, D.C. 20523, giving the basis for the request. Such a determination of nonavailability will relieve the Grantee of the requirement to use U.S. flag vessels for the tonnage of goods included in the determination.

(d) Vouchers submitted for reimbursement which include ocean shipment costs shall contain a certification essentially as follows: "I hereby certify that a copy of each ocean bill of lading concerned has been submitted to the Maritime Administration Cargo Preference Control Center, Commerce Building, Washington, D.C. 20235, and that such bills of lading state all of the carrier's charges including the basis for calculations such as weight or cubic measurement."

(e) Shipments by voluntary nonprofit relief agencies (i.e., PVO's) shall be governed by this Standard Provision and by AID Regulation 2, "Overseas Shipments of Supplies by Voluntary Nonprofit Relief Agencies" (22 CFR 202).

10A. PROCUREMENT OF GOODS AND SERVICES UNDER \$250,000

(This provision is applicable when the total procurement element (i.e., the sum of all purchase orders and contracts for goods and services) of this grant does not exceed \$250,000)

(a) Ineligible Goods and Services

Under no circumstances shall the Grantee procure any of the following under this grant:

- (1) military equipment,
- (2) surveillance equipment,
- (3) commodities and services for support of police or other law enforcement activities,
- (4) abortion equipment and services,
- (5) luxury goods and gambling equipment, or
- (6) weather modification equipment.

If AID determines that the Grantee has procured any of the ineligible goods and services specified above under this grant, and has received reimbursement for such purposes, the Grantee agrees to refund to AID the entire amount of the reimbursement.

(b) Restricted Goods

The Grantee shall not procure any of the following goods and services without the prior written authorization of the Grant Officer:

- (1) agricultural commodities,
- (2) motor vehicles,
- (3) pharmaceuticals,
- (4) pesticides,
- (5) rubber compounding chemicals and plasticizers,
- (6) used equipment,
- (7) U.S. Government-owned excess property, or
- (8) fertilizer.

If AID determines that the Grantee has procured any of the restricted goods specified above under this grant, without the prior written authorization of the

Grant Officer, and has received reimbursement for such purpose, the Grantee agrees to refund to AID the entire amount of the reimbursement.

(c) Geographic Source and Order of Preference

All goods (e.g., equipment, materials, and supplies) and services, the costs of which are to be reimbursed under this grant, and which will be financed with United States dollars, shall be purchased in and shipped from only "Special Free World" countries (i.e., AID Geographic Code 935) in accordance with the following order of preference:

(1) the United States (AID Geographic Code 000),

(2) "Selected Free World" countries (AID Geographic Code 941),

(3) the cooperating country,

(4) "Special Free World" countries (AID Geographic Code 935).

(d) Application of Order of Preference

When the Grantee procures goods and services from other than U.S. sources, under the order of preference in (c) above, it shall document its files to justify each such instance. The documentation shall set forth the circumstances surrounding the procurement and shall be based on one or more of the following reasons, which will be set forth in the Grantee's documentation:

(1) the procurement was of an emergency nature, which would not allow for the delay attendant to soliciting U.S. sources,

(2) the price differential for procurement from U.S. sources exceeded by 50% or more the delivered price from the non-U.S. source,

(3) impelling local political considerations precluded consideration of U.S. sources,

(4) the goods or services were not available from U.S. sources, or

(5) procurement of locally available goods or services, as opposed to procurement of U.S. goods and services, would best promote the objectives of the Foreign Assistance program under the grant.

(e) The Grantee's Procurement System

The Grantee may use its own procurement policies and procedures provided they conform to the geographic source and order of preference requirements of this provision and the standards set forth in paragraph 1U of AID Handbook 13, "Grants."

(f) Small Business

To permit AID, in accordance with the small business provisions of the Foreign Assistance Act of 1961, as amended, to give United States small business firms an opportunity to participate in supplying commodities and services procured under this

grant, the Grantee shall to maximum extent possible, provide the following information to the Office of Small and Disadvantaged Business Utilization, AID/Washington, D.C. 20523, at least 45 days prior (except where a shorter time is requested of, and granted by, the Office of Small and Disadvantaged Business Utilization) to placing any order or contract in excess of \$25,000:

(1) Brief general description and quantity of goods or services;

(2) Closing date for receiving quotations, proposals, or bids; and

(3) Address where invitations or specifications can be obtained.

(g) Ineligible Suppliers

Funds provided under this grant shall not be used to procure any commodity or commodity-related services furnished by any supplier whose name appears on the List of Ineligible Suppliers under AID Regulation 8, "Suppliers of Commodities and Commodity-Related Services Ineligible for AID Financing" (22 CFR 208). The Grantee agrees to review said list prior to undertaking any procurement the cost of which is to be reimbursable under this grant. AID will provide the Grantee with this list.

(h) Ocean and Air Transportation

For requirements relating to transportation by ocean vessel of commodities purchased under this grant, see the Standard Provision entitled "Ocean Shipment of Goods." For requirements relating to transportation of commodities by air, see the Standard Provision entitled "Travel and Transportation."

10B. PROCUREMENT OF GOODS AND SERVICES OVER \$250,000

(This provision is applicable when the total procurement element, i.e., the sum of all purchase orders and contracts for goods and services, of this grant will be greater than \$250,000 over the life of the grant)

(a) *General.* Except as may be specifically approved or directed in advance by the Grant Officer, all goods (e.g., equipment, vehicles, materials, and supplies) and services which will be financed under this grant with United States dollars shall be procured in and shipped from the United States (Code 000) and from any other countries within the authorized geographic code specified in the Schedule of this grant.

(b) *Procurement of goods.* In order to be eligible under this grant, goods purchased under this grant

must be of eligible source and origin, and must satisfy AID's componentry requirements set forth below. In addition, the supplier of commodities must meet the nationality requirements specified in paragraph (d)(1) of this provision.

(1) *Source.* Source means the country from which a commodity is shipped to the Cooperating Country or the Cooperating Country itself if the commodity is located therein at the time of purchase. However, where a commodity is shipped from a free port or bonded warehouse in the form in which received therein, source means the country from which the commodity was shipped to the free port or bonded warehouse.

(2) *Origin.* The origin of a commodity is the country or area in which a commodity is mined, grown, or produced. A commodity is produced when through manufacturing, processing, or substantial and major assembling of components, a commercially recognized new commodity results that is substantially different in basic characteristics, or in purpose or utility, from its components.

(3) *Componentry.* Components are the goods that go directly into the production of a produced commodity. AID componentry rules are as follows:

(i) If a commodity produced in an eligible source country contains no imported component, it is eligible for AID financing.

(ii) Unless otherwise specified by the Grant Officer, components from the United States, the Cooperating Country, and any other countries included in Geographic Code 941 may always be utilized in unlimited amounts regardless of the geographic code authorized.

(iii) Unless procurement is authorized from countries included in Code 899, components from free world countries not included in Code 941 are limited according to the following rules:

(A) They are limited only if they are acquired by the producer in the form in which they were imported.

(B) The total cost to the producer of such components (delivered at the point of production) may not exceed 50 percent of the lowest price (excluding the cost of ocean transportation and marine insurance) at which the supplier makes the commodity available for export sale (whether or not financed by AID).

(C) AID may prescribe percentages other than 50 percent for specific commodities.

(iv) Any component from a non-free world country makes the commodity ineligible for AID financing.

(4) *Supplier Nationality.* (See paragraph (d) of this provision)

(c) *Eligibility of commodity-related services*

(1) *Incidental services.* Nationality rules are applied to the contractor supplying equipment under this grant and not separately to any contractor that may supply commodity-related incidental services. Such services, defined as the installation or erection of AID-financed equipment, or the training of personnel in the maintenance, operation, and use of such equipment, are eligible if specified in the equipment contract and performed by citizens of countries included in AID Geographic Code 935, or non-United States citizens lawfully admitted for permanent residence in the United States.

(2) *Ocean and air transportation*

(i) Except as otherwise approved in writing by the Grant Officer, AID will finance only those ocean transportation costs:

(A) Incurred on vessels under U.S. flag registry, when Geographic Code 000 is authorized for procurement of goods or services;

(B) Incurred on vessels under U.S. Cooperating Country, or other countries included in Geographic Code 941 flag registry, when Geographic Code 941 is authorized for procurement of goods or services; or

(C) Incurred on vessels under flag registry of any free world country, if the costs are part of the total cost on a through bill of lading paid to a carrier for initial carriage on a vessel which is authorized in accordance with paragraphs (c)(2)(i)(A) and (B), above.

(ii) Any ocean or air charter, covering full or part cargo, for the transportation of goods purchased under this grant must be approved by the AID Transportation Support Division, Office of Commodity Management, Washington, D.C. 20523, prior to shipment.

(iii) When use of non-U.S. flag vessels has been authorized, the following requirements still apply:

(A) At least 50% of the gross tonnage of all goods purchased under this grant and transported to the Cooperating Country on ocean vessels, shall be transported on privately owned U.S. flag commercial vessels, to the extent such vessels are available at fair and reasonable rates for such vessels; and

(B) At least 50% of the gross freight revenue generated by shipments of goods purchased under this grant and transported to the Cooperating Country on dry cargo liners shall be paid to or for the benefit of privately owned U.S. flag commercial

vessels to the extent such vessels are available at fair and reasonable rates for such vessels.

(iv) When U.S. flag vessels are not available, or their use would result in a significant delay, the Grantee may request a certificate of nonavailability from the AID Transportation Support Division, Office of Commodity Management, Washington, D.C. 20523, giving the basis for the request. Such a determination of nonavailability will relieve the Grantee of the requirement to use U.S. flag vessels for the tonnage of goods included in the determination.

(v) Vouchers submitted for reimbursement which include ocean shipment costs shall contain a certification essentially as follows: "I hereby certify that a copy of each ocean bill of lading concerned has been submitted to the Maritime Administration, Cargo Preference Control Center, Commerce Building, Washington, D C. 20235, and that such bills of lading state all of the carrier's charges including the basis for calculation such as weight or cubic measurement."

(vi) For use of U.S. flag air carriers, see the Standard Provision, entitled "Travel and Transportation."

(3) *Marine insurance.* The eligibility of marine insurance is determined by the country in which it is "placed." Insurance is "placed" in a country if payment of the insurance premium is made to, and the insurance policy is issued by, an insurance company located in that country. Eligible countries for placement are governed by the authorized geographic code, except that if Code 941 is authorized, the Cooperating Country is also eligible. Section 604(d) of the Foreign Assistance Act requires that if a recipient country discriminates by statute, decree, rule, or practice with respect to AID-financed procurement against any marine insurance company authorized to do business in any State of the United States, then any AID-financed commodity shipped to that country shall be insured against marine risk and the insurance shall be placed in the United States with a company or companies authorized to do a marine insurance business in any State of the United States.

(d) *Nationality.* Except as specified in paragraph (c) above, in order to be eligible for AID financing under this grant, contractors, subcontractors, or suppliers must fit one of the following categories:

(1) *Suppliers of commodities.* A supplier providing goods must fit one of the following categories for the costs of such goods to be eligible for AID financing under this grant:

(i) An individual who is a citizen or legal resident of a country or area included in the authorized geographic code; or

(ii) A corporation or partnership organized under the laws of a country or area included in the authorized geographic code; or

(iii) A controlled foreign corporation; i.e., any foreign corporation of which more than 50 percent of the total combined voting power of all classes of stock is owned by the United States shareholders within the meaning of Section 957 et seq., of the Internal Revenue Code, 26 U.S.C. 957; or

(iv) A joint venture or unincorporated association consisting entirely of individuals, corporations, or partnerships which fit any of the foregoing categories.

(2) *Suppliers of services.* A contractor or subcontractor thereunder providing services under an AID-financed grant must fit one of the following categories for the costs of such contracts or subcontracts to be eligible for AID financing under this grant. (NOTE: the term contractor includes personal services contractors):

(i) An individual who is a citizen of and whose principal place of business is in a country included in the authorized geographic code or a non-U.S. citizen lawfully admitted for permanent residence in the United States whose principal place of business is in the United States; or

(ii) A corporation or partnership that is incorporated or legally organized under the laws of a country or area included in the authorized geographic code, has its principal place of business in a country or area included in the authorized geographic code, and meets the criteria set forth in either subparagraph (A) or (B), below:

(A) The corporation or partnership is more than 50% beneficially owned by individuals who are citizens of a country or area included in the authorized geographic code. In the case of corporations, "more than 50% beneficially owned" means that more than 50% of each class of stock is owned by such individuals; in the case of partnerships, "more than 50% beneficially owned" means that more than 50% of each category of partnership interest (e.g., general, limited) is owned by such individuals. (With respect to stock or interests held by companies, funds or institutions, the ultimate beneficial ownership by individuals is controlling.)

(B) The corporation or partnership:

(1) has been incorporated or legally organized in the United States for more than three years prior to the issuance date of the invitation for bids or request for proposals, and

(2) has performed within the United States administrative and technical, professional or construction services under a contract or contracts

for services and derived revenue therefrom in each of the three years prior to the date described in the preceding paragraph, and

(3) employs United States citizens in more than half its permanent full-time positions in the United States, and

(4) has the existing capability in the United States to perform the contract; or

(iii) A joint venture or unincorporated association consisting entirely of individuals, corporations, or partnerships which fit categories (d)(2)(i) and (d)(2)(ii) above. However, joint ventures with firms wholly or partially owned by the host government are ineligible.

(iv) A duly authorized officer of the firm shall certify that the participating firm meets either the requirements or subparagraphs (d)(ii)(A) or (d)(ii)(B) above. In the case of corporations, the certifying officer shall be the corporate secretary. With respect to the requirements of subparagraph (d)(ii)(A), of this provision, the certifying officer may presume citizenship on the basis of the stockholder's record address, provided the certifying officer certifies, regarding any stockholder (including any corporate funds or institutional stockholder) whose holdings are material to the corporation's eligibility, that the certifying officer knows of no fact which might rebut that presumption.

(3) *Ineligible suppliers of commodities and services.* Citizens or firms of any country not included in AID Geographic Code 935 are ineligible as suppliers, contractors, subcontractors, or agents, for goods and services the costs of which will be reimbursed under this grant. However, non-U.S. citizens lawfully admitted for permanent residence in the United States are eligible.

(e) *Nationality of employees under contracts and subcontracts for services.* The nationality policy of subparagraph (d)(2) of this provision does not apply to the employees of contractors or subcontractors whose services will be reimbursed under this grant, but all contractor and subcontractor employees engaged in providing services under AID-financed grants must be citizens of countries included in AID Geographic Code 935 or non-U.S. citizens lawfully admitted for permanent residence in the United States.

(f) *The Cooperating Country as a source.* With certain exceptions, the Cooperating Country is not normally an eligible source for procurement to be paid in U.S. dollars. The exceptions are for ocean freight and marine insurance (see paragraphs (c)(1) and (c)(2) of this provision). The Cooperating Country may be an eligible source if local cost financing is

approved either by specific action of the Grant Officer or in the Schedule of the grant. In such cases, the Standard Provision entitled "Local Cost Financing with U.S. Dollars," will apply.

(g) *Ineligible goods and services.* Under no circumstances shall the Grantee procure any of the following under this grant:

- (1) military equipment,
- (2) surveillance equipment,
- (3) commodities and services for support of police or other law enforcement activities,
- (4) abortion equipment and services,
- (5) luxury goods and gambling equipment, or
- (6) weather modification equipment.

If AID determines that the Grantee has procured any of the ineligible goods and services specified above under this grant, and has received reimbursement for such purpose, the Grantee agrees to refund to AID the entire amount of the reimbursement.

(h) *Restricted goods.* The Grantee shall not procure any of the following goods or services without the prior written authorization of the Grant Officer:

- (1) agricultural commodities,
- (2) motor vehicles,
- (3) pharmaceuticals,
- (4) pesticides,
- (5) rubber compounding chemicals and plasticizers,
- (6) used equipment,
- (7) U.S. Government-owned excess property, or
- (8) fertilizer.

If AID determines that the Grantee has procured any of the restricted goods specified above under this grant, without the prior written authorization of the Grant Officer, and has received reimbursement for such purpose, the Grantee agrees to refund to AID the entire amount of the reimbursement.

(i) *Printed or audio-visual teaching materials.* If the effective use of printed or audio-visual teaching materials depends upon their being in the local language and if such materials are intended for technical assistance projects or activities financed by AID in whole or in part and if other funds including U.S.-owned or U.S.-controlled local currencies are not readily available to finance the procurement of such materials, local language versions may be procured from the following sources, in order of preference:

- (1) Code 000, United States,
- (2) the Cooperating Country,
- (3) Code 941, Selected Free World,
- (4) Code 899, Free World.

(j) *Ineligible suppliers:* Funds provided under this grant shall not be used to procure any commodity or

commodity-related services furnished by any supplier whose name appears on the List of Ineligible Suppliers under AID Regulation 8, "Suppliers of Commodities and Commodity-Related Services Ineligible for AID Financing (22 CFR 208). The Grantee agrees to review said list prior to undertaking any procurement the cost of which is to be reimbursable under this grant. AID will provide the Grantee with this list.

(k) *The Grantee's procurement system.* The Grantee may use its own procurement policies and procedures provided they conform to the geographic source and nationality requirements of this provision and the standards set forth in paragraph 1U of AID Handbook 13, "Grants".

11. LOCAL COST FINANCING WITH U.S. DOLLARS

(This provision is applicable whenever local cost financing has been specifically authorized in the Schedule of this grant regardless of dollar amount)

(a) Local cost financing is the use of U.S. dollars to obtain local currency for the procurement of goods and services in the Cooperating Country in furtherance of the purpose of the grant. Local cost financing must be specifically authorized in the Schedule of the grant. The amount of U.S. dollars which may be used must be specified in the authorization, together with any special restrictions on their use.

(b) Procurement of goods and services under local cost financing is subject to the following restrictions:

(1) *Ineligible goods and services*

Under no circumstances shall the Grantee procure any of the following under this grant:

- (i) military equipment,
- (ii) surveillance equipment,
- (iii) commodities and services for support of police or other law enforcement activities,
- (iv) abortion equipment and services,
- (v) luxury goods and gambling equipment, or
- (vi) weather modification equipment.

If AID determines that the Grantee has procured any of the ineligible goods and services specified above under this grant, and has received reimbursement for such purpose, the Grantee agrees to refund to AID the entire amount of the reimbursement.

(2) *Restricted goods*

The Grantee shall not procure any of the following goods or services without the prior written authorization of the Grant Officer:

- (i) agricultural commodities,
- (ii) motor vehicles,
- (iii) pharmaceuticals,

- (iv) pesticides,
- (v) rubber compounding chemicals and plasticizers,
- (vi) used equipment,
- (vii) U.S. Government-owned excess property, or
- (viii) fertilizer.

If AID determines that the Grantee has procured any of the restricted goods specified above under this grant, without the prior written authorization of the Grant Officer, and has received reimbursement for such purpose, the Grantee agrees to refund to AID the entire amount of the reimbursement.

(3) Any component from a non-free world country makes a commodity ineligible for AID financing.

(4) *Nationality*

(i) Citizens or firms of any country not included in AID Geographic Code 935 are ineligible as suppliers, contractors, subcontractors, or agents for goods and services the costs of which will be reimbursed under this grant.

(ii) Local cost financing is the use of appropriated U.S. dollars to obtain local currency for the payment for goods and services purchased in the Cooperating Country. Authorization of local cost financing makes the Cooperating Country, in addition to the United States and any other country included in the authorized geographic code for the project, an eligible source for the purchase of goods or services in the Cooperating Country. Goods or services purchased under local cost financing must be located in the Cooperating Country at the time they are purchased; they cannot be imported specifically for the project being implemented by this grant. The supplier from which goods or services are purchased under local cost financing must also be in the Cooperating Country. Suppliers of goods or services under local cost financing must meet the nationality eligibility tests prescribed in paragraph (d) of the provision of this grant entitled "Procurement of Goods and Services over \$250,000." When local cost financing has been authorized, the Cooperating Country is deemed to be included in the "authorized geographic code" for purposes of determining nationality eligibility pursuant to paragraph (d) of the provision, entitled "Procurement of Goods and Services over \$250,000."

(c) *General principles.* Under local cost financing, the Grantee shall follow sound procurement policies, utilizing competition to the maximum practical extent, obtaining the lowest available price, and documenting such procurements to justify the method used and the price established.

(d) *Procurement of goods.* In order to be eligible under local cost financing, goods are subject to the following specific requirements:

(1) *Indigenous goods.* Goods which have been mined, grown, or produced in the Cooperating Country through manufacture, processing, or assembly are eligible for local cost financing under this grant. Goods produced with imported components must result in a commercially recognized new commodity that is substantially different in basic characteristics or in purpose or utility from its components in order to qualify as indigenous; such goods may not contain components from any nonfree world country.

(2) *Imported shelf items.* Imported shelf items are goods that are normally imported and kept in stock, in the form in which imported, for sale to meet a general demand in the country for the item; they are not goods which have been specifically imported for use in an AID-financed project.

(i) Shelf items are eligible for local cost financing in unlimited quantities up to the total amount available for local cost financing if they have their source in the Cooperating Country and their origin in a country included in AID Geographic Code 941.

(ii) Shelf items having their origin in any country included in Code 899 but not in Code 941 are eligible if the price of one unit does not exceed \$5,000. For goods sold by units of quantity; e.g., tons, barrels, etc., the unit to which the local currency equivalent of \$5,000 is applied is that which is customarily used in quoting prices. The total amount of imported shelf item purchases from countries included in Code 899 but not in Code 941 may not exceed \$25,000 or 10% of the total local costs financed by AID for the project whichever is higher; however, in no case may the total amount of such purchases exceed \$250,000 without first obtaining a specific geographic source waiver.

(3) *Goods imported specifically for the project.* Goods imported specifically for the project being implemented by this grant are not eligible for local cost financing; they are subject to the requirements of the provision entitled "Procurement of Goods and Services over \$250,000."

(2) A participant is any foreign national being trained under this grant outside of his or her home country.

(c) The Grantee shall assure that enrollment shall begin immediately upon the participant's departure for the United States for the purpose of participating in a training program financed by AID and that enrollment shall continue in full force and effect until the participant returns to his/her country of origin, or is released from AID's responsibility, whichever is the sooner. If payments are not made within 30 days, a late payment charge shall apply at a percentage rate based on the current value of funds to the Treasury for each 30-day period; the full charge shall also be applicable to periods of less than 30 days. The percentage rate will be calculated by the Treasury as an average of the current value of funds to the Treasury for a recent three-month period and will be transmitted to AID in TFRM Bulletins.

The late payment charge shall be applied to any portion of the fees in arrears and be remitted together with the fees as a separately identified item on the covering memorandum.

(2) Whenever possible, fee payments for groups of several participants entering the HAC Program within the 30-day reporting period shall be consolidated and covered by a single check. Participants covered by the fee payment shall be listed individually in the covering letter, identifying each participant (the name reported must be identical to that on the HAC enrollment card), showing period of enrollment (or period of coverage for which payment is remitted if this is different from the enrollment period), fee amount paid, grant number, and U.S. Government appropriation number (as shown under the "Fiscal Data" section of the grant cover letter.)

(e) The Grantee, to the extent that it is an educational institution with a student health service program, shall also enroll all participants in their institution's student health service program. Medical costs which are covered under the institution's student health service shall not be eligible for payment under AID's HAC program. The Grantee shall provide the HAC Administrator with a copy of information showing what medical costs are covered by the institution's student health service program; medical costs that are not covered by the institution's student health service program shall be submitted to the HAC Administrator.

(f) If the Grantee has a mandatory, nonwaivable health and accident insurance program for students, the costs of such insurance will be allowable under this grant. Any claims eligible under such insurance will not be payable under AID's HAC plan or under this grant. Even though the participant is covered by the Grantee's mandatory, nonwaivable health and accident insurance program, the participant MUST be enrolled in AID's more comprehensive HAC program, and HAC payments MUST be made to AID as provided above. In addition, a copy of the mandatory insurance policy must be forwarded to the HAC Administrator.

(g) Any payments for medical costs not covered by the Grantee's student health service program, or mandatory, nonwaivable health and accident insurance program, or AID's HAC program shall be reimbursable under this grant only with specific written approval of the Grant Officer and subject to the availability of funds.

(h) The HAC Administrator, for the period February 1, 1980 through January 31, 1983, is:
Trust Fund Administrators, Inc.
1030 15th Street, NW, Suite 500
Washington, D.C. 20005.

28. USE OF POUCH FACILITIES

(a) Use of diplomatic pouch is controlled by the Department of State. The Department of State has authorized the use of pouch facilities for AID Grantees and their employees as a general policy, as detailed in items (1) through (7) below; however, the final decision regarding use of pouch facilities rests with the Embassy or AID Mission. In consideration of the use of pouch facilities as hereinafter stated, the Grantee and its employees agree to indemnify and hold harmless the Department of State and AID for loss or damage occurring in pouch transmission.

(1) Grantees and their employees are authorized use of the pouch for transmission and receipt of up to a maximum of two pounds per shipment of correspondence and documents needed in the administration of assistance programs.

(2) U.S. citizen employees are authorized use of the pouch for personal mail up to a maximum of one pound per shipment (but see (a)(3) below).

(3) Merchandise, parcels, magazines, or newspapers, are not considered to be personal mail for purposes of this clause, and are not authorized to be sent or received by pouch.

(4) Official mail pursuant to (a)(1) above, sent by pouch should be addressed as follows:

Name of individual or organization
(followed by letter symbol "C")
Name of post (USAID/_____)
Agency for International Development
Washington, D.C. 20523

(5) Personal mail pursuant to (a)(2) above should be to the address specified in (a)(4) above, but without the name of the organization.

(6) Mail sent via the diplomatic pouch may not be in violation of U.S. Postal laws and may not contain material ineligible for pouch transmission.

(7) AID Grantee personnel are *not* authorized use of military postal facilities (APO/FPO). This is an Adjutant General's decision based on existing laws and regulations governing military postal facilities and is being enforced worldwide. Posts having access to APO/FPO facilities and using such for diplomatic pouch dispatch may, however, accept official mail from Grantees and letter mail from their employees for the pouch, provided of course, adequate postage is affixed.

(b) The Grantee shall be responsible for advising its employees of this authorization and these guidelines and limitations on use of pouch facilities.

(c) Specific additional guidance on Grantee use of pouch facilities in accordance with this clause is available from the Post Communication Center at the Embassy or AID Mission.

29. U.S. OFFICIALS NOT TO BENEFIT

No member of or delegate to the U.S. Congress or resident U.S. Commissioner shall be admitted to any share or part of this grant or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this grant if made with a corporation for its general benefit.

30. COVENANT AGAINST CONTINGENT FEES

The Grantee warrants that no person or selling agency has been employed or retained to solicit or secure this grant upon an agreement or understanding for a commission, percentage, brokerage, or con-

tingent fee except bona fide employees or bona fide established commercial or selling agencies maintained by the Grantee for the purpose of securing business. For breach or violation of this warranty, AID shall have the right to cancel this grant without liability or, in its discretion, to deduct from the grant amount, or otherwise recover, the full amount of each commission, percentage, brokerage, or contingent fee.

31. NONLIABILITY

AID does not assume liability with respect to any third party claims for damages arising out of work supported by this Grant.

32. AMENDMENT

The grant may be amended by formal modifications to the basic grant document or by means of an exchange of letters between the Grant Officer and an appropriate official of the Grantee.

33. THE GRANT

The letter to the Grantee signed by the Grant Officer, the Schedule, the Program Description and the Standard Provisions which have been reviewed and agreed to by the Grantee, constitute the grant.

34. NOTICES

Any notice given by any of the parties hereunder, shall be sufficient only if in writing and delivered in person or sent by telegraph, cable, registered or regular mail as follows:

To the AID Grant Officer, at the address specified in the grant,

To Grantee, at Grantee's address shown in the grant,

or to such other address as either or such parties shall designate by notice given as herein required. Notices hereunder shall be effective when delivered in accordance with this provision, or on the effective date of the notice, whichever is later.

For each objective set forth in Attachment A - Program Description, there shall be a comparison of actual accomplishments with the goals established for the reported period. A description will also be included of activities undertaken in relation to each objective, indicating those which are new.

It is recognized that the first report will provide information on less than the first full funding period; and will necessarily be composed of actual and estimated performance and expenditures.

2. Actual plus estimated performance and expenditures for the current funding period.

3. Estimated performance and expenditures for the next succeeding funding period.

Note:

Financial data may be submitted on the SF-269, "Financial Status Report" (Otherwise required under Standard Provision 8.)

The Grantee's report will be evaluated and further funding decisions will be made on the basis of progress in carrying out the general objectives of the grant as stated in the condensed proposal incorporated herein and in the context of the detailed proposal, including revisions and supplemental documentation, submitted by the Grantee in support of the Grant. Such detailed proposal, which includes an indicative work plan and budget details, is maintained in the files of A.I.D. and may be used to clarify the intent of the grant. However, it is not incorporated by reference herein in order to permit the flexibility necessary to meet the objectives of the grant.

VII. Standard Provisions - The attached Standard Provisions (Attachment B) unless changed below are the Standard Provisions of this Strengthening Grant. They will be included in any subagreements made hereunder with U. S. institutions.

The following changes have been made in the Standard Provisions of this grant.

A. In Standard Provision 7, entitled "Refunds," delete paragraph (c) and insert in lieu thereof the following:

"(c) If at anytime during the life of this Grant, it is determined by AID that funds obligated by AID under this Grant have been expended for purposes not in accordance with the terms of the Grant, the Grantee shall restore an equivalent amount to the Grant account which shall be available for other allowable expenditures under the Grant. Amounts of AID funds disallowed which cannot be allocated to allowable costs at the expiration or termination of this Grant shall be refunded to AID."

B. In Standard Provision 14, entitled, "Subordinate Agreements" add the following new paragraph:

"The Grantee may not make subgrants to U.S. institutions that do not meet the requirements of eligibility as defined in Section 296(d) of Title XII of the Foreign Assistance Act of 1961, as amended, and as designated by BIFAD and AID (see 43 FR 37049, dated August 21, 1978)".

C. Regarding Standard Provision 5, "Travel and Transportation," payment of per diem shall be governed by the following:

For travel outside the conterminous United States, reimbursement for each per diem locality will be the average cost of lodging rounded to the next whole dollar plus 50 percent of the maximum locality rate. Total reimbursement shall not exceed the maximum per diem for each locality, unless specific approval is given in advance for actual expenses. Maximum locality rates shall be those established by the Department of Defense for non-foreign areas and by the Department of State for foreign areas.

When staff house or other free or low cost facilities are used the reduced rates indicated by footnote 1 on the per diem supplement (section 92E) to the Standardized Regulations (Government Civilian Foreign Areas) will be used directly as per diem. These low rates have already been computed on a basis similar to lodging plus and no further computation is necessary.

PROGRAM DESCRIPTION

A CONDENSED PROPOSAL FOR A MINORITY
INSTITUTION TITLE XII UNIVERSITY
STRENGTHENING GRANT

INTRODUCTION

The United States Agency for International Development (USAID) and its Title XII Program, "Freedom from Hunger and Prevention of Famine", offers to Florida A&M University (FAMU) the opportunity to strengthen and use the university's appropriate research, teaching, extension and advisory activities in an effort to provide assistance to the less developed countries (LDCs) of the world. FAMU is ideally suited to make a significant contribution to the needs of developing countries by virtue of its history and knowledge acquired through aiding low-income, uninformed and disadvantaged students and people. Indeed, many of the resulting academic programs and services now offered at FAMU can have a direct and positive bearing on the involvement of the University in less developed country activities.

The character of the present faculty is somewhat unique and certainly conducive for successful university involvement within the Title XII program. Many members are from similarly disadvantaged backgrounds, and a significant number are foreign born and raised. Additionally, several members have had continuous involvement in LDC activities. Thus, the identity of the FAMU faculty with the people and their struggles in developing countries provides a particular advantage. This identity and concern for developing foreign countries is one of the major reasons for the University's desire to aggressively seek opportunities to expand its involvement in efforts to resolve problems of hunger and poverty in the LDCs.

A. Overall Long Range Goals

There is at present no formal international agricultural development program at FAMU, and no specific administrator charged with this responsibility. However, there are several faculty members who are currently involved in agricultural programs in the LDCs, and a Center for Small Farm Development under the leadership of a director has been in operation for the past two years.

The goal of this University is to utilize the Strengthening Grant to strengthen the existing framework and enable the University to provide active and continuous assistance to the needs of LDCs as identified in the Title XII Amendment to the International Development and Food Assistance Act of 1975. The activities will focus on the development and preservation of rural resources (human and otherwise) in selected developing countries with special emphasis on small farm research, training and delivery-type programs. The geographical focus will be selected countries of Africa and the Caribbean.

B. General Areas to be Strengthened

FAMU has selected four general areas for strengthening under the Title XII Strengthening Grant Program. These are:

- i. the knowledge base and understanding of USAID programs in LDCs;
- ii. faculty, staff and administrative abilities for involvement in LDC activities;
- iii. relationships with United States Universities and universities and organizations in selected LDCs;
- iv. international library holdings and information services.

SPECIFIC OBJECTIVES AND ACTIVITIES

The specific objectives to be achieved through the Title XII Strengthening Grant Program at FAMU are:

1. Establish office of Grant Coordinator: This office will not only coordinate all grant activities but also all the agricultural development programs at the University. This will ensure that the grant will help the university to achieve the ability to achieve State support for matching funds, after the expiration of the grant.
2. Identify faculty with interest in international assistance programs in the LDCs. In addition to faculty members who already have experience in the international field, efforts will be made to identify junior faculty members and to develop their expertise in this area. Women faculty members will be specifically sought out for service in this area because of the role they could play in communicating with the women in the LDCs.

3. To stimulate, facilitate and increase the interest and involvement of faculty, staff and administrative members of the university community in LDC activities. Several methods will be utilized to achieve this objective, among which are seminars which will help to strengthen their knowledge base and understand development needs in LDCs; faculty workshops which will provide faculty with the opportunity to examine and analyze the strengths and interests in the international programs, and to produce some specific recommendations for consideration by the administrative channels of the university; lunch time seminars to orient the Florida Legislators to the proposed range of activities of the Title XII programs within the State of Florida and more specifically at FAMU.

A specific focus will be to analyze, improve and expand the core logistics support system of the university in an effort to encourage and support members of the university community to participate in LDC activities.

4. To develop faculty competence with respect to the needs of rural families in the LDCs

Cultural orientation for faculty will be provided by visiting professors with LDC experience and by foreign orientation travel in collaboration with the University of Florida, Gainesville.

Short term Consultancy and summer internships arranged through collaborative associations with other universities.

Meetings with overseas students from the LDCs and who are studying at the University.

Exposure of junior faculty who are completing their thesis research in the LDCs.

5. To provide education and training for participation in LDC programs.

Selected junior faculty will be funded for completion of their terminal degree in an international field. These faculty members will be required to spend summers in the LDCs and to complete their thesis research in the LDCs.

A language training program will be developed at FAMU with special emphasis on French. Overseas students from french-speaking countries will be involved in the planning and execution of the program.

6. The development of linkages.

Both formal and informal linkages will be established with United States universities and with international universities and research centers in the countries of special interest to FAMU.

7. Establishment of a reading room and expansion of Library holdings on International documents.

Special efforts will be made to expand the existing FAMU library to accommodate a special Title XII international division. Additionally, an international reading room in the immediate vicinity of the Title XII office will be established to facilitate easy access to relevant materials.

MANAGEMENT AND EVALUATION

The Grant will be administered through the College of Science and Technology. A Grant Coordinator assisted by a secretary will be employed full-time and will be responsible for the activities of the program, and for compilation of the annual reports.

An Advisory Board will be appointed whose main responsibility will be for the overall administration, implementation, and evaluation of the program. This Board will be made of both international faculty members and external reviewers selected from SECID, BIFAD, and AID. It is proposed to include a woman representative on this Board whose main responsibility will be to ensure that women are fully represented in all aspects of the activities of the program.

FAMU recognizes the role that women play in the development process in the LDCs, and shall make every effort to support this in their international development programs in the LDCs.

Special evaluative criteria will be drawn up for each objective and these will be closely monitored and reviewed throughout the program.

Brief Summary of Operational Characteristics of Minority Institution
Title XII University Strengthening Grants

The Grant is for a five-year term. The first obligation is for a period of activity, which may not be less than, but may exceed, 12 months according to start-up time requirements of the Grantee. This first period starts on the date of the signing of the Grant and concludes on a date to be indicated in the Grant document. Subject to the availability of funds, subsequent funding will be made annually on the basis of annual reviews. For these purposes, a report will be required six months prior to the end of each obligation period. Such report will specify accomplishments and detail expenditures for the preceding year by program budget categories. It will provide also an updated Work Plan for the remaining years of the Grant, in substantial detail for the immediately succeeding year. This report will provide the basis for an evaluation to determine that the planned activities have been carried out, to identify the progress being made in strengthening the university's capacity to work in Title XII and, among other things, to establish that the strengthening program consists of new activities at the university, as stipulated in the Grant. Decisions on the next year's funding will be based on this review and on recommendations from the BIFAD. The terms of the Grant provide for adjustment or termination of the grant as a consequence of any failures of the university to work toward the objectives or satisfy the terms of the Grant.

The Grant will normally provide up to \$500,000 for a 5-year term. The program plan may provide for year-to-year variation in expenditure levels. However, the Grant may not exceed the total of \$500,000 for the 5-year period (or an overall average annual rate of expenditure of \$100,000 per year for grants of less than five years' duration).

A.I.D., with BIFAD, will conduct an intensive review of the entire university strengthening program after two or three years to determine scope and nature of the future program. The individual university programs will similarly be evaluated intensively at that time, separately and in relation to the entire A.I.D. Title XII university strengthening program.

(b) With regard to the allowability of non-Federal cost sharing contributions under this Grant, Attachment E, "Cost Sharing and Matching", to OMB Circular No. A-110 (as set out in paragraph 1K of Handbook 13) shall also apply.

3. ACCOUNTING, AUDIT, AND RECORDS

A copy of reports of audits resulting from this system as they concern this Grant will be furnished to the Grant Officer.

(b) The AID Auditor General and the Comptroller General of the United States or their duly authorized representatives (see paragraph 16, Chapter 1 of Handbook 13) reserve the right to conduct an audit of the Grantee's books and records to determine whether the Grantee has expended AID's funds in accordance with the terms and conditions of this Grant. The Grantee agrees both to make available any further information requested by AID with respect to any questions arising as a result of the audit and to include the requirements of this provision in any subordinate agreement, including subgrants, entered into with a U.S. institution.

4. SALARIES

All salaries, wages, fees, and stipends, which will be reimbursable by AID under this Grant, shall be in accordance with both the Grantee's usual policy and practice and FMC Circular 73-8. To the extent that the Grantee's policy and practice conflict with FMC Circular 73-8, the latter shall prevail, unless the Schedule of this Grant expressly provides otherwise.

5. TRAVEL AND TRANSPORTATION

(This provision is applicable when air travel or air shipment (both domestic and international) costs are reimbursable by AID under this Grant.)

(a) Allowable costs of travel under this Grant shall be in accordance with both the policy and practice of the Grantee and FMC Circular 73-8. To the extent the Grantee's policy and practice conflict with FMC Circular 73-8, the latter shall prevail unless the Schedule of this Grant provides otherwise.

(b) The AID Grant Officer hereby approves international travel hereunder provided that the Grantee shall obtain written concurrence from the cognizant AID Project Officer prior to sending any individual outside the United States to perform work under this Grant. For this purpose the Grantee shall advise the AID Project Officer at least 30 days in advance of any travel to be undertaken outside the United States. After concurrence is received the Grantee shall provide the cognizant Mission or U.S. Embassy advance notification (with a copy to the AID Project Officer) of the arrival date and flight identification of AID financed travellers.

(c) Travel to certain countries shall, at AID's option, be funded from U.S.-owned local currency. When AID intends to exercise this option, it will so notify the Grantee after receipt of advice of intent to travel required above. AID will issue a Government Transportation Request (GTR) which the Grantee may exchange for tickets, or AID will issue the tickets directly. Use of such U.S.-owned currencies will constitute a dollar charge to this Grant.

(d) All international air travel and all international air shipments under this Grant shall be made on United States flag carriers. Exceptions to this rule will be allowed in the following situations, provided that the Grantee certifies to the facts in the voucher and other documents retained as part of the Grant records required by Standard Provision 3 above:

(1) where the traveler, while enroute, has to wait 6 hours or more to transfer to a U.S. flag air carrier to proceed to the intended destination, or

(2) where a flight by a U.S. flag air carrier is interrupted by a stop anticipated to be 6 hours or more for refueling, reloading, repairs, etc. and no other flight by a U.S. flag air carrier is available during the 6 hour period, or

(3) where by itself or in combination with other U.S. flag or non-U.S. flag air carriers (if U.S. flag air carriers are "unavailable") it takes 12 hours or longer from the original airport to the destination airport to accomplish the Grantee's program than would service by a non-U.S. flag air carrier or carriers, or

(4) when the elapsed travel time on a scheduled flight from

origin to destination airports by non-U.S. flag air carrier(s) is 3 hours or less, and services by U.S. flag air carrier(s) would involve twice such travel time.

NOTE: Where U.S. Government funds are used to reimburse Grantee's use of other than U.S. flag air carriers for international transportation, the Grantee will include a certification on vouchers involving such transportation which is essentially as follows:

CERTIFICATION OF UNAVAILABILITY OF U.S. FLAG AIR CARRIERS
I hereby certify that the transportation service for personnel (and their personal effects) or property by U.S. flag air carriers was unavailable for the following reason(s): (State appropriate reason(s) as set forth above; see 41 CFR 1-1.323-3 for further guidance).

(e) Travel allowances shall be reimbursed in accordance with FMC Circular 73-8 and the Federal Travel Regulations (FTR); however, if the Grantee's domestic and international travel allowance policies and procedures have been reviewed and approved by AID or another Federal department or agency pursuant to the applicable Federal cost principles, the Grantee may use its travel allowance system in lieu of the FTRs after it has furnished the AID Grant Officer with a copy of such approval.

(f) 50% of all international ocean shipment made by the Grantee, to be financed hereunder, shall be made on U.S. flag vessels. Where U.S. flag vessels are not available, or their use would result in a significant delay, the Grantee may request a release from this requirement from the Transportation Support Division, Office of Commodity Management, AID, Washington, D.C. 20523, giving the basis for the request.

(i) When the AID Transportation Support Division makes and issues a determination to the Grantee that U.S. flag vessels are not available, the ocean shipment costs on foreign flag vessels, as named in the determination, will be eligible for reimbursement under the Grant. In all instances Grantee vouchers submitted for reimbursement under the Grant which include ocean shipment costs will include a certification essentially as follows: "I hereby certify that a copy of each ocean bill of lading concerned has been submitted to the Maritime Administration, Cargo Preference Control Center, Commerce Building, Washington, D.C. 20235, and that such bill(s) of lading state all of the carrier's charges including the basis for calculation such as weight or cubic measurement, and indicate the applicable A.I.D. Grant Number."

(ii) Shipments by voluntary non-profit relief agencies (i.e.,

PVO's) shall be governed by paragraphs (a) and (b) above and by AID Regulation 2, "Overseas Shipments of Supplies by Voluntary Non-Profit Relief Agencies" (22 CFR 202).

6. PROCUREMENT OF GOODS AND SERVICES UNDER \$250,000

(This provision is applicable when the total procurement element, i.e., the sum of all purchase orders and contracts for goods and services, of this Grant does not exceed \$250,000.)

(a) Ineligible Goods and Services

Under no circumstances shall the Grantee use AID funds to procure any of the following under this Grant:

- (1) military equipment,
- (2) surveillance equipment,
- (3) commodities and services for support of police or other law enforcement activities,
- (4) abortion equipment and services,
- (5) luxury goods and gambling equipment, or
- (6) weather modification equipment.

(For a more detailed discussion of the subject, see AID Handbook 1, Supplement B, Chapter 4D.)

If AID determines that the Grantee has procured any of the ineligible goods and services specified above under this Grant, and has received reimbursement from AID for such purpose, the Grantee agrees to refund to AID the entire amount of the purchase.

(b) Restricted Goods

The Grantee shall not use AID funds to procure any of the following goods or services from a non-U.S. source (i.e., other than AID Geographic Code 000) without the prior written authorization of the AID Grant Officer:

- (1) agricultural commodities,
- (2) motor vehicles,
- (3) pharmaceuticals,
- (4) pesticides,
- (5) plasticizers,
- (6) used equipment, or
- (7) U.S. Government-owned excess property.

(In addition to the foregoing rule regarding source, to be eligible for procurement with AID funds, the above commodities must meet the requirements contained in AID Handbook 1, Supplement B, Chapter 4C.)

If AID determines that the Grantee has procured any of the restricted goods specified above under this Grant from non-U.S. sources without the prior written authorization of the AID Grant Officer and has received reimbursement from AID for such purpose, the Grantee agrees to refund to AID the entire amount of the purchase.

(c) Geographic Source and Order of Preference

Except as may be specifically approved or directed in advance by the AID Grant Officer under paragraph 7(b) above, all other goods (e.g., equipment, materials and supplies) and services, the costs of which are to be reimbursed under this Grant by AID and which will be financed with United States dollars, shall be purchased in and shipped from only "Special Free World" countries (i.e., AID Geographic Code 935) in accordance with the following order of preference:

- (1) the United States (AID Geographic Code 000),
- (2) "Selected Free World" countries (AID Geographic Code 941),
- (3) the Cooperating Country,
- (4) "Special Free World" countries (AID Geographic Code 935).

(d) Application of Order of Preference

When the Grantee uses AID funds to procure goods and services from other than U.S. sources under the order of preference in 7(c) above, it shall document its files to justify each such instance. The documentation shall set forth the circumstances surrounding the procurement and shall be based on one or more of the following reasons, which will be set forth in the Grantee's documentation:

- (1) the procurement was of an emergency nature, which would not allow the delay attendant to soliciting U.S. sources,
- (2) the price differential for procurement from U.S. sources exceeded by 50% or more the delivered price from the non-U.S. source,
- (3) impelling local political considerations precluded consideration of U.S. sources,
- (4) the goods or services were not available from U.S. sources, or
- (5) procurement of locally available goods or services as opposed to procurement of U.S. goods and services, would best promote the objectives of the Foreign Assistance Program under this Grant.

(e) The Grantee's Procurement System

- (1) The Grantee may use its own procurement policies and

procedures provided they conform to the geographic source and order of preference requirements of this provision and paragraphs 3 and 4, Attachment 0 of OMB Circular No. A-110 (as set forth in paragraphs 1U.3 and 1U.4 of Handbook 13).

(2) If the Grantee's procurement policies and procedures have been reviewed against the procurement requirements of paragraphs 3 and 4 of Attachment 0 to OMB Circular No. A-110, (as set forth in paragraphs 1U.3 and 1U.4 of Handbook 13) and have been approved by AID or another Federal department or agency, the Grantee shall furnish the AID Grant Officer a copy of such approval; otherwise the Grantee's procurement policies and procedures shall conform to the specified requirements of OMB Circular No. A-110. (See Handbook 13, Chapter 1, paragraph 1U.)

(f) Procurement Systems - Subgrantees and Contractors

(1) U.S. subgrantees and contractors may use their own procurement policies and procedures provided the Grantee determines that they comply with the intent of paragraph 3 and the requirements of paragraph 4 of Attachment 0 to OMB Circular A-110 (as set forth in paragraphs 1U.3 and 1U.4 of Handbook 13).

(2) Non-U.S. subgrantees and contractors, who are located abroad and who do not perform in the U.S. under this Grant, may use their own procurement policies and procedures provided that the Grantee determines that they comply with the intent of paragraph 3 of Attachment 0 to FMC Circular No. 73-8 (as set forth in paragraph 1U.3 of Handbook 13); Paragraph 4 of Attachment 0 to OMB Circular No. A-110 (as set forth in paragraph 1U.4 of Handbook 13) does not apply to such non-U.S. institutions.

(g) Small Business

To permit AID, in accordance with the small business provision of the Foreign Assistance Act of 1961, as amended, to give United States small business firms an opportunity to participate in supplying commodities and services procured under this Grant, the Grantee shall, to the maximum extent possible, provide the following information to the Small Business Office, AID, Washington, D.C. 20523 at least 45 days prior (except where a shorter time is requested of, and granted by the Small Business Office) to placing any order or contract in excess of \$25,000:

- (1) brief general description and quantity of goods or services,
- (2) closing date for receiving quotations, proposals, or bids, and
- (3) address where invitations or specifications can be obtained.

(h) Ineligible*Suppliers

AID funds provided under this Grant shall not be used to procure any commodity or commodity-related services furnished by any supplier whose name appears on the List of Ineligible Suppliers under AID Regulation 8, Suppliers of Commodities and Commodity-Related Services Ineligible for AID Financing (22 CFR 208). The Grantee agrees to review said list prior to undertaking any procurement the cost of which is to be reimbursable by AID under this Grant. AID will provide the Grantee with this list.

7. REFUNDS

(a) If use of AID funds results in accrual of interest to the Grantee or to any other person or entity to whom Grantee makes such funds available in carrying out the purposes of this Grant, the Grantee shall refund to AID an amount equivalent to the amount of interest accrued.

(b) Funds obligated hereunder but not disbursed to the Grantee at the time this Grant expires or is terminated, shall revert to AID, except for funds encumbered by the Grantee by a legally binding transaction applicable to this Grant. Any funds disbursed to but not expended by the Grantee at the time of expiration or termination of this Grant shall be refunded to AID.

(c) If, at any time, during the life of this Grant, it is determined by AID that funds provided under this Grant have been expended for purposes not in accordance with the terms of this Grant, the Grantee shall refund such amounts to AID.

8A. PAYMENT - FEDERAL RESERVE LETTER OF CREDIT (FRLC) ADVANCE

(This provision is applicable when the total advances under all the Grantee's cost-reimbursement contracts and assistance instruments with AID exceed \$120,000 per annum and AID has, or expects to have a continuing relationship with the Grantee of at least one year.)

(a) AID shall open a Federal Reserve Letter of Credit (hereinafter referred to as an "FRLC") in the amount of this Grant against which the Grantee may present payment vouchers (i.e., Form TFS 5401). The payment vouchers shall not ordinarily be submitted more frequently than daily and shall not be less than \$5,000 or more than \$5,000,000. Since the FRLC method enables the Grantee to obtain funds from the U.S. Treasury concurrently with and as frequently as disbursements are made by the Grantee, there need be no time lag between disbursements by the Grantee and drawdowns from the U.S. Treasury by FRLC. Therefore, there is no necessity for the Grantee to maintain balances of Federal cash other than small

balances.

(b) In no event shall the accumulated total of all such payment vouchers exceed the amount of the FRLC.

(c) If at any time, the AID Controller determines that the Grantee has presented payment vouchers in excess of the amount or amounts allowable in (a) and (b) above, the AID Controller shall advise the AID Grant Officer who may: (1) cause the FRLC to be suspended or revoked; (2) direct the Grantee to withhold submission of payment vouchers until such time as, in the judgment of the AID Controller, an appropriate level of actual, necessary and allowable expenditures has occurred or will occur under this Grant, and/or (3) request the Grantee to repay to AID the amount of such excess. Upon receipt of the AID Grant Officer's request for repayment of excess advance payments, the Grantee shall promptly contact the AID Controller to make suitable arrangements for the repayment of such excess funds. Advances made by primary Grantees (those which receive payments directly from the Government) to secondary recipients shall conform to the same standards applicable to advances made by the Government to the primary Grantee.

(d) Procedure for Grantee.

(1) After arranging with a commercial bank of its choice for operation under the FRLC and obtaining the name and address of the Federal Reserve Bank or branch serving its commercial bank, the Grantee shall deliver to the AID Controller 3 originals of Standard Form 1194, Authorized Signature Card for Payment Vouchers on Letters of Credit, signed by those official(s) authorized to sign payment vouchers against the FRLC and by an official of the Grantee who has authorized them to sign.

(2) The Grantee shall subsequently receive one certified copy of the FRLC.

(3) The Grantee shall confirm with its commercial bank that the FRLC has been opened and is available when funds are needed.

(4) To receive payment, the Grantee shall:

(A) Periodically, although normally not during the last five days of the month, prepare payment vouchers (Form TFS 5401) in an original and three copies.

(B) Have the original and two copies of the voucher signed by the authorized official(s) whose signature(s) appear on the Standard Form 1194.

(C) Present the original, duplicate and triplicate copy of the Form TFS 5401 to its commercial bank.

(D) Retain the quadruplicate copy of the voucher.

(5) After the first payment voucher (Form TFS 5401) has been processed, succeeding payment vouchers shall not be presented until the existing balance of previous payments has been expended or is insufficient to meet current needs.

(6) In preparing the payment voucher, the Grantee assigns a voucher number in numerical sequence beginning with 1 and

continuing in sequence on all subsequent payment vouchers submitted under the FRLC.

(7) A report of expenditures (i.e., SF 269, Financial Status Report) shall be prepared and submitted not less than quarterly within 30 days of the end of the period to the AID Controller, AID, Washington, D.C. 20523. This SF 269 Report, submitted with Standard Form 1034, Public Voucher for Purchases and Services Other Than Personal, shall be in an original and 2 copies.

(8) The SF 269 report is reviewed against this Grant's provisions, and any improper disbursement is disallowed. The Grantee is notified of the reason for the disallowance and is directed to adjust the next periodic report of expenditures to reflect the disallowance and to reduce its next payment voucher against the FRLC by the amount of the disallowance.

(9) In addition to the submission of the SF 269 and the SF 1034, the Grantee shall submit an original and 2 copies of SF 272, Federal Cash Transaction Report, as follows:

(A) For advances totaling less than \$1 million per year, the Grantee shall submit the SF 272 within 15 working days after the end of the reporting quarter.

(B) For advances totaling more than \$1 million per year, the Grantee shall submit the SF 272 within 15 working days after the end of each month, and

(C) The Grantee's cash needs for the ensuing period (i.e., quarter or month) shall be explained under the "Remarks" section of the SF 272.

(e) Refund of Excess Funds.

(1) If all costs have been settled under the Grant and the Grantee fails to comply with the AID Grant Officer's request for repayment of excess FRLC funds, the Government shall have the right, on other contracts or assistance instruments held with the Grantee, to withhold reimbursements due to the Grantee in the amount of the excess being held by the Grantee.

(2) If the Grantee is still holding excess FRLC funds on a contract or an assistance instrument under which work has been completed or terminated but all costs have not been settled, the Grantee agrees to:

(A) Provide within 30 days after requested to do so by the AID Grant Officer, a breakdown of the dollar amounts which have not been settled between the Government and the Grantee. (The AID Grant Officer will assume no costs are in dispute if the Grantee fails to reply within 30 days.)

(B) Upon written request of the AID Grant Officer, return to the Government the sum of dollars, if any, which represents the difference between (i) the Grantee's maximum position on claimed costs which have not been reimbursed and (ii) the total amount of unexpended funds which have been advanced under this Grant; and

(C) If the Grantee fails to comply with the AID Grant

Officer's request for repayment of excess FRLC funds, the Government shall have the right, on other contracts or assistance instruments held with the Grantee, to withhold payment of FRLC or other advances and/or withhold reimbursements due the Grantee in the amount of the excess being held by the Grantee:

8B. PAYMENT - PERIODIC ADVANCE

(This provision is applicable when total advances under all the Grantee's cost-reimbursement contracts and assistance instruments with AID do not exceed \$120,000 per annum or if total advances aggregate more than \$120,000 per annum but there is not a continuing relationship of at least one year.)

(a) Each month (or quarter, if the Grantee is on a quarterly basis) after the initial advance, the Grantee shall submit to the AID Controller an original and 2 copies of SF 272, Federal Cash Transaction Report, as follows:

(1) The Grantee shall submit the SF 272 within 15 working days after the end of the reporting period, and

(2) The Grantee's cash needs for the ensuing period (i.e., quarter or month) shall be explained under the "Remarks" section of the SF 272.

(b) Along with each SF 272 submission, the Grantee shall submit an original and 3 copies of SF 1034, Public Voucher for Purchases and Services Other Than Personal, each voucher shall be identified by this Grant number and shall state the total actual expenditures for the reporting period.

(c) Each quarterly voucher (i.e., SF 1034) or third monthly voucher, if the Grantee is on a monthly basis, shall also be supported by an original and 2 copies of an SF 269, Financial Status Report. The SF 269 shall be submitted within 30 days after the end of the reporting quarter and may be submitted separately from the SF 1034 and the SF 272; however, the SF 269 shall cover the same period as the SF 1034(s) and the SF 272(s).

(d) Refund of Excess Funds.

(1) If all costs have been settled under this Grant and the Grantee fails to comply with the AID Grant Officer's request for repayment of excess advance funds, the Government shall have the right, on other contracts or assistance instruments held with the Grantee, to withhold reimbursements due to the Grantee in the amount of the excess being held by the Grantee.

2) If the Grantee is still holding excess advance funds on a contract or assistance instrument under which the work has been completed or terminated but all costs have not been settled, the Grantee agrees to;

(A) Provide within 30 days after requested to do so by the AID Grant Officer, a breakdown of the dollar amounts which have not been settled between the Government and the Grantee. (The AID Grant Officer will assume no costs are in dispute if the Grantee fails to reply within 30 days.)

(B) Upon written request of the AID Grant Officer, return to the Government the sum of dollars, if any, which represents the difference between (i) the Grantee's maximum position on claimed costs which have not been reimbursed and (ii) the total amount of unexpended funds which have been advanced under this Grant; and

(C) If the Grantee fails to comply with the AID Grant Officer's request for repayment of excess advance funds, the Government shall have the right, on other contracts or assistance instruments held with the Grantee, to withhold payment of other advances and/or withhold reimbursements due the Grantee in the amount of the excess being held by the Grantee.

9. LIMITATION OF FUNDS

(This provision is applicable to all incrementally or partially funded Grants.)

(a) It is estimated that the cost to the Government for the performance of this Grant will not exceed the estimated cost set forth in the Schedule of this Grant and the Grantee agrees to use its best efforts to carry out the program specified in the Schedule and all obligations under this Grant within such estimated cost.

(b) The amount presently available for payment and allotted to this Grant, the items covered thereby, and the period of performance which it is estimated the allotted amount will cover, are specified in the Schedule. It is contemplated that from time to time additional funds will be allotted to this Grant up to the full estimated cost set forth in the Schedule. The Grantee agrees to carry out, or have carried out, the program under this Grant up to the point at which the total amount paid and payable by the Government pursuant to the terms of this Grant approximates but does not exceed the total amount actually allotted to this Grant.

(c) (1) If at any time the Grantee has reason to believe that the costs which it expects to incur in carrying out the program of this Grant in the next succeeding 60 days, when added to all costs previously incurred, will exceed 75 percent of the total amount then allotted to this Grant, the Grantee shall notify the AID Grant Officer in writing to that effect. The notice shall state the estimated amount of additional funds required to continue the program for the period set forth in the Schedule. (2) Sixty days prior to the end of the period specified in the Schedule, the Grantee will advise the AID Grant Officer in writing as to the estimated amount of additional funds, if any, that will be required for the timely carrying out of the program under this Grant or for such further period as may be specified in the Schedule or otherwise agreed to by the parties. (3) If, after

notification, pursuant to (c)(1) or (c)(2), above additional funds are not allotted by the end of the period set forth in the Schedule or an agreed date substituted therefor, the AID Grant Officer will, upon written request by the Grantee, terminate this Grant pursuant to the provisions of the TERMINATION provision on such date. If the Grantee, in the exercise of its reasonable judgment, estimates that the funds available will allow it to continue to discharge its obligation hereunder for a period extending beyond such date, it shall specify the later date in its request and the AID Grant Officer, in his discretion, may terminate this Grant on that later date.

(d) Except as required by other provisions of this Grant, specifically citing and stated to be an exception from this provision, the Government shall not be obligated to reimburse the Grantee for costs incurred in excess of the total amount from time to time allotted to this Grant, and the Grantee shall not be obligated to continue carrying out the program under this Grant (including actions under the TERMINATION provision) or otherwise to incur costs in excess of the amount allotted to this Grant, unless and until the AID Grant Officer has notified the Grantee in writing that such allotted amount has been increased and has specified in such notice an increased amount constituting the total amount then allotted to this Grant. To the extent the amount allotted exceeds the estimated cost set forth in the Schedule, such estimated cost shall be correspondingly increased. No notice, communication or representation in any other form or from any person other than the AID Grant Officer shall affect the amount allotted to this Grant. In the absence of the specified notice, the Government shall not be obligated to reimburse the Grantee for any costs in excess of the total amount then allotted to this Grant, whether those excess costs were incurred during the course of this Grant or as result of termination. When and to the extent that the amount allotted to this Grant has been increased, any costs incurred by the Grantee in excess of the amount previously allotted shall be allowable to the same extent as if such costs had been incurred after such increase in the amount allotted, unless the AID Grant Officer issues a termination or other notice and directs that the increase is solely for the purpose of covering termination or other specified expenses.

10. USE OF FOREIGN CURRENCY

(a) Whenever the Grantee has a need to convert U.S. dollars into local currencies, such conversion shall be made through the U.S. Disbursing Officer. If the Disbursing Officer is unable to effect such conversion, the Grantee is free to use the facilities of any accredited financial institution.

(b) All expenditures of the Grantee in excess or near-excess currency countries, including per diem (subsistence) expenses, which will be reimbursable by AID under this Grant, shall be funded from U.S. owned foreign currencies, unless otherwise authorized in writing by the AID Grant Officer.

11. GRANT AMENDMENTS

This Grant may be amended by formal written modifications to the basic document. Amendments may be proposed by either party to this Grant; however, they must be acceptable to both parties before they become effective and binding.

12. DISPUTES

(a) Except as otherwise provided in this Grant, any dispute concerning a question of fact arising under this Grant which is not disposed of by agreement shall be decided by the AID Grant Officer, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to the Grantee. The decision of the AID Grant Officer shall be final and conclusive unless within thirty (30) days from the date of receipt of such copy, the Grantee mails or otherwise furnishes to the AID Grant Officer a written appeal addressed to the Administrator, Agency for International Development, Washington, D.C. 20523. The decision of the Administrator or his duly authorized representative for the determination of such appeals shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith or not supported by substantial evidence. In connection with any appeal proceeding under this provision, the Grantee shall be afforded an opportunity to be heard and to offer evidence in support of its appeal.

(b) This DISPUTES provision does not preclude consideration of law questions in connection with decisions provided for in paragraph (a) above; provided that nothing in this Grant shall be construed as making final the decision of any administrative official, representative, or board on a question of law.

13. TERMINATION

(a) For Cause. This Grant may be terminated for cause at any time, in whole or in part, by the AID Grant Officer upon written notice to the Grantee, whenever it is determined that the Grantee has failed to comply with the conditions of the grant.

(b) For Convenience. This Grant may be terminated for

convenience at any time by either party, in whole or in part, if both parties agree that the continuation of this Grant would not produce beneficial results commensurate with the further expenditures of funds. Both parties shall agree upon termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated. The agreement to terminate shall be set forth in a letter from the AID Grant Officer to the Grantee.

(c) Termination Procedures. Upon receipt of and in accordance with a termination notice as specified in either paragraph (a) or (b) above, the Grantee shall forthwith take immediate action to minimize all expenditures and obligations financed by this Grant, and shall cancel such unliquidated obligations whenever possible. Except as provided below, no further reimbursement shall be made after the effective date of termination, and the Grantee shall, within 30 calendar days after the effective date of such termination, repay to the Government all unexpended portions of funds theretofore paid by the Government to the Grantee which are not otherwise obligated by a legally binding transaction applicable to this Grant. Should the funds paid by the Government to the Grantee prior to the effective date of the termination of this Grant, be insufficient to cover the Grantee's obligations pursuant to the aforementioned legally binding transactions, the Grantee may submit to the Government within 90 calendar days after the effective date of such termination, a written claim covering such obligations, and subject to the limitations contained in this Grant, the AID Grant Officer shall determine the amount or amounts to be paid by the Government to the Grantee under such claim in accordance with the applicable Federal cost principles.

14. SUBORDINATE AGREEMENTS

The placement of subordinate agreements (e.g., leases, options, agreements, or contracts) with other organizations, firms or institutions and the provisions of such subordinate agreements are subject to prior written consent of the AID Grant Officer if they will be funded by AID hereunder, unless the Grantee's procurement system has been reviewed and approved pursuant to the appropriate section(s) of Paragraph 1U of Chapter 1, Handbook 13. In no event shall any such subordinate agreement be on a cost-plus-a-percentage-of-cost basis. Subordinate contractors (including suppliers) shall be selected on a competitive basis to the maximum practicable extent consistent with the obligations and requirements of this Grant.

15. PUBLICATIONS

(This provision is applicable to any agreement which

produces any book, publication, or other copyrightable material.)

(a) If it is the Grantee's intention to identify AID's contribution to any publication resulting from this Grant, the Grantee shall consult AID on the nature of the acknowledgement prior to publication.

(b) The Grantee shall provide the AID Project Manager with one copy of all published works developed under this Grant. The Grantee shall provide the AID Project Manager with lists of other written work produced under this Grant.

(c) In the event these Grant funds are used to underwrite the cost of publishing, in lieu of the publisher assuming this cost as is the normal practice, any profits or royalties up to the amount of such cost shall be credited to this Grant.

(d) The Grantee is permitted to secure copyright to any publication produced or composed under this Grant in accordance with paragraph 1T8.b. of Chapter 1, Handbook 13; Provided, that the Grantee agrees to and does hereby grant to the Government a royalty-free, non-exclusive and irrevocable license throughout the world to use, duplicate, disclose, or dispose of such publications in any manner and for any purpose and to authorize others to use the work for Government purposes.

16. PATENTS

(This provision is applicable to any Grant which produces patentable items, patent rights, processes or inventions.)

(a) The Grantee agrees to notify the AID Grant Officer in writing of any invention or discovery conceived or first actually reduced to practice in the course of or under this Grant. The AID Grant Officer will determine the patent rights to be afforded the Grantee in accordance with the Presidential Memorandum and Statement of Government Patent Policy (36 FR 16889) and paragraph 1T8.a. of Chapter 1, Handbook 13.

(b) Nothing contained in this provision shall imply a license to the Government under any patent or be construed as affecting the scope of any license or other right otherwise granted to the Government under any patent.

17. INELIGIBLE COUNTRIES

Unless otherwise approved by the AID Grant Officer, no AID funds will be expended for costs incurred in countries ineligible for assistance under the Foreign Assistance Act of 1961, as amended, or under acts appropriating funds for foreign assistance.

18. EQUAL OPPORTUNITY IN EMPLOYMENT

(This provision is applicable to all Grantees, subrecipients and contractors under this Grant who either perform work in the United States or who recruit personnel in the United States to do work abroad.)

(a) With respect to the employment of persons in the U.S. under this Grant, the Grantee agrees to take all reasonable steps to ensure equality of opportunity in its employment practices without regard to race, color or national origin of such persons and, in accordance with Title VI of the Civil Rights Act of 1964, when work funded by this Grant is performed in the U.S., no person shall, on the grounds of race, color or national origin, be excluded from participation, be denied benefits, or be subjected to discrimination. In addition, the Grantee agrees to comply, in accordance with its written assurance of compliance, with the provisions of Part 209 of Chapter 11, Title 22 of the Code of Federal Regulations, entitled Non-discrimination in Federally Assisted Programs of the Agency for International Development - Effectuation of Title VI of the Civil Rights Act of 1964.

(b) In addition, the Grantee agrees to take all reasonable steps to ensure equality of opportunity in its employment practices without regard to sex, religion, age, and handicap, in accordance with P.L. 92-261, P.L. 93-259, P.L. 93-112 and P.L. 93-508. When work funded by AID under this Grant is performed in either the U.S. or overseas, no person shall on the grounds of sex, religion, age, or handicap, be excluded from participation, be denied benefits, or be subjected to discrimination.

19. U.S. OFFICIALS NOT TO BENEFIT

No member of or delegate to the U.S. Congress or resident U.S. commissioner shall be admitted to any share or part of this Grant or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this Grant, if made with a corporation for its general benefit.

20. COVENANT AGAINST CONTINGENT FEES

The Grantee warrants that no person or selling agency has been employed or retained to solicit or secure this Grant upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee except bona fide employees or bona fide established commercial or selling agencies maintained by the Grantee for the purpose of securing business. For breach or violation of this warranty, AID shall have the right to cancel this Grant without liability, or in its discretion, to deduct from the Grant an amount, or otherwise recover, the full amount of each

commission, percentage, brokerage, or contingent fee.

21. NONLIABILITY

AID assumes no liability with respect to any third party for any claims for damages arising out of the program supported by this Grant.

22. TITLE TO, USE, AND CARE OF PROPERTY

(a) The term "property" as used in this provision shall mean Grantee purchased property the cost of which is reimbursed by AID under this Grant. The term "non-expendable property" means property which is complete in itself; does not lose its identity or become a component part of another article when put into use; is durable, with an expected service life of two years or more.

(b) The Schedule of this Grant shall specify (or the AID Grant Officer may direct) that title to specific property shall be vested in the Grantee, or in the Cooperating Country. When title is to be vested in the Grantee, paragraph (c) of this provision is applicable. When title is to be vested in the Cooperating Country, paragraph (d) of this provision is applicable. If specific direction regarding placement of title is not provided either in the Schedule of this Grant, or by the AID Grant Officer, then title shall be vested in the Grantee, and paragraph (c) of this provision is applicable.

(c) Grantee Titled Property.

(1) The Grantee shall not charge for any depreciation, amortization, or use of property, title to which remains in the Grantee under this Grant, or any other U.S. Government agreement, subagreement, contract, or subcontract.

(2) The Grantee agrees to use and maintain the property for the purpose of this Grant in accordance with the requirements of paragraph 1T of Chapter 1, Handbook 13.

(3) With respect to nonexpendable property having an acquisition cost of \$1,000 or more, title to which vests in the Grantee, the Grantee agrees:

(i) To report such items to the AID Grant Officer from time to time as they are acquired and to maintain a control system which will permit their ready identification and location.

(ii) To transfer title to any such items in accordance with any written request therefor issued by the AID Grant Officer at any time prior to final payment under this Grant.

(d) Cooperating Country Titled Property.

(1) Property titled to the Cooperating Country shall be under the custody and control of the Grantee until the owner of title directs otherwise, or completion of work under this Grant, or its termination, at which time custody and control shall be turned over to the owner of title, or disposed of in

accordance with its instructions. All performance guarantees and warranties obtained from suppliers shall be taken in the name of the title owner.

(2) The Grantee shall prepare and establish a program to be approved by the Mission, for the receipt, use, maintenance, protection, custody, and care of the Cooperating Country titled property for which it has custodial responsibility, including the establishment of reasonable controls to enforce such program. The Grantee shall be guided by the requirements of paragraph 1T of Chapter 1, Handbook 13.

(3) Within 90 days after completion of this Grant, or at such other date as may be fixed by the AID Grant Officer, the Grantee shall submit an inventory schedule covering all items of property under its custody, title to which is in the Cooperating Country or public or private agency designated by the Cooperating Country, which have not been consumed in the performance of this Grant. The Grantee shall also indicate what disposition has been made of such property.

23. AUDIT AND RECORDS - NON U.S. SUBGRANTEES AND CONTRACTORS

(1) The Grantee shall require non U.S. subgrantees and non U.S. contractors (see paragraph L3, Chapter 1 of Handbook 13) to maintain books, records, documents and other evidence and accounting procedures and practices sufficient to reflect properly that funds provided by the Grantee were expended exclusively for the purposes of the subordinate agreement. Such records shall be maintained for three years following the expiration of the subordinate agreement.

(2) The Grantee shall ensure that, after each twelve months of a subordinate agreement with a non-U.S. institution, an audit is conducted on the subgrantees and/or contractors's records by an independent public accountant with a national certification similar or equivalent to a certified public accountant. If the Grantee determines that an audit is not possible or feasible it shall submit to the AID Grant Officer the reasons why such an audit is not possible or feasible, and present for the approval of the AID Grant Officer, alternatives which will achieve the objectives, set forth in this provision. The Grantee shall include in each subordinate agreement hereunder, a provision by which the Grantee asserts the right to audit if the independent audit does not take place or is unacceptable. The subordinate agreement shall also require that the subgrantees and contractors shall make available any further information as requested by the Grantee with respect to questions concerning the audit. The report of independent audit shall be submitted to the Grantee and retained by it in accordance with the standard provision entitled ACCOUNTING, AUDIT AND RECORDS.

(3) The purpose of the independent audit shall be to determine the propriety and necessity of the subrecipient's expenditures in terms of the purposes for which the funds were made available, and the adequacy of the subrecipient's financial management. Notwithstanding the requirement for an independent audit, the AID Auditor General and the Comptroller General of the United States or their duly authorized representatives (see paragraph 16, Chapter 1 of Handbook 13) reserve the right to conduct an audit of the subrecipient's books and records to determine whether the subrecipient has expended AID's funds in accordance with the terms of this Grant. The terms of this Provision are applicable only to subordinate agreements with non-U.S. institutions.

24. REGULATIONS GOVERNING EMPLOYEES OUTSIDE THE UNITED STATES

(This provision is applicable only to the Grantee's U.S. or third country national employees; it is not applicable to the Grantee's cooperating country national employees.)

(a) The Grantee's employees, when employed in work overseas, shall maintain private status and may not rely on local U.S. Government Offices or facilities for support while so engaged.

(b) The sale of personal property or automobiles by Grantee employees and their dependents in the foreign country to which they are assigned shall be subject to the same limitations and prohibitions which apply to direct-hire AID personnel employed by the Mission, except as this may conflict with host government regulations.

(c) Other than work to be performed under this Grant for which an employee or consultant is assigned by the Grantee, no regular or short term employee or consultant of the Grantee shall engage directly or indirectly, either in his own name or in the name or through an agency of another person, in any business, profession, or occupation in the foreign countries to which he is assigned, nor shall he make loans or investments to or in any business, profession or occupation in the foreign countries to which he is assigned.

(d) The Grantee's employees, while in a foreign country, are expected to show respect for its conventions, customs, and institutions, to abide by its applicable laws and regulations, and not to interfere in its internal political affairs.

(e) In the event the conduct of any Grantee employee is not in accordance with the preceding paragraphs, the Grantee's chief of party shall consult with the Mission Director and the employee involved and shall recommend to the Grantee a course of action with regard to such employee.

(f) The parties recognize the right of the U.S. Ambassador to direct the removal from a country of any U.S. citizen or the discharge from this Grant of any third country national when, in the discretion of the Ambassador, the interests of the United States so require.

25. NOTICES
