APPENDIX A

SPECIAL PROVISIONS

ARTICLE I - PURPOSE OF THE GRANT

1. Under Section 214 of the Foreign Assistance Act of 1961, as amended, assistance is authorized to hospital centers outside the United States, founded or sponsored by United States citizens and serving as demonstration centers for ideas and practices of the United States.

2. The Grantee, a non-profit corporation established under the laws of the State of Texas, conducts charitable work in the United States and Mexico. Grantee's relationship with the American British Cowdray Hospital dates from the 1960s when it was instrumental in raising funds to construct the present Hospital.

3. The Hospital was established by Americans in 1886 and merged with the British Cowdray Sanitarium to become the present institution in 1941. The Hospital provides a wide range of inpatient medical and surgical services, including 24-hour emergency services. Its MacKenzie Clinic offers low cost or free care to the economically disadvantaged. The Hospital operates a school of nursing and a school of physical therapy, the only one of its kind in Mexico. Recent affiliation with the Baylor University Medical Center in Texas is helping the Hospital to adapt to Mexican needs American practices which can strengthen the Hospital's medical and educational programs.

4. In 1983, the hospital initiated a capital fund raising program to renovate and re-equip its existing facilities and to build a new wing to improve its preventive medicine, diagnostic, ambulatory surgery and ancillary services.

5. For Fiscal Year 1984, the Grantee has requested assistance toward the construction of a new medical wing. A.I.D. has determined that \$1,000,000 should be provided for this purpose on a matching basis.

ARTICLE II - AUTHORIZED EXPENDITURES

Except as otherwise approved in writing by A.I.D., the \$1,000,000 provided by this grant shall be expended for only the following:

Procurement of construction services and commodities to build a treatment and diagnostic wing of approximately 55,000 square feet including outpatient and related ancillary services.

ARTICLE III - OTHER SPECIAL PROVISIONS

Matching Funds

The Grantee or Hospital is responsible for matching the \$1,000,000 provided by this grant within ninety days of receipt of final disbursement by which time grantee will certify in writing that an additional \$1,000,000 has been raised.

Review of Architectural-Engineering Work

In addition to the requirements of Appendix B (2), Grantee shall submit architectural plans, specifications and an updated cost estimate for A.I.D. review at approximately the 25 to 30% level of design completion.

Non-Payment of Foreign Taxes

No funds provided by this grant shall be used for payment of customs, duties, or any other taxes levied by the Government of Mexico.

PROCUREMENT OF CONSTRUCTION SERVICES

Grantee shall then determine those firms it considers qualified to bid.

2. AID Approval Prior to Bidding

Any decision by Grantee to procure a commodity on a proprietary basis shall be documented pursuant to paragraph E below, except for procurement of spare parts and components for existing commodities which may be undertaken on a proprietary basis without the documentation required in paragraph E below.

E. Notification to AID

Prescheduled advances are intended for grant financed activities when costs cannot be met by grant recipients on a reimbursement for expenses basis, e.g., construction and major equipment procurement projects.

A. Procedures for Requesting Disbursement

1. Upon request from the Grantee, AID will make prescheduled advances to meet Grantee's cash disbursement needs for maximum periods of three months. However, Grantee's requests must reflect each month's requirements and funds will be disbursed to the Grantee on a monthly basis only.

A separate account number shall be assigned by the Grantee for operation of this grant, and all requests and disbursements shall be recorded thereunder by the Grantee in such manner that it will be possible to ascertain the nature of the withdrawal and the balance of the advance payment account at any time. The records thereof shall be preserved and be subject to inspection and audit in accordance with applicable provisions of this grant.

D. Conversion of Dollars to Local Currency

Unless prohibited by Appendix A,\* Grantee is authorized to convert United States dollars to local currency. Such conversions shall be made under arrangements approved in writing by a United States Disbursing Officer (U.S.D.O.) at the AID Mission, American Embassy, or Consulate in the country where Grantee's institution is located. Such conversions may be handled by the U.S.D.O. directly or through commercial banking channels depending on the circumstances in each country.

\* If Grantee institution is located in an excess or near-excess country, Appendix A will prohibit conversion except through a U.S. Disbursing Office.

E. Restriction on Interest

Interest earned on all or any part of the funds disbursed under this grant, whether dollars or dollars converted to local currency, shall be refunded to AID in dollars.

### B. Records and Books of Account - Right of Inspection

The Grantee shall keep full and complete records and books of account, in accordance with generally accepted accounting principles, covering financial details applicable to this grant. A.I.D. and the Comptroller General of the United States, or any of their authorized representatives, shall have the right to examine, audit and copy, at all reasonable times, all such records and books of

account, and all other documents or reports, pertaining to the grant. All such books and records shall be maintained by Grantee for at least three years after the date of the last disbursement by A.I.D.

C. Reimbursement to A.I.D.

a) In the case of any disbursement which is not supported by valid documentation in accordance with this agreement, or which is not made or used in accordance with this agreement, or which was for goods or services not used in accordance with this agreement, A.I.D., notwithstanding the availability or exercise of any other remedies under this agreement, may require the Grantee to refund the amount of such disbursement in U.S. Dollars to A.I.D. within sixty (60) days after receipt of a request therefor.

b) If the failure of Grantee to comply with any of its obligations under this agreement has the result that goods or services financed under the grant are not used effectively in accordance with this agreement, A.I.D. may require the Grantee to refund all or any part of the amount of the disbursements under this agreement for such goods or services in U.S. Dollars to A.I.D. within sixty days after receipt of a request therefor.

c) The right under subsection (a) or (b) to require a refund of a disbursement will continue, notwithstanding any other provision of this agreement, for three years from the date of the last disbursement under this agreement.

d) (1) Any refund under subsection (a) or (b), or (2) any refund to A.I.D. from a contractor, supplier, bank or other

third party with respect to goods or services financed under the grant, which refund relates to an unreasonable price for or erroneous invoicing of goods or services, or to goods that did not conform to specifications, or to services that were inadequate, will (A) be made available first for the cost of goods and services required for the project, to the extent justified, and (B) the remainder, if any, will be applied to reduce the amount of the grant.

D. Non-Liability

A.I.D. disclaims all liability with respect to any claims arising out of or connected with activities supported by this grant.

E. Equal Opportunity

Grantee's employment practices with regard to U.S. nationals shall provide equality of opportunity without regard to race, religion, sex, color or national origin. Further, in the carrying out of its educational and/or medical program, Grantee agrees that no person shall, on the grounds of race, religion, sex, color or national origin, be excluded from participation, be denied benefits, or be otherwise subject to discrimination.

The above shall not be construed to require enrollment of students of both sexes at an educational institution enrolling boys or girls only.

F. Covenant Against Contingent Fees

The Grantee warrants that no person or selling agent has been employed or retained to solicit or secure this grant upon agreement or understanding for a commission, percentage, brokerage, or contingent fee. For breach or violation of this warranty, A.I.D. shall have the

right to cancel this grant without liability or, in its discretion, to deduct from the grant amount, or otherwise recover, the full amount of each commission, percentage, brokerage, or contingent fee.

G. Officials Not to Benefit

No member or delegate to the Congress or resident commissioner shall be admitted to any share or part of this grant or to any benefit that may arise therefrom.

H. Termination

A.I.D. may revoke this grant at any time for the convenience of the United States Government by giving written notice to such effect to the Grantee. Upon receipt of and in accordance with such notice, Grantee shall take appropriate action to minimize all expenditures and cancel outstanding obligations financed by this grant wherever possible. Grantee shall be reimbursed for all obligations incurred prior to the date of termination which have not been cancelled and which it has made in accordance with the provisions of this grant. Grantee shall refund to A.I.D. any unexpended and/or non-obligated portion of the funds which have been disbursed to the Grantee by A.I.D. within ninety (90) days after the termination of this grant. In addition, upon such termination A.I.D. may, at A.I.D.'s expense, direct that title to goods financed under the grant be transferred to A.I.D. if the goods are from a source outside the country in which Grantee's institution is located, are in a deliverable state and have not been offloaded in ports of entry of the country in which Grantee's institution is located.
