APPENDIX A
SPECIAL PROVISIONS

ARTICLE I - PURPOSE OF THE GRANT

1. Under Section 214 of the Foreign Assistance Act of 1961, as amended, the United States Government is authorized to provide assistance to schools outside the United States, founded or sponsored by United States citizens and serving as study and demonstration centers for ideas and practices of the United States.

2. The Grantee, a non-profit corporation established under the laws of the State of Maryland, founded the ~~Bologna~~ ^{Bologna} Center for Advanced International Studies in 1955. The Center enables European, American and third-world students to study in an American-style graduate school environment that fosters mutual understanding and enables graduates to enter productive careers in government, international organizations and the private sector.

3. For Fiscal Year 1988, Grantee has requested assistance to help meet its expenses for academic year 1987-1988 which are estimated at more than \$2.7 million. A.I.D. has determined that \$300,000 should be provided for this purpose.

ARTICLE II - AUTHORIZED EXPENDITURES

Except as otherwise approved by A.I.D. in writing, the \$300,000 provided herein shall be expended only for the following:

1. Salaries of citizens of the ^{Bologna} United States on the faculty and staff of the Bologna Center, including related benefits such as retirement and health insurance.	\$ 125,000
2. Fellowships for non-American students enrolled at the Bologna ^{Bologna} Center.	150,000
3. Procurement of library books, periodicals, microfilm editions and other materials.	25,000

b. Local Currency Budget

Prior to disbursement of any funds for activities authorized in Article II that require the conversion of grant funds into local currency, Grantee will submit to A.I.D. a local currency budget. This budget will show total dollar amounts authorized for each item and the equivalent in local currency based upon the dollar exchange on the date of submission. For each dollar amount converted grantee must report currency transactions and their use pursuant to l.c. below.

c. Conversion of Dollars to Local Currency

In addition to the requirements of the grant's General Provisions B(5b), paragraph D and l.a., above, grantee must insure that

d. A.I.D. Approval

In the event funds excess to those needed to achieve the purposes of Article II become available, either as a result of currency exchange transactions or from unexpected savings in construction or procurement, Grantee must seek prior A.I.D approval for the use of such funds.

2. Prohibition Regarding Foreign Taxes

No funds provided by this grant shall be used to pay any value added tax, import tax or duties on commodities imported into Italy for this project.

3. Periodic External Audit

Grantee should give special attention to Appendix B(6), Section B of the General Provisions. This section has been amended to establish standards for periodic audits of Grantee's and the overseas institution's records and books of account and the submission of audited statements to A.I.D.

PROCUREMENT OF COMMODITIES

Paragraphs A through H apply to procurement of commodities and commodity related services by the Grantee and any Grantee procurement agent. When AID is financing a fixed or unit price contract of the Grantee for construction services, paragraphs A and B, but not paragraphs C through H, will apply.

A. Place of Procurement

Commodities authorized for procurement shall be procured only in the United States, or in the country in which Grantee's institution is located (except as Appendix A. Special Provisions, limits procurement to the United States only).

1. Procurement in the United States

Commodities procured in the United States shall have been produced in the United States. A commodity shall not be eligible as being produced in the United States if

- (a) more than 50 percent of the total cost of its components were imported into the United States, and
- (b) it contains components from any communist country, excluding Yugoslavia.

2. Procurement in the Country in which Grantee's Institution is Located

- (a) shall not have entered the market on order from, or otherwise to satisfy a specific need of, the Grantee, except commodities produced in the United States, and
- (b) shall not have been produced in, nor -- to the best of Grantee's knowledge or the knowledge of any agent or contractor of the Grantee -- contain components from, any communist country, excluding Yugoslavia.

B. U.S. Carriers

Shipment of commodities from the United States shall be on U.S. flag carriers except as otherwise approved by AID.

C. Quotations and Bids

Procurement shall be made in accordance with Grantee's regular methods of procurement, provided Grantee employs good business practices which, except as permitted by paragraph D below, shall include:

1. Obtaining quotations or bids, as appropriate, from as many alternative sources as may be feasible, and
2. Procurement at the lowest price except as extenuating circumstances or non-responsive bids otherwise dictate.

D. Proprietary Procurement

Proprietary procurement, i.e., procurement from a single source and without obtaining quotations or bids from other manufacturers or suppliers, is hereby authorized (1) to assure compatibility or standardization with existing commodities, (2) when special design requirements are needed and available only from a single source, (3) when a specific commodity has proven to be most economical, dependable or serviceable under local conditions, and (4) when a specific commodity has a sole manufacturer or supplier. Any decision by Grantee to procure a commodity on a proprietary basis shall be documented pursuant to paragraph E below, except for procurement of spare parts and components for existing commodities which may be undertaken on a proprietary basis without the documentation required in paragraph E below.

E. Notification to AID

Any decision by Grantee to procure a commodity (1) at other than the lowest price offered or (2) on a proprietary basis (except for spare parts and components for existing commodities) shall be supported by a statement setting forth the reason(s) and the name(s) of the person(s) deciding that such procurement was advisable and necessary. Statements

10

substantiating the above kinds of action shall be included in Grantee's record and furnished to AID when the procurement is undertaken.

F. AID Financed Export Opportunities Bulletin

Each notice shall (1) describe generically the commodities to be procured, (2) provide an address in the United States where more detailed information may be obtained by interested parties, and (3) state that procurement will begin 45 days (or such later date as Grantee may desire) after publication of notice.

G. Marking Requirements

The Grantee shall insure that all major commodities financed under this grant are marked with the official AID ("clasped hands") emblem, except as AID may otherwise approve in writing.

H. Procurement Documentation

Grantee's records shall include copies of all solicitations made for bids or quotations for commodities procured under this grant; all quotations or bids received; suppliers commercial invoices; and, as applicable, other pertinent documents related to procurement, e.g., bills of lading or other evidence of shipment, including insurance; sales and service contracts or agreements; and Grantee's documentation for proprietary procurement and procurement at other than the lowest price pursuant to paragraph E above.

DISBURSEMENT PROCEDURES

Periodic or Prescheduled Advances

Prescheduled advances are intended for grant financed activities when costs cannot be met by grant recipients on a reimbursement for expenses basis, e.g., construction and major equipment procurement projects.

A. Procedures for Requesting Disbursement

1. Upon request from the Grantee, AID will make prescheduled advances to meet Grantee's cash disbursement needs for maximum periods of three months. However, Grantee's requests must reflect each month's requirements and funds will be disbursed to the Grantee on a monthly basis only.

2. To obtain such advances, the Grantee shall submit to AID Standard Form 270, "Request for Advance or Reimbursement" (a sample copy of SF 270 is attached). An original and three copies of a properly completed SF 270 shall be submitted to the Office of Financial Management (FM/PAD), Agency for International Development, Washington, D.C., 20523. To ensure timely response, the request should be received by AID not later than the 10th working day of the month prior to the month for which an advance disbursement is requested.

3. Any reduction or increase in any month's requirements for which an advance of funds is requested shall be promptly called to AID's attention by submission of a revised SF 270 clearly marked "REVISION."

4. In the event that funds disbursed to Grantee for any month exceed Grantee's requirements, funds in excess of requirements for that month shall be promptly refunded to AID.

B. Financial Reporting Requirements

Each quarter, and within 15 working days after the end of the reporting period, the Grantee shall submit to the Office of Financial Management (FM/PAD), Agency for International Development, Washington, D.C., 20523, an original and 2 copies of SF 269 "Financial Status Report."

C. Special Bank Account

Until advance payments made hereunder are liquidated, the advance payment and all other payments under this grant shall be deposited by the Grantee in a special bank account separate from the Grantee's general or other funds. A separate account number shall be assigned by the Grantee for operation of this grant, and all requests and disbursements shall be recorded thereunder by the Grantee in such manner that it will be possible to ascertain the nature of the withdrawal and the balance of the advance payment account at any time. The records thereof shall be preserved and be subject to inspection and audit in accordance with applicable provisions of this grant.

D. Conversion of Dollars to Local Currency

Unless prohibited by Appendix A,* Grantee is authorized to convert United States dollars to local currency. Such conversions shall be made under arrangements approved in writing by a United States Disbursing Officer (U.S.D.O.) at the AID Mission, American Embassy, or Consulate in the country where Grantee's institution is located. Such conversions may be handled by the U.S.D.O. directly or through commercial banking channels depending on the circumstances in each country.

* If Grantee institution is located in an excess or near-excess country, Appendix A will prohibit conversion except through a U.S. Disbursing Office.

E. Restriction on Interest

Interest earned on all or any part of the funds disbursed under this grant, whether dollars or dollars converted to local currency, shall be refunded to AID in dollars.

F. Additional Documentation

AID is authorized to require the submission of additional documentation necessary to support the authorized expenditures charged by the Grantee to this grant.

ADMINISTRATIVE AND OTHER PROVISIONS

A. Reports to Office of American Schools and Hospitals Abroad

As a condition of accepting this grant, Grantee agrees to keep the Office of American Schools and Hospitals Abroad (ASHA) informed of its activities toward accomplishing the purposes of this grant as well as its successes and problems as an American founded or sponsored institution overseas. To this end, Grantee agrees, pursuant to the provisions set forth below, to submit to ASHA

- quarterly reports of grant expenditures,
- quarterly progress reports on capital improvements, and
- an annual institutional report.

Grantee should bear in mind that failure to submit the reports enumerated above could lead to suspension of disbursement of funds by A.I.D.

1. Quarterly Report of Grant Expenditures*

Grantee shall submit to ASHA a quarterly report of grant expenditures as illustrated in the attached format, (See Attachment A). Two copies of this report shall be submitted within 15 days following the end of each quarter of the calendar year, until the (a) expiration date of the grant, (b) total expenditure of grant funds, (c) completion of the purpose of the grant, or (d) termination of the grant, whichever is earliest. This report is separate from and additional to expenditure reports submitted with disbursement vouchers prepared pursuant to the Disbursement Provisions of this grant.

- * Standard Form 269 acceptable for submission of Quarterly Report which is due even if no grant disbursements were made during the quarter.

2. Quarterly Progress Report on Capital Improvements

If the Special Provisions of this Grant (Appendix A) provide funding for construction, commodity procurement or other capital improvements, Grantee shall submit two copies of a progress report within 15 days following the end of each quarter of the calendar year. The reports should include the following information and may be consolidated into one quarterly report, as applicable.

a. Construction Progress

Each report should show the percentage of completion of each major segment of work, e.g. final architectural-engineering planning, excavation, structural work, mechanical work, electrical work, etc., and should indicate how the rate of work compares with the progress schedule adopted at the inception of the project. The progress schedule should be included in each report, along with any revisions made in the schedule and the reasons for such revisions. As applicable, one or more photographs should be included showing the work in progress. The report should include a statement of utilization of funds for the project and should separately identify both grant funds and any other funds financing the project, as applicable. The report should inform ASHA of any current or potential problems affecting the character and progress of work and steps taken, or which are to be taken, to resolve them.

B. Records and Books of Account - Right of Inspection

The Grantee shall keep full and complete records and books of account, in accordance with generally accepted accounting principals, covering financial details applicable to the grant. A.I.D. and the Comptroller General of the United States, or any of their authorized representatives, shall have the right to examine, audit and copy, at all reasonable times, all such records and books of account, and all other documents or reports, pertaining to the grant. All such books and records shall be maintained by Grantee and Subgrantees; (1) for at least three years after the date of the last disbursement by A.I.D.; (2) for a longer period, if necessary, to complete an audit that resolves all questions concerning expenditures unless written approval has been obtained from the grant officer to dispose of the records. A.I.D. follows generally accepted accounting practices in determining that there has been proper accounting and use of grant funds. The grantee agrees to make available any further information requested by A.I.D. with respect to any questions arising as a result of the audit; and (3) if any litigation, claim, or audit is started before the expiration of the three year period, the records shall be retained until all activities involving the records have been resolved. Grantees shall also provide for the following:

1. External Audit by Qualified Individuals

Examinations in the form of audits shall be made by qualified individuals i.e., (Certified Public Accountants or equivalent) that are sufficiently independent of those that authorize the expenditure of A.I.D. funds, to produce unbiased opinions, conclusions, or judgments. In all matters relating to the audit work, the auditing organization and the individual auditors must be free from personal or external impairments to independence and must be organizationally independent.

These examinations are intended to ascertain the effectiveness of the financial management systems and internal procedures that have been established to meet the terms and conditions of the grant. It is not intended that each grant awarded to the grantee be examined. Generally, examinations should be conducted on an organization-wide basis to test the fiscal integrity of financial transactions, as well as compliance with the terms and conditions of the A.I.D. grant. Such tests would include an appropriate sampling of Federal grants and agreements. Examinations will be conducted on a continuing basis, usually annually, but not less frequently than every two years. The frequency of these examinations shall depend upon the nature, size, and the complexity of the activity. These grantee self-examinations do not relieve A.I.D. of its audit responsibilities, but may affect the frequency and scope of such audits.

Two copies of the audit report shall be furnished to A.I.D.'s Office of American Schools and Hospitals Abroad, Agency for International Development, Washington, D.C. 20523 one of which will be forwarded to the Agency's Regional Inspector General for Audit in Washington.

2. Resolution of Audit Findings and Recommendations

Grantee shall ensure that a systematic method is established for timely and appropriate resolution of audit findings and recommendations.

C. Reimbursement to A.I.D.

1. In the case of any disbursement which is not supported by valid documentation in accordance with this agreement, or which is not made or used in accordance with this agreement, or which was for goods or services not used in accordance with this agreement, A.I.D., notwithstanding the availability or exercise of any other remedies under this agreement, may require the Grantee to refund the amount of such disbursement in U.S. Dollars to A.I.D. within sixty (60) days after receipt of a request therefore.

2. If the failure of Grantee to comply with any of its obligations under this agreement has the result that goods or services financed under the grant are not used effectively in accordance with this agreement, A.I.D. may require the Grantee to refund all or any part of the amount of the disbursements under this agreement for such goods or services in U.S. Dollars to A.I.D. within sixty (60) days after receipt of request therefore.

3. The right under subsection (1.) or (2.) to require a refund of a disbursement will continue, notwithstanding any other provision of this agreement, for three years from the date of the last disbursement under this agreement.

4. (a) Any refund under subsection (1.) or (2.), or (b) any refund to A.I.D. from a contractor, supplier, bank or other third part with respect to goods or services financed under the grant, which refund relates to an unreasonable price for or erroneous invoicing of goods or services, or to goods that did not conform to specifications, or to services that were inadequate, will (i.) be made available first for the cost of goods and services required for the project, to the extent justified, and (ii.) the remainder, if any, will be applied to reduce the amount of the grant.

D. Non-Liability

A.I.D. disclaims all liability with respect to any claims arising out of or connected with activities supported by this grant.

E. Equal Opportunity

Grantee's employment practices with regard to U.S. nationals shall provide equality of opportunity without regard to race, religion, sex, color or national origin. Further, in the carrying out of its educational and/or medical program, Grantee agrees that no person shall, on the grounds of race, religion, sex, color or national origin, be excluded from participation, be denied benefits, or be otherwise subject to discrimination.

The above shall not be construed to require enrollment of students of both sexes at an educational institution enrolling boys or girls only.

F. Covenant Against Contingent Fees

The Grantee warrants that no person or selling agent has been employed or retained to solicit or secure this grant upon agreement or understanding for a commission, percentage, brokerage, or contingent fee. For breach or violation of this warranty, A.I.D. shall have the right to cancel this grant without liability or, in its discretion, to deduct from the grant amount, or otherwise recover, the full amount of each commission, percentage, brokerage, or contingent fee.

G. Officials Not to Benefit

No member or delegate to the Congress or resident commissioner shall be admitted to any share or part of this grant or to any benefit that may arise therefrom.

H. Termination

A.I.D. may revoke this grant at any time for the convenience of the United States Government by giving written notice to such effect to the Grantee. Upon receipt of and in accordance with such notice, Grantee shall take appropriate action to minimize all expenditures and cancel outstanding obligations financed by this grant wherever possible. Grantee shall be reimbursed for all obligations incurred prior to the date of termination which have not been cancelled and which it has made in accordance with

the provisions of this grant. Grantee shall refund to A.I.D. any unexpended and/or non-obligated portion of the funds which have been disbursed to the Grantee by A.I.D. within ninety (90) days after the termination of this grant. In addition, upon such termination A.I.D. may, at A.I.D.'s expense, direct that title to goods financed under the grant be transferred to A.I.D. if the goods are from a source outside the country in which Grantee's institution is located, are in a deliverable state and have not been off loaded in ports of entry of the country in which Grantee's institution is located.

I. Notices

Any notice given by any of the parties hereto shall be sufficient only if in writing and delivered to the following:

To A.I.D. -- Office of American Schools and Hospitals Abroad
Agency for International Development
Washington, D.C. 20523

To Grantee -- Name and address as set forth on the cover page of this grant, or such other address as either of the parties shall have designated by notice given as herein required. Notices hereunder shall be effective when delivered in accordance with this clause or on the effective date of the notice, whichever is later. All such communications will be in English, unless the parties otherwise agree in writing.

J. Subordinate Agreements

The placement of subordinate agreements (e.g., leases, options, etc.), grants, or contracts with other organizations, firms or institutions and the provisions of such subordinate agreements are subject to prior written consent of A.I.D. if they will be funded hereunder and if A.I.D. so notifies the Grantee in writing that it desires to exercise this right. In no event shall any such subordinate agreement, grant, or contract be on a cost-plus-a-percentage-of-cost basis. Subordinate contractors (including suppliers) shall be selected on a competitive basis to the maximum practicable extent consistent with the obligations and requirements of this grant.

K. Title to and Use of Property

1. Title to all property financed under this grant shall vest in the Grantee or the beneficiary institution.

2. The Grantee agrees to use and maintain the property for the purpose of the grant in accordance with the requirement of this agreement, for the extent of its useful life, unless A.I.D. shall agree otherwise in writing.
