

PROJECT AGREEMENT  
AMENDMENT NUMBER THREE

Between the United States of America, acting through  
the Agency for International Development (AID)

AND

the Government of Grenada, acting through  
the Ministry of Finance, Trade, Industrial Development and Planning  
(Grantee)

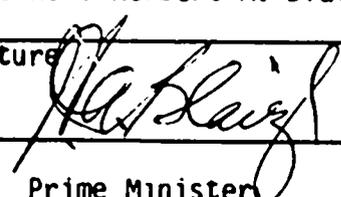

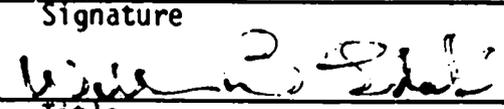

1. Project Title LAC Training Initiatives II	:	2. AID Project Number 598-0640.17
3. Amendment Number Three	:	4. Date of Original Agreement August 16, 1985
5. The Project Agreement identified above is hereby amended as follows:		

The purpose of this amendment is to increase funding under the Grenada sub-activity of the LAC Training Initiatives II project by an additional Four Hundred Thousand United States Dollars (US\$400,000), thereby increasing total funds available under the Grant to Nine Hundred and Eighty-five Thousand United States Dollars (US\$985,000). The additional funds will be used to finance the training of eighteen (18) participants who began their studies in the United States in January 1985. At that time the participants were funded only to December 31, 1986, a period of two years. This additional funding will allow these participants to complete their programs and receive their undergraduate degrees.

All other provisions of the original Agreement remain unchanged.
