Sep-13	10-Sep-13	TBD	Bulk	TBD	11/05 or 11/25	
			Packaged	TBD	12/05 or 12/20	

FFP will make every attempt to process and approve sales orders submitted after the deadlines listed above but we cannot guarantee this will happen in time for them to be included on the respective invitation

Due to the overlap in fiscal years between when WBSCM entries are completed and when commodities are purchased, September calls forward will only be considered under exceptional circumstance and must be approved by FFP senior management
