Advice of Program Change

Country	:	Nicaragua
Project Title	:	Regional Educational Radio
Project Number	:	524-0146
FY 1977 CP Reference	:	None
Appropriation Category	:	Education and Human Resources
Intended Obligation	:	\$20,000

This is to advise that AID intends to make an Operational Program Grant (OPG) of \$20,000 to the Wisconsin/Nicaragua Partners of the Americas this fiscal year. The grant will help the Partners develop a regional educational radio station in Northeastern Nicaragua, with the aim of assessing the feasibility of establishing a low-cost educational radio service on a regional scale. The objective of the grant is to improve conditions among the rural poor in Eastern Nicaragua by providing non-formal education programs in the areas of health, nutrition, family planning, agriculture (and basic education). Radio instruction will be reinforced by direct contacts within the community by health, nutrition and education committees. This experience, if successful, is expected to help promote the use of educational radio services in other parts of Nicaragua.

AID's OPG will cover personnel, consultant and operating costs for a period of three years. During the first year AID will contribute \$20,000, while the Partners will contribute \$2,300 and the Nicaraguan Ministry of Public Education \$2,700. Over the life of the project, AID's projected contribution to the project represents 68.5% of the total costs; the Partners, 15.8%; and the Ministry of Education, 15.6%. Phase-out of Partners assistance is projected for September 1980, with the Ministry of Public Education assuming full responsibility for the operation of the project at that point.
